Item 1.01. Entry into a Material Definitive Agreement.

On June 9, 2019, United Technologies Corporation, a Delaware corporation (the “Company” or “United Technologies”), Light Merger Sub Corp., a Delaware corporation and wholly owned subsidiary of the Company (“Merger Sub”), and Raytheon Company, a Delaware corporation (“Raytheon”), entered into an Agreement and Plan of Merger (the “Merger Agreement”). The Merger Agreement provides for, among other things and subject to the satisfaction or waiver of specified conditions, the merger of Merger Sub with and into Raytheon (the “Merger”), with Raytheon surviving the Merger as a wholly owned subsidiary of the Company.

Each share of Raytheon common stock issued and outstanding as of the effective time of the Merger (the “Effective Time”) (except for shares held by Raytheon as treasury stock) will be converted into the right to receive 2.3348 fully paid and nonassessable shares of Company common stock (and, if applicable, cash in lieu of fractional shares) (the “Merger Consideration”), less any applicable withholding taxes.

As of the Effective Time, each invested Raytheon restricted stock award and Raytheon restricted stock unit award that becomes vested at the Effective Time by its terms will be converted into the right to receive the Merger Consideration in respect of each underlying share of Raytheon common stock, less applicable tax withholding. As of the Effective Time, each other unvested Raytheon restricted stock award and Raytheon restricted stock unit award, and each Raytheon performance-based restricted stock unit award, will be converted into an equivalent award of the Company relating to the number of shares of Company common stock equal to the product of (1) the number of shares of Raytheon common stock subject to such award immediately prior to the Effective Time (determined, in the case of a performance-based restricted stock unit award, by deeming the applicable performance conditions to be achieved at the levels determined pursuant to the methodology described in the Merger Agreement), multiplied by (2) the Merger Consideration exchange ratio, and each converted award shall otherwise have the same terms and conditions (other than performance-based vesting conditions, in the case of a performance-based restricted stock unit award) that applied to the corresponding Raytheon award immediately prior to the Effective Time.

The Merger Agreement provides that, prior to the consummation of the Merger, the Company will complete the previously announced separation of its commercial businesses, Otis and Carrier, from its other businesses (the “Separation”), and the pro rata distributions to its shareowners of 100% of the common stock of the entity holding the Otis business and 100% of the common stock of the entity holding the Carrier business (the “Distributions” and each, a “Distribution”).

The Merger Agreement also provides that, effective as of the Effective Time, the name of the Company will be changed to Raytheon Technologies Corporation.

The Merger Agreement further provides that effective as of the Effective Time, the Chief Executive Officer (“CEO”) of the Company as of immediately prior to the Effective Time will continue to serve as the CEO of the Company, and the CEO of Raytheon as of immediately prior to the Effective Time will be appointed to serve as Executive Chairman of the Company for a term ending upon the later of (1) the two year anniversary of the Effective Time and (2) March 31, 2022, after which the CEO of the Company will become the Chairman of the Company in addition to continuing to serve as CEO. In addition, effective as of the Effective Time, the board of directors of the Company will be comprised of 15 directors, of which eight will be members of the board of directors of the Company (including the CEO of the Company) and seven will be former members of the board of directors of Raytheon (including the CEO of Raytheon). The lead independent director of the board of directors of the Company will be designated from among the former members of the board of directors of Raytheon. Effective as of the Effective Time, the amended and restated bylaws of the Company will be amended and restated to reflect the foregoing governance arrangements and certain related matters.

The completion of the Separation, the Distributions and the Merger is subject to conditions, including: (1) the approval of the Merger by Raytheon shareholders and the approval of the issuance of shares of Company common stock in connection with the Merger by United Technologies shareowners, (2) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (3) the receipt of other required regulatory approvals, (4) the absence of any order or law that has the effect of enjoining or otherwise prohibiting the completion of the Merger, the Separation or the Distributions, (5) the approval for listing of the shares of common stock of the Company forming part of the Merger Consideration on the New York Stock Exchange and approvals for listing of the shares of common stock to be distributed in each Distribution on the applicable securities exchange(s), and in each case, the effectiveness of a registration statement with respect to such common stock, (6) receipt by the Company of (a) a private letter ruling from the Internal Revenue Service regarding certain U.S. federal income tax matters relating to the Separation and the Distributions and (b) an opinion of outside counsel regarding the qualification of each Distribution, together with certain related transactions, as a transaction that is generally tax-free for U.S. federal income tax purposes under Section 355 and Section 368(a)(1)(D) of the Internal Revenue Code of 1986, as amended (the “Code”), (7) receipt by each of Raytheon and the Company of an opinion of its respective outside counsel to the effect that (a) the Merger will qualify as a “reorganization” within the meaning of Section 368(a) of the Code and (b) the Merger will not cause Section 355(e) of the Code to apply to either Distribution, (8) receipt by the Company of solvency opinions relating to the Distributions, (9) subject to certain exceptions, the accuracy of the representations and warranties of the other party and (10) performance by the other party of its obligations under the Merger Agreement. In addition, the completion of the Merger is subject to the prior completion of the Separation and the Distributions.

The Merger Agreement includes customary representations, warranties and covenants of Raytheon and the Company (generally excluding the Otis business and the Carrier business). Between the date of execution of the Merger Agreement and the Effective Time, each of Raytheon and the Company (generally with respect to its aerospace businesses) has agreed to use reasonable best efforts to conduct its businesses in all material respects in the ordinary course consistent with past practice and to comply with certain operating covenants. In addition, the Merger Agreement provides that, immediately prior to the consummation of the Merger, the adjusted net indebtedness of the Company's aerospace businesses will not exceed an amount as provided for under the Merger Agreement.

In addition, each of Raytheon and the Company has agreed not to, and to cause its controlled affiliates and its and their representatives not to, solicit, initiate or knowingly encourage any third-party acquisition proposals, and has agreed to certain restrictions on its and its controlled affiliates' and its and their representatives' ability to respond to any such proposals. Subject to certain exceptions, each of Raytheon and the Company has agreed to use reasonable best efforts to cause the Merger to be completed. The Merger Agreement includes termination provisions for both the Company and Raytheon and provides that, in connection with a termination of the Merger Agreement under specified circumstances, Raytheon will be required to pay the Company a termination fee of \$1.785 billion or the Company will be required to pay Raytheon a termination fee of \$2.365 billion.

A copy of the Merger Agreement is attached as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference. The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement.

The representations, warranties and covenants set forth in the Merger Agreement have been made only for the purposes of that agreement and solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, as well as by information contained in each party's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. In addition, such representations and warranties (1) will not survive completion of the Merger and cannot be the basis for any claims under the Merger Agreement by the other party after termination of the Merger Agreement, except as a result of fraud or a willful breach, and (2) were made only as of the dates specified in the Merger Agreement. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement and not to provide investors with any other factual information regarding the parties or their respective businesses.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Employment Agreement with Gregory J. Hayes

On June 9, 2019, in connection with the execution of the Merger Agreement, the Company entered into an employment agreement with Gregory J. Hayes, Chairman and CEO of the Company (the “Hayes Employment Agreement”) to become effective upon, and subject to, the closing (the “Closing”) of the Merger, and which would automatically terminate and have no effect in the event the Merger Agreement is terminated.

The term of the Hayes Employment Agreement will commence as of the date on which the Closing occurs and continue until the third anniversary thereof, subject to the earlier termination of Mr. Hayes’s employment. Pursuant to the Hayes Employment Agreement, Mr. Hayes will serve as President and CEO of the Company and a member of the board of directors of the Company commencing at the Closing and will succeed Thomas A. Kennedy as Chairman of the board of directors of the Company on the later of the second anniversary of the Closing and March 31, 2022.

During the term of the Hayes Employment Agreement, Mr. Hayes will receive an annual base salary of \$1,600,000, subject to increase from time to time, a target bonus opportunity of 200% of base salary, and annual equity awards with an aggregate target grant date value equal to or greater than \$13,000,000. For the year in which the Closing occurs, Mr. Hayes will receive a bonus determined for the pre-Closing period based on the Company’s performance from January 1 of such year through the Closing and for the post-Closing period based on the performance goals established by the compensation committee of the board of directors of the Company for the portion of the year after the Closing (or based on the greater of target and the payout, as a percentage of target, applicable to the pre-Closing period to the extent that no such goals are established).

Upon Mr. Hayes’s termination of employment during the term by the Company without cause (as defined in the Hayes Employment Agreement) or by Mr. Hayes for good reason (as defined in the Hayes Employment Agreement), Mr. Hayes will be entitled to receive (subject to execution of a release of claims in favor of the Company): (1) a lump sum cash severance payment equal to three times the sum of (a) his annual base salary and (b) the greater of his actual annual bonus for the fiscal year immediately prior to the year in which the Closing occurs and his annual target bonus for the year of termination, (2) a prorated target annual bonus for the year of termination, (3) treatment of his termination of employment as a retirement for purposes of the terms and conditions of his outstanding Company equity awards, and waiver of any minimum holding period that would otherwise apply as a condition to vesting upon retirement, and (4) up to 12 months of healthcare benefit coverage continuation at no premium cost to him.

Pursuant to the Hayes Employment Agreement, Mr. Hayes is subject to a perpetual confidentiality covenant, a one-year post-termination noncompetition covenant, and a two-year post-termination customer and employee nonsolicitation covenant.

A copy of the Hayes Employment Agreement is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference. The foregoing description of the Hayes Employment Agreement does not purport to be complete and is qualified in its entirety by reference to the Hayes Employment Agreement.

Employment Agreement with Thomas A. Kennedy

Concurrently with entering into the Hayes Employment Agreement, the Company also entered into an employment agreement with Thomas A. Kennedy, CEO of Raytheon, to become effective upon, and subject to, the Closing, and which would automatically terminate and have no effect in the event the Merger Agreement is terminated, the terms of which are substantially similar to the terms of the Hayes Employment Agreement, except that the agreement with Mr. Kennedy provides for him to serve as Executive Chairman from the Closing until the later of the second anniversary of the Closing and March 31, 2022, and generally provides for a base salary and annual incentive compensation opportunity not less favorable than those currently applicable to him at Raytheon.

Item 8.01. Other Events.

On June 9, 2019, United Technologies and Raytheon issued a joint press release announcing the entry into the Merger Agreement. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

From time to time, oral or written forward-looking statements may also be included in other information released to the public. These forward-looking statements are intended to provide Raytheon’s and United Technologies’ respective management’s current expectations or plans for our future operating and financial performance, based on assumptions currently believed to be valid. Forward-looking statements can be identified by the use of words such as “believe,” “expect,” “expectations,” “plans,” “strategy,” “prospects,” “estimate,” “project,” “target,” “anticipate,” “will,” “should,” “see,” “guidance,” “outlook,” “confident,” “on track” and other words of similar meaning. Forward-looking statements may include, among other things, statements relating to future sales, earnings, cash flow, results of operations, uses of cash, share repurchases, tax rates, R&D spend, other measures of financial performance, potential future plans, strategies or transactions, credit ratings and net indebtedness, other anticipated benefits of the proposed Merger or the spin-offs by United Technologies of Otis and Carrier into separate independent companies (the “separation transactions”), including estimated synergies and customer cost savings resulting from the proposed Merger, the expected timing of completion of the proposed Merger and the separation transactions, estimated costs associated with such transactions and other statements that are not historical facts. All forward-looking statements involve risks, uncertainties and other factors that may cause actual results to differ materially from those expressed or implied in the forward-looking statements. For those statements, we claim the protection of the safe harbor for forward-looking statements contained in the U.S. Private Securities Litigation Reform Act of 1995. Such risks, uncertainties and other factors include, without limitation: (1) the effect of economic conditions in the industries and markets in which United Technologies and Raytheon operate in the U.S. and globally and any changes therein, including financial market conditions, fluctuations in commodity prices, interest rates and foreign currency exchange rates, levels of end market demand in construction and in both the commercial and defense segments of the aerospace industry, levels of air travel, financial condition of commercial airlines, the impact of weather conditions and natural disasters, the financial condition of our customers and suppliers, and the risks associated with U.S. government sales (including changes or shifts in defense spending due to budgetary constraints, spending cuts resulting from sequestration, a government shutdown, or otherwise, and uncertain funding of programs); (2) challenges in the development, production, delivery, support, performance and realization of the anticipated benefits (including our expected returns under customer contracts) of advanced technologies and new products and services; (3) the scope, nature, impact or timing of the proposed Merger and the separation transactions and other merger, acquisition and divestiture activity, including among other things the integration of or with other businesses and realization of synergies and opportunities for growth and innovation and incurrence of related costs and expenses; (4) future levels of indebtedness, including indebtedness that may be incurred in connection with the proposed Merger and the separation transactions, and capital spending and research and development spending; (5) future availability of credit and factors that may affect such availability, including credit market conditions and our capital structure; (6) the timing and scope of future repurchases by the companies of their respective common stock, which may be suspended at any time due to various factors, including market conditions and the level of other investing activities and uses of cash, including in connection with the proposed Merger; (7) delays and disruption in delivery of materials and services from suppliers; (8) company and customer-directed cost reduction efforts and restructuring costs and savings and other consequences thereof (including the potential termination of U.S. government contracts and performance under undefinitized contract awards and the potential inability to recover termination costs); (9) new business and investment opportunities; (10) the ability to realize the intended benefits of organizational changes; (11) the anticipated benefits of diversification and balance of operations across product lines, regions and industries; (12) the outcome of legal proceedings, investigations and other contingencies; (13) pension plan assumptions and future contributions; (14) the impact of the negotiation of collective bargaining agreements and labor disputes; (15) the effect of changes in political conditions in the U.S. and other countries in which United Technologies, Raytheon and the businesses of each operate, including the effect of changes in U.S. trade policies or the U.K.’s pending withdrawal from the European Union, on general market conditions, global trade policies and currency exchange rates in the near term and beyond; (16) the effect of changes in tax (including U.S. tax reform enacted on December 22, 2017, which is commonly referred to as the Tax Cuts and Jobs Act of 2017), environmental, regulatory and other laws and regulations (including, among other things, export and import requirements such as the International Traffic in Arms Regulations and the Export Administration Regulations, anti-bribery and anti-corruption requirements, including the Foreign Corrupt Practices Act, industrial cooperation agreement obligations, and procurement and other regulations) in the U.S. and other countries in which United Technologies, Raytheon and the businesses of each operate; (17) negative effects of the announcement or pendency of the proposed Merger or the separation transactions on the market price of United Technologies’ and/or Raytheon’s respective common stock and/or on their respective financial performance; (18) the ability of the parties to receive the required regulatory approvals for the proposed Merger (and the risk that such approvals may result in the imposition of conditions that could adversely affect the combined company or the expected benefits of the transaction) and approvals of United Technologies’ shareowners and Raytheon’s shareholders and to satisfy the other conditions to the closing of the Merger on a timely basis or at all; (19) the occurrence of events that may give rise to a right of one or both of the parties to terminate the Merger Agreement; (20) risks relating to the value of the United Technologies’ shares to be issued in the proposed Merger, significant transaction costs and/or unknown liabilities; (21) the possibility that the anticipated benefits from the proposed Merger cannot be realized in full or at all or may take longer to realize than expected, including risks associated with third party contracts containing consent and/or other provisions that may be triggered by the proposed transaction; (22) risks associated with transaction-related litigation; (23) the possibility that costs or difficulties related to the integration of United Technologies’ and Raytheon’s operations will be greater than expected; (24) risks relating to completed merger, acquisition and divestiture activity, including United Technologies’ integration of Rockwell Collins, including the risk that the integration may be more difficult, time-consuming or costly than expected or may not result in the achievement of estimated synergies within the contemplated time frame or at all; (25) the ability of each of Raytheon, United Technologies, the companies resulting from the separation transactions and the combined company to retain and hire key personnel; (26) the expected benefits and timing of the separation transactions, and the risk that conditions to the separation transactions will not be satisfied and/or that the separation transactions will not be completed within the expected time frame, on the expected terms or at all; (27) the intended qualification of (i) the Merger as a tax-free reorganization and (ii) the separation transactions as tax-free to United Technologies and United Technologies’ shareowners, in each case, for U.S. federal income tax purposes; (28) the possibility that any opinions, consents, approvals or rulings required in connection with the separation transactions will not be received or obtained within the expected time frame, on the expected terms or at all; (29) expected financing transactions undertaken in connection with the proposed Merger and the separation transactions and risks associated with additional indebtedness; (30) the risk that dissynergy costs, costs of restructuring transactions and other costs incurred in connection with the separation transactions will exceed United Technologies’ estimates; and (31) the impact of the proposed Merger and the separation transactions on the respective businesses of Raytheon and United Technologies and the risk that the separation transactions may be more difficult, time-consuming or costly than expected, including the impact on United Technologies’ resources, systems, procedures and controls, diversion of its management’s attention and the impact on relationships with customers, suppliers, employees and other business counterparties. There can be no assurance that the proposed Merger, the separation transactions or any other transaction described above will in fact be consummated in the manner described or at all. For additional information on identifying factors that may cause actual results to vary materially from those stated in forward-looking statements, see the reports of United Technologies and Raytheon on Forms 10-K, 10-Q and 8-K filed with or furnished to the Securities and Exchange Commission (the “SEC”) from time to time. Any forward-looking statement speaks only as of the date on which it is made, and United Technologies and Raytheon assume no obligation to update or revise such statement, whether as a result of new information, future events or otherwise, except as required by applicable law.

ARTICLE I

FORMATION; THE MERGER

Section 1.1. **The Merger.** Upon the terms and subject to the conditions set forth in this Agreement and in accordance with the General Corporation Law of the State of Delaware (the “DGCL”), Merger Sub shall be merged with and into Raytheon (the “Merger”) at the Effective Time. Following the Effective Time, the separate corporate existence of Merger Sub shall cease, and Raytheon shall continue as the surviving corporation in the Merger (sometimes referred to herein as the “Surviving Corporation”) and shall succeed to and assume all the rights, privileges, immunities, properties, powers and franchises of Merger Sub in accordance with the DGCL.

Section 1.2. **Closing.** The closing of the Merger (the “Closing”) shall take place at 8:00 a.m., New York time, at the offices of Wachtell, Lipton, Rosen & Katz, 51 West 52nd Street, New York, New York, 10019, on the first day of the month (or, if such day is not a business day, the following business day) that is at least three (3) business days after satisfaction or waiver of all of the conditions set forth in Article VII (other than those conditions that by their terms are to be fulfilled at the Closing, but subject to the fulfillment or waiver of such conditions); provided that the conditions set forth in Section 7.1(h), Section 7.1(i) and Section 7.1(j) may be satisfied at any time prior to the Closing (including on the Closing Date, prior to the Closing) at the discretion of UTC; provided, further, that the Closing may occur at such other time, date or place as may be agreed to in writing by the parties hereto (the date of the Closing, the “Closing Date”).

ARTICLE III

**EFFECT OF THE MERGER ON THE CAPITAL STOCK OF RAYTHEON;
EXCHANGE OF CERTIFICATES**

Section 3.1. Effect on Capital Stock of Raytheon.

(a) Conversion of Raytheon Common Stock, Merger Sub Common Stock and UTC Common Stock. As of the Effective Time, by virtue of the Merger and without any action on the part of Raytheon, UTC, Merger Sub or the holders of any securities of Raytheon, UTC or Merger Sub:

(i) Each issued and outstanding share of Raytheon Common Stock (other than any shares of Raytheon Common Stock to be canceled pursuant to Section 3.1(a)(ii)) shall be converted into the right to receive 2.3348 (the "Exchange Ratio") fully paid and nonassessable shares of UTC Common Stock (and, if applicable, cash in lieu of fractional shares of UTC Common Stock payable in accordance with Section 3.1(c)) (the "Merger Consideration"). As of the Effective Time, all such shares of Raytheon Common Stock shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist. As of the Effective Time, each holder of a certificate or book-entry share representing any shares of Raytheon Common Stock shall cease to have any rights with respect thereto, except the right to receive, upon the surrender thereof, the Merger Consideration in accordance with Section 3.2.

(ii) Each share of Raytheon Common Stock held in the treasury of Raytheon immediately prior to the Effective Time shall automatically be canceled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor.

(iii) Each share of common stock of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into one fully paid and nonassessable share of the common stock of the Surviving Corporation.

(iv) Each issued share of UTC Common Stock shall remain an issued share of UTC Common Stock and shall not be converted or canceled as a result of the Merger. Each certificate or book-entry share representing any shares of UTC Common Stock as of the Effective Time shall continue for all corporate purposes to evidence ownership of such shares notwithstanding the change to the name of UTC pursuant to Section 2.1(a).

(b) Treatment of Raytheon Equity Awards.

(i) The Merger shall constitute a “change in control” for purposes of the Raytheon 2010 Stock Plan and all awards granted thereunder.

(ii) Each award of unvested restricted shares of Raytheon Common Stock (each a “Raytheon Restricted Stock Award”) that is outstanding immediately prior to the Effective Time shall, as of the Effective Time, automatically and without any action on the part of the holder thereof:

(A) if such Raytheon Restricted Stock Award becomes vested at the Effective Time pursuant to its terms, be converted into the right to receive a number of shares of UTC Common Stock equal to the product of (1) the number of shares of Raytheon Common Stock subject to such Raytheon Restricted Stock Award immediately prior to the Effective Time and (2) the Exchange Ratio (with a cash payment in respect of any fractional shares in accordance with Section 3.1(c)), less applicable Tax withholding, payable promptly following the Effective Time and in any event no later than fifteen (15) business days following the Effective Time; or

(B) if such Raytheon Restricted Stock Award is not covered by Section 3.1(b)(ii)(A), be converted into an award of unvested restricted shares of UTC Common Stock with the same terms and conditions that applied to such Raytheon Restricted Stock Award immediately prior to the Effective Time, relating to a number of shares of UTC Common Stock equal to the product, rounded to the nearest whole number of shares, of (1) the number of shares of Raytheon Common Stock subject to such Raytheon Restricted Stock Award immediately prior to the Effective Time and (2) the Exchange Ratio.

(iii) Each award of time-based vesting restricted stock units relating to Raytheon Common Stock (each, a “Raytheon RSU Award”) that is outstanding as of

immediately prior to the Effective Time shall, as of the Effective Time, automatically and without any action on the part of the holder

thereof:

(A) if such Raytheon RSU Award becomes vested at the Effective Time pursuant to its terms, be cancelled and converted into the right to receive a number of shares of UTC Common Stock equal to the product of (1) the number of shares of Raytheon Common Stock subject to such Raytheon RSU Award immediately prior to the Effective Time and (2) the Exchange Ratio (plus a cash payment in respect of any fractional shares in accordance with Section 3.1(c)), less applicable Tax withholding, payable promptly following the Effective Time and in any event no later than fifteen (15) business days following the Effective Time; provided that notwithstanding anything to the contrary contained in this Agreement, any payment pursuant to this Section 3.1(b)(iii)(A) in respect of any such Raytheon RSU Award which constitutes “deferred compensation” subject to Section 409A of the Code shall be made on the earliest possible date that such payment would not trigger a tax or penalty under Section 409A of the Code; or

(B) if such Raytheon RSU Award is not covered by Section 3.1(b)(iii)(A), be converted into an award of UTC restricted stock units with the same terms and conditions that applied to such Raytheon RSU Award immediately prior to the Effective Time, relating to a number of shares of UTC Common Stock equal to the product, rounded to the nearest whole number of shares, of (1) the number of shares of Raytheon Common Stock subject to such Raytheon RSU Award immediately prior to the Effective Time and (2) the Exchange Ratio.

(iv) Each award of performance-based vesting restricted stock units relating to Raytheon Common Stock (each, a “Raytheon PSU Award”) that is outstanding as of immediately prior to the Effective Time shall, as of the Effective Time, automatically and without any action on the part of the holder thereof be converted into an award of UTC restricted stock units with the same terms and conditions (other than performance-based vesting conditions) that applied to such Raytheon PSU Award immediately prior to the Effective Time, relating to a number of shares of UTC Common Stock equal to the product, rounded to the nearest whole number of shares, of (1) the number of shares of Raytheon Common Stock subject to such Raytheon PSU Award immediately prior to the Effective Time (with such number of shares determined by deeming the applicable performance conditions to be achieved at (x) if the Effective Time occurs within the first calendar year of the relevant performance cycle, target level of performance, and (y) if the Effective Time occurs on or after completion of the first calendar year of the relevant performance cycle, (I) with respect to the relative total shareholder return performance metric, actual performance through the last business day preceding the Closing Date and, (II) with respect to the return on invested capital and cumulative free cash flow performance metrics, actual performance for all completed calendar years in the relevant performance cycle and assumed performance at target for each remaining calendar year of the performance cycle (with determinations of actual performance made by the Management Development and Compensation Committee of

the Board of Directors of Raytheon after consultation with UTC)) and (2) the Exchange Ratio.

(v) Prior to the Effective Time, the Board of Directors of Raytheon or the appropriate committee thereof shall adopt resolutions providing for the treatment of the Raytheon Restricted Stock Awards, the Raytheon RSU Awards, and the Raytheon PSU Awards (collectively, the "Raytheon Equity Awards") as contemplated by this Section 3.1(b).

(vi) As soon as practicable after the Effective Time, UTC shall prepare and file with the SEC a registration statement on Form S-8 (or other applicable form) registering the shares of UTC Common Stock necessary to fulfill UTC's obligations under this Section 3.1(b). UTC shall take all corporate action necessary to reserve for issuance a sufficient number of shares of UTC Common Stock for delivery with respect to the Raytheon Equity Awards assumed by it in accordance with this Section 3.1(b).

(c) Fractional Shares. No fractional share of UTC Common Stock (or certificate or scrip representing the same) shall be issued upon the conversion or surrender for exchange of Certificates or Book-Entry Shares hereunder, and such fractional share interests shall not entitle the owner thereof to any UTC Common Stock or to vote or to any other rights of a holder of UTC Common Stock. Each holder of shares of Raytheon Common Stock converted pursuant to the Merger who would otherwise have been entitled to receive a fraction of a share of UTC Common Stock (after taking into account all Certificates and Book-Entry Shares delivered by such holder) shall receive, in lieu thereof, cash (without interest) in an amount equal to such fraction as provided in this Section 3.1(c). As promptly as practicable following the Effective Time, the Exchange Agent shall determine the excess of (i) the number of full shares of UTC Common Stock delivered to the Exchange Agent by UTC for issuance to holders of Certificates or Book-Entry Shares over (ii) the aggregate number of full shares of UTC Common Stock to be distributed to holders of Certificates or Book-Entry Shares (such excess being herein referred to as the "Excess Shares"). As soon as practicable after the Effective Time, the Exchange Agent, as agent for such holders of Certificates and Book-Entry Shares, shall sell the Excess Shares at then prevailing prices on the NYSE. The sale of the Excess Shares by the Exchange Agent shall be executed on the NYSE and shall be executed in round lots to the extent practicable. Until the net proceeds of any such sale or sales have been distributed to the holders of Certificates or Book-Entry Shares, the Exchange Agent shall hold such proceeds in trust for such holders. The net proceeds of any such sale or sales of Excess Shares to be distributed to the holders of Certificates or Book-Entry Shares shall be reduced by any and all commissions, transfer taxes and other out-of-pocket transaction costs, as well as any expenses, of the Exchange Agent incurred in connection with such sale or sales. The Exchange Agent shall determine the portion of such net proceeds to which each holder of Certificates or Book-Entry Shares shall be entitled, if any, by multiplying the amount of the aggregate net proceeds by a fraction, the numerator of which is the amount of the fractional share interest to which such holder of Certificates or Book-Entry Shares is entitled (after taking into account all Certificates and Book-Entry Shares then held by such holder) and the denominator of which is the aggregate amount of fractional share interests to which all holders of Certificates or Book-Entry Shares are entitled. As soon as practicable after the determination of the amount of cash, if any, to be paid to holders of Certificates or Book-Entry Shares with respect to any fractional share interests, the Exchange Agent shall promptly

pay such amounts to such holders subject to and in accordance with this Section 3.1(c); provided that no cash payment in lieu of fractional shares shall be paid to any such holder pursuant to this Section 3.1(c) until the surrender of such Certificates or Book-Entry Shares in accordance with this Article III. The payment of cash in lieu of fractional share interests pursuant to this Section 3.1(c) is not separately bargained-for consideration.

(d) No Dissenters' Rights. In accordance with Section 262 of the DGCL, no appraisal rights shall be available to holders of Raytheon Common Stock or UTC Common Stock in connection with the Merger.

Section 3.2. Exchange of Shares and Certificates.

(a) Designation of Exchange Agent; Deposit of Exchange Fund. Prior to the Closing, UTC shall enter into a customary exchange agreement with the transfer agent of UTC, the transfer agent of Raytheon or another nationally recognized financial institution or trust company designated by UTC and reasonably acceptable to Raytheon (the "Exchange Agent") for the payment of the Merger Consideration as provided in Section 3.1(a)(i). Prior to or substantially concurrently with the Effective Time, UTC shall deposit or cause to be deposited with the Exchange Agent, for exchange in accordance with this Article III through the Exchange Agent, book-entry shares representing the full number of whole shares of UTC Common Stock issuable pursuant to Section 3.1(a)(i) in exchange for outstanding shares of Raytheon Common Stock, and UTC shall, after the Effective Time on the appropriate payment date, if applicable, provide or cause to be provided to the Exchange Agent any dividends or other distributions payable on such shares of UTC Common Stock pursuant to Section 3.2(d) (such shares of UTC Common Stock provided to the Exchange Agent, together with any such dividends or other distributions with respect thereto, the "Exchange Fund").

(b) Letters of Transmittal and Instructions for Surrender. As promptly as practicable following the Effective Time, and in no event later than the fifth (5th) business day thereafter, UTC shall cause the Exchange Agent to mail to each holder of record of a certificate (a "Certificate") that immediately prior to the Effective Time represented outstanding shares of Raytheon Common Stock (i) a letter of transmittal (which shall specify that delivery of Certificates shall be effected, and risk of loss and title to the Certificates shall pass only upon proper delivery of the Certificates (or affidavits of loss in lieu thereof) to the Exchange Agent, and which shall be in the form and have such other provisions as are reasonably acceptable to UTC and Raytheon) and (ii) instructions (which instructions shall be in the form and have such other provisions as are reasonably acceptable to UTC and Raytheon) for use in effecting the surrender of the Certificates in exchange for (A) the number of shares of UTC Common Stock (which shall be in book-entry form) representing, in the aggregate, the whole number of shares that such holder has the right to receive in respect of such Certificates pursuant to Section 3.1(a)(i), (B) any dividends or other distributions payable pursuant to Section 3.2(d) and (C) cash in lieu of fractional shares of UTC Common Stock payable pursuant to Section 3.1(c).

(c) Exchange Procedures. Upon surrender of a Certificate (or affidavit of loss in lieu thereof) for cancellation to the Exchange Agent, together with a letter of transmittal duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, the holder of such Certificate shall

be entitled to receive in exchange therefor (i) the number of shares of UTC Common Stock (which shall be in book-entry form) representing, in the aggregate, the whole number of shares that such holder has the right to receive in respect of such Certificate pursuant to Section 3.1(a)(i), (ii) any dividends or other distributions payable pursuant to Section 3.2(d) and (iii) any cash in lieu of fractional shares of UTC Common Stock payable pursuant to Section 3.1(c), and the Certificate (or affidavit of loss in lieu thereof) so surrendered shall be forthwith canceled. No holder of record of a book-entry share (a “Book-Entry Share”) that immediately prior to the Effective Time represented outstanding shares of Raytheon Common Stock shall be required to deliver a Certificate or letter of transmittal or surrender such Book-Entry Shares to the Exchange Agent, and in lieu thereof, each Book-Entry Share shall automatically upon the Effective Time be entitled to receive (x) the number of shares of UTC Common Stock (which shall be in book-entry form) representing, in the aggregate, the whole number of shares that such holder has the right to receive in respect of such Book-Entry Shares pursuant to Section 3.1(a)(i), (y) any dividends or other distributions payable pursuant to Section 3.2(d) and (z) any cash in lieu of fractional shares of UTC Common Stock payable pursuant to Section 3.1(c). Until surrendered, in the case of a Certificate, or paid for, in the case of a Book-Entry Share, in each case, as contemplated by this Section 3.2(c), each Certificate or Book-Entry Share shall be deemed, from and after the Effective Time, to represent only the right to receive the Merger Consideration as contemplated by this Section 3.2(c) and any dividends or other distributions payable pursuant to Section 3.2(d). The Exchange Agent shall accept such Certificates (or affidavits of loss in lieu thereof) and make such payments and deliveries with respect to Book-Entry Shares upon compliance with such reasonable terms and conditions as the Exchange Agent may impose to effect an orderly exchange thereof in accordance with normal exchange practices. No interest shall be paid or accrued for the benefit of holders of the Certificates or Book-Entry Shares on the Merger Consideration or any cash payable hereunder.

(d) Distributions with Respect to Unexchanged Shares. Subject to Applicable Law, there shall be paid to the holders of the UTC Common Stock issued in exchange for Certificates or Book-Entry Shares pursuant to Section 3.2(c), without interest, (i) at the time of delivery of such UTC Common Stock by the Exchange Agent pursuant to Section 3.2(c), the amount of dividends or other distributions, if any, with a record date after the Effective Time theretofore paid with respect to such shares of UTC Common Stock, and (ii) at the appropriate payment date, the amount of dividends or other distributions, if any, with a record date after the Effective Time, but prior to such delivery of such UTC Common Stock by the Exchange Agent pursuant to Section 3.2(c), and a payment date subsequent to such delivery of such UTC Common Stock by the Exchange Agent pursuant to Section 3.2(c), payable with respect to such shares of UTC Common Stock.

(e) Certain Transfers of Ownership. In the event of a transfer of ownership of Raytheon Common Stock that is not registered in the transfer records of Raytheon, payment of the appropriate amount of Merger Consideration (and any dividends or other distributions with respect to UTC Common Stock as contemplated by Section 3.2(d)) may be made to a person other than the person in whose name the Certificate or Book-Entry Share so surrendered is registered, if such Certificate shall be properly endorsed or otherwise be in proper form for transfer (and accompanied by all documents reasonably required by the Exchange Agent) or such Book-Entry Share shall be properly transferred and the person requesting such payment shall pay any transfer or other Taxes required by reason of the payment to a person other than the

Prior to the Effective Time, each of UTC, Merger Sub and Raytheon shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its subsidiaries' operations.

(d) Other Actions. Except as required by Applicable Law during the period from the date of this Agreement to the Effective Time, neither Raytheon nor UTC shall, nor shall either permit any of its subsidiaries to, take any action with the intent of preventing or materially delaying the satisfaction of any of the conditions to the Merger set forth in Article VII.

(e) Financing Cooperation.

(i) During the period from the date of this Agreement to the Effective Time, the parties hereto shall cooperate in good faith to implement any necessary, appropriate or desirable arrangements in connection with each party's indentures, credit agreement or other documents governing or relating to indebtedness with respect to any financing matters in connection with the transactions contemplated by this Agreement.

(ii) Raytheon will use reasonable best efforts to deliver to UTC two (2) business days prior to the Effective Time an executed copy of a customary payoff letter from the administrative agent under the Raytheon Revolver, in form and substance reasonably satisfactory to UTC relating to the repayment in full of all obligations thereunder and the termination of all commitments in connection therewith.

(iii) The parties hereto acknowledge and agree that, prior to the Effective Time, it may be necessary for UTC and/or Raytheon to enter into financing transactions (including the raising of new financing, the refinancing of existing indebtedness, the retirement of existing indebtedness and/or producing amendments,

modifications or consents in relation to existing indebtedness) (any such financing transaction, a “Pre-Merger Financing Transaction”). In connection with any Pre-Merger Financing Transaction, each of Raytheon (with respect to itself and its subsidiaries) and UTC (with respect to itself and the subsidiaries of UTC RemainCo) agree, to the extent requested by the other, to cooperate with respect to, and use their reasonable best efforts to provide such information to the other as may be, necessary or desirable in connection with the structuring, marketing and execution of any Pre-Merger Financing Transaction, including (A) participating in meetings and due diligence sessions in connection with the Pre-Merger Financing Transaction, (B) assisting with the preparation of any portion of the disclosure in relation to the Pre-Merger Financing Transaction that relates to the Merger or the transactions contemplated by this Agreement (including any financial information and operational data) and (C) delivering, or procuring the delivery of, such information, certificates, comfort letters, representation letters and other documents as may be necessary or desirable by any party to any such Pre-Merger Financing Transaction.

(iv) Notwithstanding anything to the contrary in this Section 5.1(e), neither Raytheon nor UTC shall be required to disclose any information pursuant to this Section 5.1(e) to the extent that (A) in the reasonable good faith judgment of such party, any Applicable Law requires such party or its subsidiaries to restrict or prohibit access to any such information, (B) in the reasonable good faith judgment of such party, the information is subject to confidentiality obligations to a third party or (C) disclosure of any such information or document would result in the loss of attorney-client privilege, attorney work product or other relevant legal privilege; provided that, with respect to clauses (A) through (C) of this Section 5.1(e), Raytheon or UTC, as applicable, shall use its commercially reasonable efforts to (1) obtain the required consent of any third party necessary to provide such disclosure, (2) develop an alternative to providing such information so as to address such matters that is reasonably acceptable to the other party and (3) utilize the procedures of a joint defense agreement or implement such other techniques if the parties determine that doing so would reasonably permit the disclosure of such information without violating Applicable Law or jeopardizing such privilege.

Section 5.2. No Solicitation by Raytheon.

(a) Raytheon shall not, and shall cause its controlled affiliates and its and their officers, directors, employees, investment bankers, financial advisors, attorneys, accountants and other representatives (each, a “Representative”) not to, directly or indirectly, (i) solicit, initiate or knowingly encourage (including by way of furnishing information), or take any other action to facilitate, any inquiries regarding, or the making of, any proposal the consummation of which would constitute a Raytheon Alternative Transaction, or (ii) participate in any discussions or negotiations, or cooperate in any way with any person (or group of persons), with respect to any inquiries regarding, or the making of, any proposal the consummation of which would constitute a Raytheon Alternative Transaction; provided that, if, at any time prior to obtaining the Raytheon Stockholder Approval, the Board of Directors of Raytheon determines in good faith (after consultation with its outside counsel and financial advisors) that any such proposal that did not result from a breach of this Section 5.2(a) constitutes or would reasonably be expected to result in a Raytheon Superior Proposal, subject to compliance with Section 5.2(c), Raytheon and its

Representatives may (A) furnish information with respect to Raytheon and its subsidiaries to the person (or group of persons) making such proposal (and its Representatives) (provided that all such information has previously been provided to UTC or is provided to UTC prior to or substantially concurrent with the time it is provided to such person) pursuant to a customary confidentiality agreement containing confidentiality terms generally no less restrictive than the terms of the confidentiality agreement, effective as of December 11, 2018, between Raytheon and UTC (the “Confidentiality Agreement”), and (B) participate in discussions or negotiations regarding such proposal with the person (or group of persons) making such proposal and its Representatives. For purposes of this Agreement, “Raytheon Alternative Transaction” means any of (1) a transaction or series of transactions pursuant to which any person (or group of persons) other than UTC and its subsidiaries (such person (or group of persons), a “Raytheon Third Party”), or the direct or indirect stockholders of such Raytheon Third Party or the resulting company, acquires or would acquire, directly or indirectly, beneficial ownership (as defined in Rule 13d-3 under the Exchange Act) of, or would otherwise own or control, directly or indirectly, more than 20% of the outstanding shares of Raytheon Common Stock or securities (or options, rights or warrants to purchase, or securities convertible into or exchangeable for, such securities) representing more than 20% or more of the equity or voting power of Raytheon (or the resulting company), (2) a merger, consolidation, share exchange or similar transaction pursuant to which any Raytheon Third Party acquires or would acquire, directly or indirectly, assets or businesses of Raytheon or any of its subsidiaries representing more than 20% or more of the revenues, net income or assets (in each case on a consolidated basis) of Raytheon and its subsidiaries taken as a whole, (3) any transaction pursuant to which any Raytheon Third Party acquires or would acquire, directly or indirectly, control of assets (including for this purpose the outstanding equity securities of subsidiaries of Raytheon and any entity surviving any merger or combination including any of them) of Raytheon or any of its subsidiaries representing more than 20% or more of the revenues, net income or assets (in each case on a consolidated basis) of Raytheon and its subsidiaries taken as a whole, or (4) any disposition of assets to a Raytheon Third Party representing more than 20% or more of the revenues, net income or assets (in each case on a consolidated basis) of Raytheon and its subsidiaries, taken as a whole. For purposes of this Agreement, a “Raytheon Superior Proposal” means any bona fide written proposal (on its most recently amended or modified terms, if amended or modified) made by a Raytheon Third Party to enter into a Raytheon Alternative Transaction (with all references to 20% in the definition of Raytheon Alternative Transaction being treated as references to 50% for these purposes) that (A) did not result from a breach of this Section 5.2(a), (B) is on terms that the Board of Directors of Raytheon determines in good faith (after consultation with its outside financial advisors and outside legal counsel) to be superior from a financial point of view to Raytheon’s stockholders than the transactions contemplated by this Agreement, taking into account all relevant factors (including any changes to this Agreement that may be proposed by UTC in response to such proposal to enter into a Raytheon Alternative Transaction and the identity of the person making such proposal to enter into a Raytheon Alternative Transaction) and (C) is reasonably likely to be completed in accordance with its terms, taking into account all financial, regulatory, legal and other aspects of such proposal, and is not subject to a diligence or financing condition.

(b) Except as permitted by this Section 5.2(b) or Section 5.2(d), neither the Board of Directors of Raytheon nor any committee thereof shall (i) withdraw, qualify or modify, or propose publicly to withdraw, qualify or modify, or fail to make, in each case in a manner

adverse to UTC, the approval or recommendation by such Board of Directors or such committee of the Merger or this Agreement, (ii) approve or recommend, or propose publicly to approve or recommend, any Raytheon Alternative Transaction, (iii) fail to include in the Joint Proxy Statement the recommendation of the Board of Directors of Raytheon in favor of this Agreement and the Merger, (iv) fail to send to its securityholders, within ten (10) business days after the commencement of a tender or exchange offer relating to shares of Raytheon Common Stock (or, if earlier, at least two (2) business days prior to the Raytheon Stockholders Meeting), a statement disclosing that Raytheon recommends rejection of such tender or exchange offer and reaffirming its recommendation of this Agreement and the Merger or (v) fail to publicly reaffirm its recommendation of this Agreement and the Merger within ten (10) business days of UTC's written request to do so (or, if earlier, at least two (2) business days prior to the Raytheon Stockholders' Meeting) following the public announcement of any Raytheon Alternative Transaction (or any material amendment, including any change to the price or form of consideration); provided, that UTC shall not be entitled to make such written request, and the Board of Directors of Raytheon shall not be required to make such reaffirmation, more than once with respect to any particular Raytheon Alternative Transaction (or any material amendment thereto, including any change to the price or form of consideration) (any action or failure to act in clauses (i) through (v) being referred to as a "Raytheon Recommendation Change"). Notwithstanding the foregoing, in the event that, prior to obtaining the Raytheon Stockholder Approval, the Board of Directors of Raytheon determines in good faith, after consultation with its outside financial advisors and outside legal counsel, that it has received a Raytheon Superior Proposal that was not solicited, initiated, knowingly encouraged or facilitated or otherwise procured in violation of this Agreement, the Board of Directors of Raytheon may effect a Raytheon Recommendation Change (other than under clause (ii) of this Section 5.2(b)) if (A) the Board of Directors of Raytheon determines in good faith, after consultation with its outside financial advisors and outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under Applicable Law, (B) Raytheon has notified UTC in writing that it intends to effect a Raytheon Recommendation Change pursuant to this Section 5.2(b) (other than under clause (ii) of this Section 5.2(b)), (C) Raytheon has provided UTC with a copy of the proposed definitive agreements and other proposed transaction documentation between Raytheon and the person making such Raytheon Superior Proposal, and the identity of the person making such Raytheon Superior Proposal, (D) for a period of four (4) business days following the notice delivered pursuant to clause (B) of this Section 5.2(b), Raytheon shall have discussed and negotiated in good faith and made Raytheon's Representatives available to discuss and negotiate in good faith (in each case to the extent UTC desires to negotiate) with UTC's Representatives any proposed modifications to the terms and conditions of this Agreement or the transactions contemplated by this Agreement so that the failure to take such action would no longer be inconsistent with the fiduciary duties under Applicable Law of the Board of Directors of Raytheon (it being understood and agreed that any amendment to any material term or condition of any Raytheon Superior Proposal shall require a new notice and a new negotiation period that shall expire on the later to occur of (I) two (2) business days following delivery of such new notice from Raytheon to UTC and (II) the expiration of the original four (4)-business day period described in clause (D) above), and (E) no earlier than the end of such negotiation period, the Board of Directors of Raytheon shall have determined in good faith, after consultation with its outside financial advisors and outside legal counsel, and after considering the terms of any proposed amendment or modification to this

Agreement, that (x) the Raytheon Alternative Transaction that is the subject of the notice described in clause (B) above still constitutes a Raytheon Superior Proposal and (y) the failure to take such action would still be inconsistent with its fiduciary duties under Applicable Law. Neither the Board of Directors of Raytheon nor any committee thereof shall cause or permit Raytheon or any of its controlled affiliates to enter into any letter of intent, agreement in principle, acquisition agreement or other agreement related to any Raytheon Alternative Transaction or requiring, or reasonably likely to cause, Raytheon to terminate, delay or fail to consummate, or that would otherwise impede, interfere with or be inconsistent with, the consummation of the Merger (other than a confidentiality agreement referred to in Section 5.2(a)).

(c) In addition to the obligations of Raytheon set forth in Section 5.2(a) and Section 5.2(b), Raytheon shall promptly, and in any event within twenty-four (24) hours of receipt thereof, advise UTC orally and in writing of any request for information or proposal relating to a Raytheon Alternative Transaction, the material terms and conditions of such request or proposal (including any changes thereto) and the identity of the person making such request or proposal. Raytheon shall (i) keep UTC reasonably informed of the status and details (including amendments or proposed amendments) of any such request or proposal on a reasonably current basis and (ii) provide to UTC as soon as reasonably practicable after receipt or delivery thereof copies of all correspondence and other written materials exchanged between Raytheon or its subsidiaries or any of their Representatives, on the one hand, and any person making such request or proposal or any of its Representatives, on the other hand, in each case that describes or contains any such request or proposal.

(d) Other than in connection with a Raytheon Superior Proposal (which shall be subject to Section 5.2(b) and shall not be subject to this Section 5.2(d)), prior to obtaining the Raytheon Stockholder Approval, the Board of Directors of Raytheon may, in response to a Raytheon Intervening Event, take any action prohibited by clauses (i) or (iii) of Section 5.2(b), only if (i) the Board of Directors of Raytheon determines in good faith, after consultation with its outside financial advisors and outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under Applicable Law, (ii) Raytheon has notified UTC in writing that it intends to effect such a Raytheon Recommendation Change (under clauses (i) or (iii) of Section 5.2(b)) pursuant to this Section 5.2(d) (which notice shall specify the facts and circumstances providing the basis of the Raytheon Intervening Event and for the determination by the Board of Directors of Raytheon to effect a Raytheon Recommendation Change under clauses (i) or (iii) of Section 5.2(b) in reasonable detail), (iii) for a period of four (4) business days following the notice delivered pursuant to clause (ii) of this Section 5.2(d), Raytheon shall have discussed and negotiated in good faith and made Raytheon's Representatives available to discuss and negotiate in good faith (in each case to the extent UTC desires to negotiate) with UTC's Representatives any proposed modifications to the terms and conditions of this Agreement or the transactions contemplated by this Agreement so that the failure to take such action would no longer be inconsistent with the fiduciary duties under Applicable Law of the Board of Directors of Raytheon (it being understood and agreed that any material change to the relevant facts and circumstances shall require a new notice and a new negotiation period that shall expire on the later to occur of (A) two (2) business days following delivery of such new notice from Raytheon to UTC and (B) the expiration of the original four (4)-business day period described above in this clause (iii)), and (iv) no earlier than the end of such negotiation period,

the Board of Directors of Raytheon shall have determined in good faith, after consultation with its outside financial advisors and outside legal counsel, and after considering the terms of any proposed amendment or modification to this Agreement, that the failure to take such action would still be inconsistent with its fiduciary duties under Applicable Law. The term “Raytheon Intervening Event” means a material event or circumstance that was not known or reasonably foreseeable to the Board of Directors of Raytheon on the date of this Agreement (or if known or reasonably foreseeable, the consequences of which were not known or reasonably foreseeable to the Board of Directors of Raytheon of the date of this Agreement), which event or circumstance, or any consequence thereof, becomes known to the Board of Directors of Raytheon prior to the Raytheon Stockholder Approval; provided, that (1) in no event shall any inquiry, offer or proposal that constitutes or would reasonably be expected to lead to a Raytheon Alternative Transaction constitute a Raytheon Intervening Event, (2) in no event shall any change in and of itself in the market price or trading volume of the securities of UTC constitute a Raytheon Intervening Event (it being understood that the facts or occurrences giving rise or contributing to such change may constitute or be taken into account in determining whether there has been a Raytheon Intervening Event), and (3) in no event shall any event or circumstances to the extent relating to the Otis Business or the Carrier Business constitute a Raytheon Intervening Event.

(e) Nothing contained in this Section 5.2 shall prohibit Raytheon from taking and disclosing to its stockholders a position contemplated by Rule 14d-9 or Rule 14e-2(a) promulgated under the Exchange Act, or from issuing a “stop, look and listen” statement or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act pending disclosure of its position thereunder; provided that any such disclosure or statement that constitutes or contains a Raytheon Recommendation Change shall be subject to the provisions of Section 5.2(b).

Section 5.3. No Solicitation by UTC.

(a) UTC shall not, and shall cause its controlled affiliates, and its and their officers, directors, employees and Representatives not to, directly or indirectly, (i) solicit, initiate or knowingly encourage (including by way of furnishing information), or take any other action to facilitate, any inquiries regarding, or the making of, any proposal the consummation of which would constitute a UTC Alternative Transaction or (ii) participate in any discussions or negotiations, or cooperate in any way with any person (or group of persons), with respect to any inquiries regarding, or the making of, any proposal the consummation of which would constitute a UTC Alternative Transaction; provided that, if, at any time prior to obtaining the UTC Stockholder Approval, the Board of Directors of UTC determines in good faith (after consultation with its outside counsel and financial advisors) that any such proposal that did not result from a breach of this Section 5.3(a) constitutes or would reasonably be expected to result in a UTC Superior Proposal, subject to compliance with Section 5.3(c), UTC and its Representatives may (A) furnish information with respect to UTC and its subsidiaries to the person (or group of persons) making such proposal (and its Representatives) (provided that all such information has previously been provided to Raytheon or is provided to Raytheon prior to or substantially concurrent with the time it is provided to such person) pursuant to a customary confidentiality agreement containing confidentiality terms generally no less restrictive than the terms of the Confidentiality Agreement and (B) participate in discussions or negotiations regarding such proposal with the person (or group of persons) making such proposal and its

Representatives. For purposes of this Agreement, “UTC Alternative Transaction” means any of (1) a transaction or series of transactions pursuant to which any person (or group of persons) other than Raytheon and its subsidiaries (such person (or group of persons), a “UTC Third Party”), or the direct or indirect stockholders of such UTC Third Party or the resulting company, acquires or would acquire, directly or indirectly, beneficial ownership (as defined in Rule 13d-3 under the Exchange Act) of, or would otherwise own or control, directly or indirectly, more than 20% of the outstanding shares of UTC Common Stock or securities (or options, rights or warrants to purchase, or securities convertible into or exchangeable for, such securities) representing more than 20% or more of the equity or voting power of UTC (or the resulting company), (2) a merger, consolidation, share exchange or similar transaction pursuant to which any UTC Third Party acquires or would acquire, directly or indirectly, assets or businesses of UTC RemainCo or any of its subsidiaries representing more than 20% or more of the revenues, net income or assets (in each case on a consolidated basis) of UTC RemainCo and its subsidiaries taken as a whole, (3) any transaction pursuant to which any UTC Third Party acquires or would acquire, directly or indirectly, control of assets (including for this purpose the outstanding equity securities of subsidiaries of UTC RemainCo and any entity surviving any merger or combination including any of them) of UTC RemainCo or any of its subsidiaries representing more than 20% or more of the revenues, net income or assets (in each case on a consolidated basis) of UTC RemainCo and its subsidiaries taken as a whole or (4) any disposition of assets of UTC RemainCo or its subsidiaries to a UTC Third Party representing more than 20% or more of the revenues, net income or assets (in each case on a consolidated basis) of UTC RemainCo and its subsidiaries, taken as a whole. For purposes of this Agreement, an “UTC Superior Proposal” means any bona fide written proposal (on its most recently amended or modified terms, if amended or modified) made by a UTC Third Party to enter into a UTC Alternative Transaction (with all references to 20% in the definition of UTC Alternative Transaction being treated as references to 50% for these purposes) that (A) did not result from a breach of this Section 5.3(a), (B) is on terms that the Board of Directors of UTC determines in good faith (after consultation with its outside financial advisors and outside legal counsel) to be superior from a financial point of view to UTC’s stockholders than the transactions contemplated by this Agreement, taking into account all relevant factors (including any changes to this Agreement that may be proposed by Raytheon in response to such proposal to enter into a UTC Alternative Transaction and the identity of the person making such proposal to enter into a UTC Alternative Transaction) and (C) is reasonably likely to be completed in accordance with its terms, taking into account all financial, regulatory, legal and other aspects of such proposal, and is not subject to a diligence or financing condition.

(b) Except as permitted by this Section 5.3(b) or Section 5.3(d), neither the Board of Directors of UTC nor any committee thereof shall (i) withdraw, qualify or modify, or propose publicly to withdraw, qualify or modify, or fail to make, in each case in a manner adverse to Raytheon, the approval or recommendation by such Board of Directors or such committee of the Merger or this Agreement, (ii) approve or recommend, or propose publicly to approve or recommend, any UTC Alternative Transaction, (iii) fail to include in the Joint Proxy Statement the recommendation of the Board of Directors of UTC in favor of this Agreement and the UTC Share Issuance, (iv) fail to send to its securityholders, within ten (10) business days after the commencement of a tender or exchange offer relating to shares of UTC Common Stock (or, if earlier, at least two (2) business days prior to the UTC Stockholders Meeting), a statement disclosing that UTC recommends rejection of such tender or exchange offer and reaffirming its

recommendation of this Agreement and the Merger or (v) fail to publicly reaffirm its recommendation of this Agreement and the Merger within ten (10) business days of Raytheon's written request to do so (or, if earlier, at least two (2) business days prior to the UTC Stockholders' Meeting) following the public announcement of any UTC Alternative Transaction (or any material amendment, including any change to the price or form of consideration); provided, that Raytheon shall not be entitled to make such written request, and the Board of Directors of UTC shall not be required to make such reaffirmation, more than once with respect to any particular UTC Alternative Transaction (or any material amendment thereto, including any change to the price or form of consideration) (any action or failure to act in clauses (i) through (v) being referred to as a "UTC Recommendation Change"). Notwithstanding the foregoing, in the event that, prior to obtaining the UTC Stockholder Approval, the Board of Directors of UTC determines in good faith, after consultation with its outside financial advisors and outside legal counsel, that it has received a UTC Superior Proposal that was not solicited, initiated, knowingly encouraged or facilitated or otherwise procured in violation of this Agreement, the Board of Directors of UTC may effect a UTC Recommendation Change (other than under clause (ii) of this Section 5.3(b)) if (A) the Board of Directors of UTC determines in good faith, after consultation with its outside financial advisors and outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under Applicable Law, (B) UTC has notified Raytheon in writing that it intends to effect a UTC Recommendation Change pursuant to this Section 5.3(b) (other than under clause (ii) of this Section 5.3(b)), (C) UTC has provided Raytheon with a copy of the proposed definitive agreements and other proposed transaction documentation between UTC and the person making such UTC Superior Proposal, and the identity of the person making such UTC Superior Proposal, (D) for a period of four (4) business days following the notice delivered pursuant to clause (B) of this Section 5.3(b), UTC shall have discussed and negotiated in good faith and made UTC's Representatives available to discuss and negotiate in good faith (in each case to the extent Raytheon desires to negotiate) with Raytheon's Representatives any proposed modifications to the terms and conditions of this Agreement or the transactions contemplated by this Agreement so that the failure to take such action would no longer be inconsistent with the fiduciary duties under Applicable Law of the Board of Directors of UTC (it being understood and agreed that any amendment to any material term or condition of any UTC Superior Proposal shall require a new notice and a new negotiation period that shall expire on the later to occur of (I) two (2) business days following delivery of such new notice from UTC to Raytheon and (II) the expiration of the original four (4)-business day period described in clause (D) above), and (E) no earlier than the end of such negotiation period, the Board of Directors of UTC shall have determined in good faith, after consultation with its outside financial advisors and outside legal counsel, and after considering the terms of any proposed amendment or modification to this Agreement, that (x) the UTC Alternative Transaction that is the subject of the notice described in clause (B) above still constitutes a UTC Superior Proposal and (y) the failure to take such action would still be inconsistent with its fiduciary duties under Applicable Law. Neither the Board of Directors of UTC nor any committee thereof shall cause or permit UTC or any of its controlled affiliates to enter into any letter of intent, agreement in principle, acquisition agreement or other agreement related to any UTC Alternative Transaction or requiring, or reasonably likely to cause, UTC to terminate, delay or fail to consummate, or that would otherwise impede, interfere with or be inconsistent with, the consummation of the Merger (other than a confidentiality agreement referred to in Section 5.3(a)).

(c) In addition to the obligations of UTC set forth in Section 5.3(a) and Section 5.3(b), UTC shall promptly, and in any event within twenty-four (24) hours of receipt thereof, advise Raytheon orally and in writing of any request for information or proposal relating to a UTC Alternative Transaction, the material terms and conditions of such request or proposal (including any changes thereto) and the identity of the person making such request or proposal. UTC shall (i) keep Raytheon reasonably informed of the status and details (including amendments or proposed amendments) of any such request or proposal on a reasonably current basis and (ii) provide to Raytheon as soon as reasonably practicable after receipt or delivery thereof copies of all correspondence and other written materials exchanged between UTC or its subsidiaries or any of their Representatives, on the one hand, and any person making such request or proposal or any of its Representatives, on the other hand, in each case that describes or contains any such request or proposal.

(d) Other than in connection with a UTC Superior Proposal (which shall be subject to Section 5.3(b) and shall not be subject to this Section 5.3(d)), prior to obtaining the UTC Stockholder Approval, the Board of Directors of UTC may, in response to a UTC Intervening Event, take any action prohibited by clauses (i) or (iii) of Section 5.3(b), only if (i) the Board of Directors of UTC determines in good faith, after consultation with its outside financial advisors and outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties under Applicable Law, (ii) UTC has notified Raytheon in writing that it intends to effect such a UTC Recommendation Change (under clauses (i) or (iii) of Section 5.3(b)) pursuant to this Section 5.3(d) (which notice shall specify the facts and circumstances providing the basis of the UTC Intervening Event and for the determination by the Board of Directors of UTC to effect a UTC Recommendation Change under clauses (i) or (iii) of Section 5.3(b) in reasonable detail), (iii) for a period of four (4) business days following the notice delivered pursuant to clause (ii) of this Section 5.3(d), UTC shall have discussed and negotiated in good faith and made UTC's Representatives available to discuss and negotiate in good faith (in each case to the extent Raytheon desires to negotiate) with Raytheon's Representatives any proposed modifications to the terms and conditions of this Agreement or the transactions contemplated by this Agreement so that the failure to take such action would no longer be inconsistent with the fiduciary duties under Applicable Law of the Board of Directors of UTC (it being understood and agreed that any material change to the relevant facts and circumstances shall require a new notice and a new negotiation period that shall expire on the later to occur of (A) two (2) business days following delivery of such new notice from UTC to Raytheon and (B) the expiration of the original four (4)-business day period described above in this clause (iii)), and (iv) no earlier than the end of such negotiation period, the Board of Directors of UTC shall have determined in good faith, after consultation with its outside financial advisors and outside legal counsel, and after considering the terms of any proposed amendment or modification to this Agreement, that the failure to take such action would still be inconsistent with its fiduciary duties under Applicable Law. The term "UTC Intervening Event" means a material event or circumstance that was not known or reasonably foreseeable to the Board of Directors of UTC on the date of this Agreement (or if known or reasonably foreseeable, the consequences of which were not known or reasonably foreseeable to the Board of Directors of UTC of the date of this Agreement), which event or circumstance, or any consequence thereof, becomes known to the Board of Directors of UTC prior to the UTC Stockholder Approval; provided, that (1) in no event shall any inquiry, offer or proposal that constitutes or would reasonably be expected to lead to a UTC Alternative Transaction constitute a UTC

Intervening Event and (2) in no event shall any change in and of itself in the market price or trading volume of the securities of Raytheon constitute a UTC Intervening Event (it being understood that the facts or occurrences giving rise or contributing to such change may constitute or be taken into account in determining whether there has been a UTC Intervening Event).

(e) Nothing contained in this Section 5.3 shall prohibit UTC from taking and disclosing to its stockholders a position contemplated by Rule 14d-9 or Rule 14e-2(a) promulgated under the Exchange Act, or from issuing a “stop, look and listen” statement or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act pending disclosure of its position thereunder; provided that any such disclosure or statement that constitutes or contains a UTC Recommendation Change shall be subject to the provisions of Section 5.3(b).

ARTICLE VI

ADDITIONAL AGREEMENTS

Section 6.1. Preparation of the Form S-4 and the Joint Proxy Statement; Stockholders Meetings.

(a) As soon as practicable following the date of this Agreement (but in accordance with Section 6.1(a) of the UTC Disclosure Letter), (i) Raytheon and UTC shall prepare the Form S-4, in which the Joint Proxy Statement shall be included as a prospectus, and UTC shall file the Form S-4 with the SEC, and (ii) UTC shall cause each of Carrier SpinCo and Otis SpinCo to prepare and file with or submit to the SEC, a registration statement on Form 10 (which may be in draft form) for each of the Distributions (if the Distribution is effected in compliance with Staff Legal Bulletin No. 4 issued by the SEC) or on Form S-1 (if the conditions described in Staff Legal Bulletin No. 4 issued by the SEC are not expected to be satisfied or if UTC otherwise so determines in response to the request or requirement of the SEC), in each case to register under the Exchange Act or the Securities Act, as applicable, the common stock to be distributed in each of the Distributions (together with any amendments or supplements thereto, the “SpinCo Registration Statements”). Each of Raytheon and UTC shall use reasonable best efforts to have the Form S-4 declared effective under the Securities Act as promptly as practicable after such filing. Raytheon and UTC shall, as promptly as practicable after receipt thereof, provide the other party copies of any written comments and advise the other party of any oral comments, with respect to the Form S-4 or the Joint Proxy Statement received from the SEC. UTC and Raytheon shall cooperate and provide the other parties with a reasonable opportunity to review and comment on any amendment or supplement to the Form S-4 or the Joint Proxy Statement prior to filing such with the SEC. Notwithstanding any other provision herein to the contrary, no amendment or supplement (including by incorporation by reference) to the Form S-4 or the Joint Proxy Statement shall be made without the approval of both Raytheon and UTC, which approval shall not be unreasonably withheld, conditioned or delayed; provided that, with respect to documents filed by a party that are incorporated by reference in the Form S-4 or the Joint Proxy Statement, this right of approval shall apply only with respect to information relating to the other party or its business, financial condition or results of operations, or the combined entity; and provided, further, that this approval right shall not apply with respect to information relating to a Raytheon Recommendation Change or a UTC Recommendation

Change. Raytheon shall use reasonable best efforts to cause the Joint Proxy Statement to be mailed to Raytheon's stockholders, and UTC shall use reasonable best efforts to cause the Joint Proxy Statement to be mailed to UTC's stockholders, in each case as promptly as practicable after the Form S-4 is declared effective under the Securities Act. Each party shall advise the other parties, promptly after it receives notice thereof, of the time when each of the Form S-4 and each SpinCo Registration Statement has become effective, of the time when any supplement or amendment to the Form S-4 has been filed, of the issuance of any stop order with respect to the Form S-4 or either SpinCo Registration Statement, or of any request by the SEC for amendment of the Form S-4 or the Joint Proxy Statement or comments on the Form S-4 or the Joint Proxy Statement and responses thereto or requests by the SEC for additional information relating thereto. If at any time prior to the Effective Time any information relating to Raytheon, UTC or any of their respective affiliates, officers or directors, should be discovered by Raytheon or UTC that should be set forth in an amendment or supplement to any of the Form S-4 or the Joint Proxy Statement so that any such document would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party that discovers such information shall promptly notify the other party and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by Applicable Law, disseminated to the stockholders of Raytheon and UTC.

(b) Raytheon shall, as promptly as practicable after the Form S-4 is declared effective under the Securities Act, duly give notice of, convene and hold a meeting of its stockholders (the "Raytheon Stockholders Meeting") in accordance with the DGCL and the rules of the NYSE for the purpose of obtaining the Raytheon Stockholder Approval and shall, subject to the provisions of Section 5.2(b), through its Board of Directors, recommend to its stockholders the adoption of this Agreement. Raytheon may only postpone or adjourn the Raytheon Stockholders Meeting (i) to solicit additional proxies for the purpose of obtaining the Raytheon Stockholder Approval, (ii) for the absence of a quorum and (iii) to allow reasonable additional time for the filing and/or mailing of any supplemental or amended disclosure that Raytheon has determined after consultation with outside legal counsel is reasonably likely to be required under Applicable Law and for such supplemental or amended disclosure to be disseminated and reviewed by stockholders of Raytheon prior to the Raytheon Stockholders Meeting; provided that Raytheon shall postpone or adjourn the Raytheon Stockholders Meeting up to two (2) times for up to thirty (30) days each time upon the reasonable request of UTC.

(c) UTC shall, as promptly as practicable after the Form S-4 is declared effective under the Securities Act, duly give notice of, convene and hold a meeting of its stockholders (the "UTC Stockholders Meeting") in accordance with the DGCL and the rules of the NYSE for the purpose of obtaining the UTC Stockholder Approval and shall, subject to the provisions of Section 5.3(b), through its Board of Directors, recommend to its stockholders the approval of the UTC Share Issuance. UTC may only postpone or adjourn the UTC Stockholders Meeting (i) to solicit additional proxies for the purpose of obtaining the UTC Stockholder Approval, (ii) for the absence of a quorum and (iii) to allow reasonable additional time for the filing and/or mailing of any supplemental or amended disclosure that UTC has determined after consultation with outside legal counsel is reasonably likely to be required under Applicable Law and for such supplemental or amended disclosure to be disseminated and reviewed by stockholders of UTC prior to the UTC Stockholders Meeting; provided, that UTC shall postpone

or adjourn the UTC Stockholders Meeting up to two (2) times for up to thirty (30) days each time upon the reasonable request of Raytheon.

(d) Raytheon and UTC shall use reasonable best efforts to hold the Raytheon Stockholders Meeting and the UTC Stockholders Meeting on the same date and as soon as reasonably practicable after the date of this Agreement.

(e) The only matters to be voted upon at each of the Raytheon Stockholders Meeting and the UTC Stockholders Meeting are (i) the Merger, in the case of the Raytheon Stockholders Meeting, and the UTC Share Issuance, in the case of the UTC Stockholders Meeting, (ii) any adjournment or postponement of the Raytheon Stockholders Meeting or the UTC Stockholders Meeting, as applicable, and (iii) any other matters that are required by Applicable Law.

Section 6.2. Access to Information; Confidentiality. Subject to the Confidentiality Agreement and subject to Applicable Law, and solely for the purposes of furthering the Merger, upon reasonable notice, Raytheon shall, and shall cause its subsidiaries to, and UTC shall, and shall cause the subsidiaries of UTC RemainCo to, afford to the other party and to the officers, employees and Representatives of such other party, reasonable access, during normal business hours during the period from the date of this Agreement to the Effective Time, to all of its and their respective properties, books, contracts, commitments, personnel and records (provided that such access shall not unreasonably interfere with the business or operations of such party), and during such period, Raytheon shall, and shall cause its subsidiaries to, and UTC shall, and shall cause the subsidiaries of UTC RemainCo to, furnish promptly to the other party all information concerning its and their business, properties and personnel as such other party may reasonably request; provided that the foregoing shall not require Raytheon or UTC to disclose any information pursuant to this Section 6.2 to the extent that (i) in the reasonable good faith judgment of such party, any Applicable Law requires such party or its subsidiaries to restrict or prohibit access to any such information, (ii) in the reasonable good faith judgment of such party, the information is subject to confidentiality obligations to a third party or (iii) disclosure of any such information or document would result in the loss of attorney-client privilege, attorney work product or other relevant legal privilege; provided, further, that, with respect to the foregoing clauses (i) through (iii), Raytheon or UTC, as applicable, shall use its commercially reasonable efforts to (A) obtain the required consent of any third party necessary to provide such disclosure, (B) develop an alternative to providing such information so as to address such matters that is reasonably acceptable to the other party and (C) utilize the procedures of a joint defense agreement or implement such other techniques if the parties determine that doing so would reasonably permit the disclosure of such information without violating Applicable Law or jeopardizing such privilege. No review pursuant to this Section 6.2 shall affect any representation or warranty given by the other party hereto. Any information provided or made available pursuant to this Section 6.2 shall be governed by the terms and conditions of the Confidentiality Agreement. Notwithstanding anything to the contrary in this Section 6.2, UTC and its subsidiaries shall have no obligation under, and shall not be required to afford access or furnish information pursuant to, this Section 6.2 in respect of the Separation or the Distributions, to which this Section 6.2 shall not apply, it being understood that UTC's obligations in respect of access to information relating to the Separation and the Distributions are governed by Section 6.8 and Section 6.16 (including Section 6.16 of the UTC Disclosure Letter).

(a) Subject to the terms and conditions of this Agreement, UTC and Raytheon will cooperate with each other and use (and will cause their respective subsidiaries to use) their respective reasonable best efforts to consummate the transactions contemplated by this Agreement and to cause the conditions to the Merger set forth in Article VII to be satisfied as promptly as reasonably practicable, including using all reasonable best efforts to accomplish the following as promptly as reasonably practicable: (i) the obtaining of all actions or non-actions, consents, approvals, registrations, waivers, permits, authorizations, orders, expirations or terminations of waiting periods and other confirmations from any Governmental Entity or other person that are or may become necessary, proper or advisable in connection with the consummation of the transactions contemplated by this Agreement, including the Merger, (ii) the preparation and making of all registrations, filings, forms, notices, petitions, statements, submissions of information, applications and other documents (including filings with Governmental Entities) that are or may become necessary, proper or advisable in connection with the consummation of the transactions contemplated by this Agreement, including the Merger, (iii) the taking of all steps as may be necessary, proper or advisable to obtain an approval from, or to avoid an Action by, any Governmental Entity or other person in connection with the consummation of the transactions contemplated by this Agreement, including the Merger, (iv) the defending of any lawsuits or other Actions, whether judicial or administrative, challenging this Agreement or that would otherwise prevent or delay the consummation of the transactions contemplated by this Agreement, including the Merger, performed or consummated by each party in accordance with the terms of this Agreement, including seeking to have any stay, temporary restraining order or injunction entered by any court or other Governmental Entity vacated or reversed, and (v) the execution and delivery of any additional instruments that are or may become reasonably necessary, proper or advisable to consummate the transactions contemplated by this Agreement, including the Merger, and to carry out fully the purposes of this Agreement. Each of UTC and Raytheon shall, in consultation and cooperation with the other and as promptly as reasonably practicable, but in no event later than ten (10) business days from the date of this Agreement, make its respective filing under the HSR Act, and make any filings under any Antitrust Law as set forth on Section 7.1(c) of the UTC Disclosure Letter and any other applications and filings as reasonably determined by UTC and Raytheon under other applicable Antitrust Laws with respect to the transactions contemplated by this Agreement, as promptly as practicable, but in no event later than as required by Applicable Law. Neither UTC nor Raytheon will withdraw any such filings or applications without the prior written consent of the other party. Notwithstanding anything to the contrary contained in this Agreement, without the prior written consent of the other party, neither UTC nor Raytheon, nor any of their respective subsidiaries or affiliates, will grant or offer to grant any material accommodation or concession (financial or otherwise), or make any material payment, to any third party in connection with seeking or obtaining its consent to the transactions contemplated by this Agreement.

(b) In connection with and without limiting the efforts referenced in Section 6.3(a), the parties shall jointly develop, and each of the parties shall consult and cooperate in all respects with one another, and consider in good faith the views of one another, in connection with the form and content of any analyses, appearances, presentations, memoranda, briefs, arguments, opinions and proposals made or submitted by or on behalf of any party, hereto

in connection with proceedings under or relating to any Antitrust Law prior to their submission. Each of UTC and Raytheon shall (i) furnish to the other such necessary information and reasonable assistance as the other may request in connection with the preparation of any governmental filings, submissions or other documents, (ii) promptly inform the other of any such filing, submission or other document and of any communication with or from any Governmental Entity or any official, representative or staff thereof regarding the transactions contemplated by this Agreement, and permit the other to review and discuss in advance, and consider in good faith the views, and secure the participation, of the other in connection with any such filing, submission, document or communication and (iii) cooperate in responding as promptly as reasonably practicable to any investigation or other inquiry from a Governmental Entity or any official, representative or staff thereof or in connection with any Action initiated by a Governmental Entity or private party, including promptly notifying the other party of any such investigation, inquiry or Action, and consulting in advance before making any presentations or submissions to a Governmental Entity or any official, representative or staff thereof, or, in connection with any Action initiated by a private party, to any other person. In addition, each of UTC and Raytheon shall promptly inform and consult with the other in advance of any meeting, conference or communication with any Governmental Entity or any official, representative or staff thereof, or, in connection with any Action by a private party, with any other person, and to the extent not prohibited by Applicable Law or by the applicable Governmental Entity or other person, not participate or attend any meeting or conference, or engage in any communication, with any Governmental Entity or any official, representative or staff thereof or such other person in respect of the transactions contemplated by this Agreement without the other party unless it reasonably consults with the other party in advance and gives the other party a reasonable opportunity to attend and participate therein, and in the event one party is prohibited from, or unable to participate, attend or engage in, any such meeting, conference or communication, keep such party apprised with respect thereto. Each party shall furnish to the other copies of all filings, submissions, correspondence and communications between it and its affiliates and their respective Representatives, on the one hand, and any Governmental Entity or any official, representative or staff thereof (or any other person in connection with any Action initiated by a private party), on the other hand, with respect to the transactions contemplated by this Agreement. Each party may, as it deems advisable and necessary, reasonably designate material provided to the other party as "Outside Counsel Only Material," and also may reasonably redact the material as necessary to (A) remove personally sensitive information, (B) remove references concerning the valuation of a party and its subsidiaries conducted in connection with the approval and adoption of this Agreement and the negotiations and investigations leading thereto, (C) comply with contractual arrangements, (D) prevent the loss of a legal privilege or (E) comply with Applicable Law.

(c) The parties shall consult and cooperate in all respects with each other, and consider in good faith the views of the other party with respect to obtaining all consents, approvals, licenses, permits, waivers, orders and authorizations necessary to consummate the transactions contemplated by this Agreement, including the Merger.

(d) In furtherance of and without limiting the efforts referenced in Section 6.3(a), UTC RemainCo and Raytheon, along with their respective subsidiaries and affiliates, shall take any and all steps necessary to avoid or eliminate each and every impediment under any Antitrust Law that may be asserted by any Governmental Entity so as to enable the

consummation of the Merger as promptly as practicable, and in any event prior to the Outside Date, including (i) proposing, negotiating, committing to and effecting, by consent decree, hold separate orders, or otherwise, to sell, divest, hold separate, lease, license, transfer, dispose of, otherwise encumber or impair or take any other action with respect to UTC RemainCo's or any of its affiliates' ability to own or operate any assets, properties, businesses or product lines of UTC RemainCo or any of its affiliates or any assets, properties, businesses or product lines of Raytheon or any of its affiliates (individually or collectively "Remedial Actions") and (ii) in the event that any permanent or preliminary injunction or other decree, order, judgment, writ, stipulation, award or temporary restraining order (an "Order") in any Action by or with any Governmental Entity is entered or becomes reasonably foreseeable to be entered that would make consummation of the Merger unlawful or that would otherwise prevent or delay consummation of the Merger, taking any and all steps (including the posting of a bond, commencement, contesting and defending of any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the transactions contemplated by this Agreement, or the taking of the steps contemplated by clause (i) above) necessary to vacate, modify or suspend such Order; provided that no party shall be required pursuant to this Section 6.3 to commit to or effect any Remedial Action that is not conditioned upon the consummation of the Merger. Raytheon and UTC shall use reasonable best efforts to cooperate with each other and work in good faith to develop the strategy relating to any Remedial Actions and in connection with the process of effecting (including negotiating or committing to effect) any Remedial Actions, including any divestiture process and any communications with potential divestiture buyers relating thereto. Notwithstanding anything in this Agreement to the contrary, no party is required to commit to or effect any sale, divestiture, lease, holding separate pending a sale or other transfer or disposal, or any other restriction or action contemplated by this Section 6.3(d) if such actions, in the aggregate would or would reasonably be expected to have a materially adverse impact on Raytheon, UTC or their respective subsidiaries or affiliates, in each case measured on a scale relative to the size of UTC RemainCo and its subsidiaries, taken as a whole (after giving effect to the Merger) (an "Unacceptable Condition").

(e) Each of the parties agrees that, between the date of this Agreement and the earlier of the Effective Time and the termination of this Agreement in accordance with Section 8.1, it shall not, and shall ensure that none of its subsidiaries shall, consummate, enter into any agreement providing for, or announce, any investment, acquisition, divestiture or other business combination that would reasonably be expected to materially delay or prevent the consummation of the transactions contemplated by this Agreement.

(f) Notwithstanding anything to the contrary in this Section 6.3, UTC and its subsidiaries shall have no obligation under, and shall not be required to commit to or effect any action pursuant to, this Section 6.3 in respect of the Separation or the Distributions (including in relation to UTC's IRS private letter ruling request with respect to the Distributions and certain related transactions, as amended or supplemented), to which this Section 6.3 shall not apply, it being understood that UTC's obligations in respect of the Separation and the Distributions are governed by Section 6.8 and Section 6.16.

Section 6.4. Indemnification, Exculpation and Insurance.

(a) UTC agrees that all rights to indemnification and exculpation from liabilities, including advancement of expenses, for acts or omissions occurring at or prior to the Effective Time now existing in favor of the current or former directors or officers of Raytheon (the “D&O Indemnified Parties”) as provided in the Certificate of Incorporation of Raytheon, the Bylaws of Raytheon or any indemnification contract between such directors or officers and Raytheon (in each case, as in effect on, and, in the case of any indemnification contracts, to the extent made available to UTC prior to, the date of this Agreement) shall survive the Merger and shall continue in full force and effect. For a period of six (6) years from the Effective Time, the Surviving Corporation shall, and UTC shall cause the Surviving Corporation to, maintain in effect the exculpation, indemnification and advancement of expenses equivalent to the provisions of the Certificate of Incorporation of Raytheon and the Bylaws of Raytheon as in effect immediately prior to the Effective Time with respect to acts or omissions occurring prior to the Effective Time and shall not amend, repeal or otherwise modify any such provisions in any manner that would adversely affect the rights thereunder of any D&O Indemnified Parties; provided that all rights to indemnification in respect of any claim made for indemnification within such period shall continue until the disposition of such action or resolution of such claim. From and after the Effective Time, UTC shall guarantee and stand surety for, and shall cause the Surviving Corporation to honor, in accordance with their respective terms, each of the covenants contained in this Section 6.4.

(b) Prior to the Effective Time, Raytheon shall or, if Raytheon is unable to, UTC shall cause the Surviving Corporation as of or after the Effective Time to, purchase a six (6)-year prepaid “tail” policy, with terms, conditions, retentions and limits of liability that are no less favorable than the coverage provided under Raytheon’s existing policies of directors’ and officers’ liability insurance and fiduciary liability insurance, with respect to matters arising on or before the Effective Time (including in connection with this Agreement and the transactions or actions contemplated by this Agreement), and UTC shall cause such policy to be maintained in full force and effect, for its full term, and cause all obligations thereunder to be honored by the Surviving Corporation, and no other party shall have any further obligation to purchase or pay for insurance hereunder; provided that Raytheon shall not pay, and the Surviving Corporation shall not be required to pay, in excess of 300% of the last annual premium paid by Raytheon prior to the date of this Agreement in respect of such “tail” policy. If Raytheon or the Surviving Corporation for any reason fail to obtain such “tail” insurance policies prior to, as of or after the Effective Time, UTC shall, for a period of six (6) years from the Effective Time, cause the Surviving Corporation to maintain in effect the current policies of directors’ and officers’ liability insurance and fiduciary liability insurance maintained by Raytheon with respect to matters arising on or before the Effective Time; provided that, after the Effective Time, UTC shall not be required to pay annual premiums in excess of 300% of the last annual premium paid by Raytheon prior to the date of this Agreement in respect of the coverage required to be obtained pursuant hereto, but in such case shall purchase as much coverage as reasonably practicable for such amount.

(c) The covenants contained in this Section 6.4 are intended to be for the benefit of, and shall be enforceable by, each of the D&O Indemnified Parties and their respective heirs and shall not be deemed exclusive of any other rights to which any such person is entitled, whether pursuant to Applicable Law, contract or otherwise.

(d) In the event that UTC or the Surviving Corporation or any of their respective successors or assigns (i) consolidates with or merges into any other person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any person, then, and in each such case, proper provision shall be made so that the successors or assigns of UTC or the Surviving Corporation, as the case may be, shall assume the obligations set forth in this Section 6.4.

Section 6.5. Fees and Expenses. Except as set forth in this Section 6.5 and in Section 8.2, all fees and expenses incurred in connection with the Merger, this Agreement and the transactions contemplated by this Agreement shall be paid by the party incurring such fees or expenses, whether or not the Merger is consummated, except that each of UTC and Raytheon shall bear and pay one-half of the costs and expenses (other than the fees and expenses of each party's attorneys and accountants, which shall be borne by the party incurring such expenses) incurred by the parties in connection with (a) the filing, printing and mailing of the Form S-4 and the Joint Proxy Statement (including SEC filing fees) and (b) the filings of the premerger notification and report forms under the HSR Act and similar laws of other jurisdictions (including filing fees).

Section 6.6. Public Announcements. Raytheon and UTC shall consult with each other before issuing any press release or making any public statement with respect to this Agreement or the transactions contemplated hereby (in the case of UTC, other than the Separation and the Distributions) and shall not issue any such press release or make any such public statement without the prior consent of the other, such consent not to be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, the first sentence of this Section 6.6 shall not apply to (a) any press release or public statement required by Applicable Law or any listing agreement with any national securities exchange, provided that the party making the release or statement has used its reasonable best efforts to consult with the other party, (b) a Raytheon Recommendation Change (or any responses thereto) or UTC Recommendation Change (or any responses thereto), or the proviso in Section 5.2(b) and Section 5.3(b) (or any response to a statement made pursuant to Section 5.2(b) and Section 5.3(b)), (c) any disclosure of information concerning this Agreement in connection with any dispute between the parties regarding this Agreement and (d) any press release or public statement containing content with respect to this Agreement or the transactions contemplated hereby substantially consistent with content included in any press release or public statement that has been previously consented to by the other party or otherwise exempted from this Section 6.6.

Section 6.7. NYSE Listing. Raytheon and UTC shall use reasonable best efforts to cause the UTC Common Stock issuable under Article III to be approved for listing on the NYSE, subject to official notice of issuance, prior to the Closing Date.

Section 6.8. Certain Tax Matters.

(a) Efforts. From and after the date of this Agreement and until the Effective Time, each party hereto shall use its reasonable best efforts to (i) cause each of the External Separation Transactions, the Merger and the Specified Internal Restructuring Transactions to qualify for its Intended Tax-Free Treatment and (ii) not knowingly take any action, cause or

permit any action to be taken, fail to take any action or cause any action to fail to be taken, which action or failure to act could reasonably be expected to prevent the External Separation Transactions, the Merger or any Specified Internal Restructuring Transaction from qualifying for its Intended Tax-Free Treatment.

(b) External Spin-Off Tax Opinion. From and after the date of this Agreement and until the Effective Time, Raytheon shall cooperate with UTC, and UTC and Raytheon shall use their respective reasonable best efforts to facilitate receipt by UTC of the External Spin-Off Tax Opinion from Wachtell, Lipton, Rosen & Katz (or other nationally recognized tax counsel reasonably acceptable to UTC and Raytheon) ("UTC Tax Counsel"). Such opinion shall be issued on the basis of customary representations, assumptions (including the accuracy of the IRS Ruling Request, as amended or supplemented through the date of such opinion, and the accuracy and continuing validity of the IRS Ruling) and undertakings set forth or referred to in such opinion and in the related External Spin-Off Tax Representation Letters. UTC shall (and shall cause Otis SpinCo and Carrier SpinCo to) deliver to UTC Tax Counsel for purposes of the External Spin-Off Tax Opinion customary representations, assumptions and undertakings, reasonably satisfactory in form and substance to UTC Tax Counsel (the "External Spin-Off Tax Representation Letters"). UTC will promptly notify Raytheon if, before the Effective Time, it knows or has reason to believe that UTC is no longer able to obtain the External Spin-Off Tax Opinion or if the terms of this Agreement (including the Separation Principles) would need to be amended in order to facilitate receipt of such opinion.

(c) IRS Ruling. UTC has submitted to the IRS the IRS Ruling Request, and UTC shall prepare and submit to the IRS supplemental materials relating thereto that UTC determines (after giving Raytheon the opportunity to consult thereon and considering any Raytheon comments) are necessary or appropriate to obtain the requested rulings under the IRS Ruling Request or any additional rulings from the IRS, including additional rulings regarding Section 355, if any, as a result of the transactions contemplated by this Agreement (each, an "IRS Submission"). From and after the date of this Agreement and until the Effective Time, each party hereto agrees to use its reasonable best efforts to facilitate receipt by UTC of the IRS Ruling, including providing such appropriate information as the IRS shall require in connection with the IRS Ruling Request or any IRS Submission. In connection with the IRS Ruling Request, UTC shall (i) keep Raytheon informed of all material actions taken or proposed to be taken by UTC or the IRS, (ii) reasonably in advance of any material IRS Submission, provide Raytheon with a reasonable opportunity to review, discuss and comment on each such IRS Submission, and consider in good faith Raytheon's comments on such draft to the extent such comments are timely provided, (iii) provide Raytheon with copies of any material written communications received from the IRS with respect to the IRS Ruling Request, including with respect to any IRS Submission and (iv) keep Raytheon promptly and reasonably informed concerning any material communications (however conducted) with the IRS concerning the IRS Ruling Request or any IRS Submission. If the IRS notifies UTC that it will not issue the IRS Ruling (or will not issue any ruling requested in the IRS Ruling Request or an IRS Submission (other than any Internal Restructuring Tax Opinions/Rulings)), then, during the ensuing thirty (30)-day period, the parties will collaborate in good faith to identify possible alternatives (including alternative structures and seeking additional Tax opinions) that the parties determine, with the assistance of their respective tax advisors, will either make likely the receipt of the IRS Ruling (or such ruling) or eliminate the necessity for a ruling, in either case, without (A)

materially affecting the value of the transactions contemplated hereby to UTC or Raytheon, (B) substantially increasing the regulatory or other consents or approvals required to consummate the transactions contemplated hereby or by the Separation Documentation, or (C) otherwise resulting in any substantial impediment to the consummation of the transactions contemplated hereby or by the Separation Documentation; provided, that the parties shall not be required to effectuate any alternative structures or transactions or seek any additional Tax opinions pursuant to this sentence in the event that such failure by the IRS to issue such ruling or rulings would not reasonably be expected to result in tax liabilities of UTC RemainCo in excess of \$400,000,000 in the aggregate (taking into account all rulings not issued by the IRS). In the event that the parties agree to effectuate such an alternative, they shall, as soon as practicable thereafter, modify the covenants and agreements set forth in this Agreement and/or the Separation Documentation to the extent necessary to reflect such alternative. In furtherance of the foregoing, to the extent necessary to reflect any such alternative, UTC shall submit one or more IRS Submissions to modify the IRS Ruling Request.

(d) Merger Tax Opinions. From and after the date of this Agreement and until the Effective Time, Raytheon, on the one hand, and UTC, on the other hand, shall cooperate with each other and shall use their respective reasonable best efforts to obtain, a written opinion of Shearman & Sterling LLP (or other nationally recognized tax counsel reasonably acceptable to Raytheon and UTC) ("Raytheon Tax Counsel"), in the case of Raytheon, and a written opinion of UTC Tax Counsel, in the case of UTC, in form and substance reasonably satisfactory to Raytheon and UTC, respectively (each such opinion, a "Merger Tax Opinion"), dated as of the Closing Date, (A) to the effect that, on the basis of customary representations, assumptions (including the accuracy of the IRS Ruling Request, as it may be amended or supplemented through the date of such opinion, and the accuracy and continuing validity of the IRS Ruling) and undertakings set forth or referred to in such opinion and in the related Merger Tax Representation Letters, (i) the Merger will qualify as a "reorganization" within the meaning of Section 368(a) of the Code, and (ii) the Merger will not cause Section 355(e) of the Code to apply to either Distribution, and (B) addressing any supplemental matter reasonably requested by both Raytheon and UTC to be included in such opinion. Each of Raytheon, UTC, and Merger Sub shall deliver to Raytheon Tax Counsel and UTC Tax Counsel for purposes of the Merger Tax Opinions customary representations, assumptions and undertakings, reasonably satisfactory in form and substance to Raytheon Tax Counsel and UTC Tax Counsel (the "Merger Tax Representation Letters"). In rendering the Merger Tax Opinion, UTC Tax Counsel and Raytheon Tax Counsel may assume that the External Separation Transactions qualified for their Intended Tax-Free Treatment and would continue to so qualify if the Merger did not occur. Raytheon will promptly notify UTC if, before the Effective Time, (A) it knows or has reason to believe that Raytheon is no longer able to obtain the Merger Tax Opinion from Raytheon Tax Counsel, or (B) the terms of this Agreement (including the Separation Principles) would need to be amended in order to facilitate receipt of such opinion. UTC will promptly notify Raytheon if, before the Effective Time, (A) it knows or has reason to believe that UTC is no longer able to obtain the Merger Tax Opinion from UTC Tax Counsel, including as a result of the failure of any UTC Common Stock to be Qualified UTC Common Stock, or (B) the terms of this Agreement (including the Separation Principles) would need to be amended in order to facilitate receipt of such opinion.

(e) Internal Restructuring Transactions. From and after the date of this Agreement and until the Effective Time, Raytheon shall cooperate with UTC, and UTC and Raytheon shall use their respective reasonable best efforts, to facilitate receipt by UTC of the Internal Restructuring Tax Opinions/Rulings. If any of the Internal Restructuring Tax Opinions/Rulings are not timely obtained, then notwithstanding anything herein or in the Separation Principles to the contrary, the Step Plan may be altered by UTC in a manner that is reasonably consistent with the overall tax planning for the Separation and the Distributions; provided, that, no such modification or modifications that would reasonably be expected to result in incremental costs to UTC RemainCo in excess of \$500,000,000 in the aggregate may be made without Raytheon's prior consent (not to be unreasonably withheld, conditioned or delayed).

Section 6.9. Takeover Statutes. If any antitakeover or similar statute or regulation is or may become applicable to the transactions contemplated by this Agreement, each of the parties hereto and its respective Board of Directors shall (a) grant such approvals and take all such actions as are legally permissible so that the transactions contemplated hereby may be consummated as promptly as practicable on the terms contemplated hereby and (b) otherwise act to eliminate or minimize the effects of any such statute or regulation on the transactions contemplated hereby.

Section 6.10. Conveyance Taxes. Raytheon and UTC shall cooperate in the preparation, execution and filing of all Tax Returns, questionnaires, applications or other documents regarding any real property transfer or gains, sales, use, transfer, value added, stock transfer and stamp taxes, any transfer, recording, registration and other fees or any similar Taxes which become payable in connection with the transactions contemplated by this Agreement that are required or permitted to be filed on or before the Effective Time.

Section 6.11. Employee Benefits.

(a) In order to further an orderly transition and integration, Raytheon and UTC shall cooperate in good faith in reviewing, evaluating and analyzing the UTC RemainCo Benefit Plans and Raytheon Benefit Plans with a view towards developing appropriate new benefit plans, or selecting the UTC RemainCo Benefit Plans or Raytheon Benefit Plans, as applicable, that will apply with respect to employees of UTC RemainCo and its subsidiaries (including the Surviving Corporation and its subsidiaries) after the Effective Time (collectively, the "New Benefit Plans"), which New Benefit Plans will, to the extent permitted by Applicable Law, and among other things, (i) treat similarly situated employees on a substantially equivalent basis, taking into account all relevant factors, including duties, geographic location, tenure, qualifications and abilities, and (ii) not discriminate between employees who were covered by UTC RemainCo Benefit Plans, on the one hand, and those covered by Raytheon Benefit Plans, on the other hand, at the Effective Time.

(b) For purposes of eligibility, participation, vesting and benefit accrual (except (i) for purposes of benefit accrual under any defined benefit pension plan, (ii) to the extent that such credit would result in a duplication of benefits, or (iii) under any plan that is grandfathered or frozen) under the UTC RemainCo Benefit Plans, Raytheon Benefit Plans and the New Benefit Plans, service with or credited by UTC RemainCo, Raytheon or any of their respective subsidiaries or predecessors for continuing employees of Raytheon and its subsidiaries

or continuing employees of UTC RemainCo or its subsidiaries shall be treated as service with UTC RemainCo to the same extent that such service was taken into account under the analogous Raytheon Benefit Plan or UTC RemainCo Benefit Plan prior to the Effective Time. With respect to any Raytheon Benefit Plan, UTC RemainCo Benefit Plan or New Benefit Plan in which any employees of UTC RemainCo or Raytheon (or their subsidiaries) prior to the Effective Time first become eligible to participate on or after the Effective Time, and in which such employees did not participate prior to the Effective Time, UTC RemainCo shall: (i) waive all preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to such employees and their eligible dependents, except to the extent such pre-existing conditions, exclusions or waiting periods would apply under the analogous UTC RemainCo Benefit Plan or Raytheon Benefit Plan, as the case may be, and (ii) provide each such employee and his or her eligible dependents with credit for any co-payments and deductibles paid prior to the Effective Time (or, if later, prior to the time such employee commenced participation in the New Benefit Plan) under a UTC RemainCo Benefit Plan or Raytheon Benefit Plan (to the same extent that such credit was given under the analogous Raytheon or UTC RemainCo Benefit Plan) in satisfying any applicable deductible or out-of-pocket requirements under any Raytheon Benefit Plan, UTC RemainCo Benefit Plan or New Benefit Plan in which such employee first become eligible to participate after the Effective Time.

(c) Nothing in this Agreement shall confer upon any employee, officer, director or consultant of UTC or Raytheon or any of their subsidiaries or affiliates any right to continue in the employ or service of the Surviving Corporation, Raytheon, UTC or any subsidiary or affiliate thereof, or shall interfere with or restrict in any way the rights of the Surviving Corporation, Raytheon, UTC or any subsidiary or affiliate thereof to discharge or terminate the services of any employee, officer, director or consultant of UTC or Raytheon or any of their subsidiaries or affiliates at any time for any reason whatsoever, with or without cause. Nothing in this Agreement shall be deemed to (i) establish, amend, or modify any Raytheon Benefit Plan, UTC RemainCo Benefit Plan, New Benefit Plan or any other benefit or employment plan, program, agreement or arrangement or (ii) alter or limit the ability of the Surviving Corporation or any of its subsidiaries or affiliates to amend, modify or terminate any particular Raytheon Benefit Plan, UTC RemainCo Benefit Plan, New Benefit Plan or any other benefit or employment plan, program, agreement or arrangement after the Effective Time. Without limiting the generality of Section 9.6, nothing in this Agreement, express or implied, is intended to or shall confer upon any person, including any current or former employee, officer, director or consultant of UTC or Raytheon or any of their subsidiaries or affiliates, any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 6.12. Section 16(b). Raytheon and UTC shall each take all such steps as are reasonably necessary to cause the transactions contemplated by this Agreement and any other dispositions of equity securities of Raytheon (including derivative securities) or acquisitions of equity securities of UTC (including derivative securities) in connection herewith by any individual who (a) is a director or officer of Raytheon or (b) at the Effective Time will become a director or officer of UTC, in each case to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Section 6.13. Dividends.

(a) Each of Raytheon and UTC shall coordinate with the other in respect of the designation of the record dates and payment dates for its quarterly cash dividends, so that holders of shares of Raytheon Common Stock do not (a) receive dividends on both shares of Raytheon Common Stock and UTC Common Stock received in the Merger in respect of any calendar quarter or (b) fail to receive a dividend on either shares of Raytheon Common Stock or UTC Common Stock received in the Merger in respect of any calendar quarter (in the case of this clause (b), unless UTC shall not pay a dividend on any shares of UTC Common Stock in respect of such quarter).

(b)

(i) On or prior to the date that is ten (10) business days prior to the anticipated Closing Date, UTC may, if it determines in good faith that (A) the Applicable Indebtedness (as defined in the Separation Principles) is reasonably expected to exceed the Target Indebtedness (the amount of such excess, the "Overage Amount") and (B) the aggregate outstanding principal amount of total indebtedness for borrowed money of Otis SpinCo, Carrier SpinCo and their respective subsidiaries as of immediately following the consummation of the Otis Distribution (in the case of Otis SpinCo) and the Carrier Distribution (in the case of Carrier SpinCo) would exceed \$18,250,000,000, deliver written notice (the "Overage Notice") of such determinations to Raytheon, which such notice shall also set forth the Overage Amount.

(ii) In the event that UTC delivers an Overage Notice, (A) Raytheon may, in its sole discretion, declare (with a record date prior to the Closing) and pay to its stockholders (whether before or after the Closing, while minimizing any delay in the Closing to the extent reasonably practicable) a cash distribution in an aggregate amount equal to the product of (1) a fraction, the numerator of which is 0.43 and the denominator of which is 0.57, and (2) the Overage Amount, and (B) subject to clause (II) below, whether or not Raytheon elects to pay such a cash distribution, Target Indebtedness shall be deemed for purposes of this Agreement (including the Separation Principles) to be increased by the Overage Amount; provided, that notwithstanding the foregoing, in the event the amount of the cash distribution calculated in accordance with this Section 6.13(b)(ii) would (x) be \$250,000,000 or less, UTC may, in its discretion, withdraw the Overage Notice and no provision of this Section 6.13(b)(ii) shall be given effect; provided, that if UTC does not withdraw the Overage Notice, then (I) Raytheon shall be permitted to pay a cash distribution pursuant to this Section 6.13(b)(ii) in an aggregate amount of \$250,000,000 and (II) whether or not Raytheon elects to pay such a cash distribution, in lieu of the foregoing clause (B), the Target Indebtedness shall be deemed for purposes of this Agreement (including the Separation Principles) to be increased by \$331,000,000, or (y) exceed \$2,000,000,000, no provision of this Section 6.13(b)(ii) shall be given effect.

Section 6.14. Certain Litigation. Each party shall promptly advise the other of any litigation commenced after the date hereof against such party or any of its directors or officers (in their capacity as such) by any stockholders of such party (on their own behalf or on behalf of such party) relating to this Agreement or the transactions contemplated hereby, and shall keep the other parties reasonably informed regarding any such litigation. Such party shall give the

other parties the opportunity to participate in the defense or settlement of any such stockholder litigation, and no such settlement shall be agreed to without the other party's prior consent (which consent shall not be unreasonably withheld, conditioned or delayed).

Section 6.15. Stock Exchange Delisting; Deregistration. Prior to the Effective Time, Raytheon shall use its reasonable best efforts to facilitate the commencement of the delisting of Raytheon and of the shares of Raytheon Common Stock from the NYSE as promptly as practicable after the Effective Time. Prior to the Effective Time, Raytheon shall not voluntarily delist the Raytheon Common Stock from the NYSE.

Section 6.16. Separation and Distributions.

(a) Following the execution of this Agreement, UTC shall prepare the Separation Documentation to effect the Separation and the Distributions in accordance with the Separation Principles and otherwise on terms that are customary for similar agreements. Subject to the limitations set forth in Section 6.2 (which shall apply to this Section 6.16 *mutatis mutandis*), UTC shall provide drafts of the Separation Documentation to Raytheon and its Representatives reasonably in advance of filing forms of the Separation Documentation with the SpinCo Registration Statements, shall make its applicable employees, representatives and advisors available to Raytheon's Representatives a reasonable number of times upon reasonable prior notice (and during normal business hours) for purposes of discussing the draft Separation Documentation, and shall consider in good faith the comments of Raytheon's Representatives to such documents. Prior to the Distributions, UTC and its applicable subsidiaries shall enter into the Separation Documentation, in each case in form and substance consistent with the terms of this Agreement, including the Separation Principles.

(b) Promptly following the date of this Agreement, each of Raytheon and UTC shall designate two (2) representatives to serve on a committee (the "Separation Committee") (it being understood that each party may change or replace its designees serving on the Separation Committee from time to time with written notice to the other party), which shall meet no less frequently than bi-weekly (and more frequently upon Raytheon's reasonable request) for the purposes of (i) reviewing and discussing cooperatively and in good faith the status of the Separation and the Distributions, including the status of the SpinCo Registration Statements, the Separation Documentation and the Pre-Merger Financing Transactions, and (ii) reviewing and discussing cooperatively and in good faith the status of the Step Plan and any proposed modifications thereto.

(c) UTC shall consummate the Separation and each Distribution in accordance with this Agreement, including the Separation Principles, and the Separation Documentation as promptly as reasonably practicable (taking into account the requirements of Applicable Law and the rules and regulations of the NYSE), but in any event on or prior to the fourth business day prior to the Outside Date (as such date may be extended pursuant to Section 8.1(b)(i); provided, that notwithstanding anything to the contrary in Section 8.1(b)(i), and without limiting any automatic extension or right of extension provided for therein, in the event that the date upon which both of the following clauses (i) and (ii) have occurred is fewer than 35 days prior to the Outside Date, the Outside Date shall automatically, without any action on the part of the parties hereto, be extended to the first business day after the 35th day following

the date on which both of the following clauses (i) and (ii) have occurred), after the (i) satisfaction or waiver of all of the conditions to UTC's obligations set forth in Section 7.1 and Section 7.2 (subject to the continued satisfaction or waiver thereof, and other than (x) those conditions that by their terms are to be fulfilled at the Closing, provided that each such condition would be fulfilled if the Closing were to occur at such time, and (y) the condition set forth in Section 7.1(i)) and (ii) receipt by UTC from Raytheon of (A) written confirmation that each of the conditions to Raytheon's obligations set forth in Section 7.1 and Section 7.3 have been satisfied or waived (other than (x) those conditions that by their terms are to be fulfilled at the Closing (provided that each such condition would be fulfilled if the Closing were to occur at such time), and (y) the conditions set forth in Section 7.1(h), Section 7.1(i) and Section 7.1(j)), and Raytheon stands ready, willing and able to consummate the Closing and, upon the satisfaction of the conditions set forth in Section 7.1(h), Section 7.1(i) and Section 7.1(j) and the conditions that by their terms are to be fulfilled at the Closing (provided that each such condition would be fulfilled if the Closing were to occur at such time), will consummate the Closing, and (B) the executed certificate contemplated by Section 7.2(c) (assuming for such purpose (and without otherwise limiting Section 7.2(c) in any respect) that any reference in such certificate to the Closing Date is a reference to the date of such certificate).

Section 6.17. Merger Sub Approval. Promptly following the execution of this Agreement, UTC shall take all action necessary to cause this Agreement and the Merger to be adopted by the sole stockholder of Merger Sub.

ARTICLE VII

CONDITIONS PRECEDENT

Section 7.1. Conditions to Each Party's Obligation to Effect the Merger. Section 9.10. Specific Enforcement. The parties acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, and that monetary damages, even if available, would not be an adequate remedy therefor. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the performance of terms and provisions of this Agreement in any court referred to in Section 9.11, without proof of actual damages (and each party hereby waives any requirement for the securing or posting of any bond in connection with such remedy), this being in addition to any other remedy to which they are entitled at law or in

equity. The parties further agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to law or inequitable for any reason, nor to assert that a remedy of monetary damages would provide an adequate remedy for any such breach.

Section 9.11. Jurisdiction. In any action between the parties arising out of or relating to this Agreement or any of the transactions contemplated hereby, each of the parties (a) irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware in and for New Castle County, Delaware, (b) agrees that it will not attempt to deny or defeat such jurisdiction by motion or other request for leave from such court and (c) agrees that it will not bring any such action in any court other than the Court of Chancery for the State of Delaware in and for New Castle County, Delaware, or, if (and only if) such court finds it lacks subject matter jurisdiction, the federal court of the United States of America sitting in Delaware, and appellate courts thereof, or, if (and only if) each of such Court of Chancery for the State of Delaware and such federal court finds it lacks subject matter jurisdiction, any state court within the State of Delaware. Section 9.13. Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as either the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party or such party waives its rights under this Section 9.13 with respect thereto. Upon a determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by Applicable Law in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

SECTION 1 – Meetings of Shareholders

SECTION 1.1 *Annual Meetings.*

Annual meetings of shareholders shall be held each year on such date and at such time as may be fixed by the Board of Directors for the purpose of electing directors and transacting such other proper business as may come before the meeting.

SECTION 1.2 *Special Meetings.*

(A) Special meetings of shareholders may be called from time to time by the Board of Directors, by the Chairman, by the Chief Executive Officer of the Corporation or by the Secretary of the Corporation at the valid written request of shareholders of record who own (for all purposes under this Section 1.2, as defined in Section 1.12(A)(3) of these Bylaws), or are acting on behalf of one or more beneficial owners who own, capital stock representing at least 15% of the Voting Stock (the “Special Meeting Request Required Shares”), and who continue to own the Special Meeting Request Required Shares at all times between the Ownership Record Date (as defined in paragraph (B) of this Section 1.2) and the date of the applicable meeting of shareholders. Special meetings shall be held solely for the purpose or purposes specified in the notice of meeting delivered by the Corporation. For purposes of these Bylaws, “Voting Stock” shall mean outstanding shares of capital stock of the Corporation entitled to vote generally for the election of directors.

(B) Any record shareholder (whether acting for him, her or itself, or at the direction of a beneficial owner) may, by written notice to the Secretary of the Corporation, request that the Board of Directors fix a record date to determine the record shareholders who are entitled to deliver a written request to call a special meeting (such record date, the “Ownership Record Date”). A valid written request to fix an Ownership Record Date shall include all of the information that must be included in a written request to call a special meeting, as set forth in paragraph (D) of this Section 1.2. The Board of Directors may fix the Ownership Record Date within 10 days of the Secretary’s receipt of a valid written request to fix the Ownership Record Date. The Ownership Record Date shall not precede, and shall not be more than 10 days after, the date upon which the resolution fixing the Ownership Record Date is adopted by the Board of Directors. If an Ownership Record Date is not fixed by the Board of Directors within the period set forth above, the Ownership Record Date shall be the date that the first valid written request to call a special meeting is received by the Secretary with respect to the proposed business to be submitted for shareholder approval at a special meeting.

(C) A beneficial owner who wishes to deliver a written request to call a special meeting must cause the nominee or other person who serves as the record shareholder of such beneficial owner’s stock to sign the written request to call a special meeting. If a record

shareholder is the nominee for more than one beneficial owner of stock, the record shareholder may deliver a valid written request to call a special meeting solely with respect to the capital stock of the Corporation beneficially owned by the beneficial owner who is directing the record shareholder to sign such written request to call a special meeting.

(D) Each valid written request to call a special meeting shall include the following and shall be delivered to the Secretary of the Corporation:

- (1) the signature of the record shareholder submitting such request and the date such request was signed;
- (2) the text of each business proposal desired to be submitted for shareholder approval at the special meeting; and

(a) all of the information required to be disclosed pursuant to Section 1.10(A)(2) of these Bylaws, which information shall be supplemented (by delivery to the Secretary) by each Disclosing Party (i) not later than 10 days after the record date for determining the record shareholders entitled to notice of, and to vote at, the special meeting (such record date, the "Meeting Record Date"), to disclose the foregoing information as of the Meeting Record Date and (ii) not later than the 5th day before the special meeting or any adjournment or postponement thereof, to disclose the foregoing information as of the date that is 10 days prior to the special meeting or any such adjournment or postponement thereof, as applicable;

(b) with respect to each business proposal to be submitted for shareholder approval at the special meeting, a statement whether or not any Disclosing Party will deliver a proxy statement and form of proxy to holders of at least the percentage of voting power of all of the shares of Voting Stock of the Corporation required under these Bylaws, the certificate of incorporation and statute to carry such proposal (such statement, a "Solicitation Statement"); and

(c) any additional information reasonably requested by the Board of Directors to verify the Voting Stock ownership position of such Disclosing Party.

Each time the Disclosing Party's Voting Stock ownership position decreases following the delivery of the foregoing information to the Secretary, such Disclosing Party shall notify the Corporation of his, her or its decreased Voting Stock ownership position, together with any information reasonably requested by the Board of Directors to verify such position, within 10 days of such decrease or as of the 5th day before the special meeting, whichever is earlier.

(E) The Secretary shall not accept, and shall consider ineffective, an otherwise valid written request to call a special meeting pursuant to Clause (A) of this Section 1.2:

- (1) that does not comply with the provisions of this Section 1.2;
- (2) that relates to an item of business that is not a proper subject for shareholder action under applicable law;
- (3) that is delivered during the period commencing 90 days prior to the first anniversary of the date of the notice of annual meeting for the immediately preceding annual meeting and ending on the date of the next annual meeting;
- (4) if the Board of Directors has called or calls an annual or special meeting of shareholders to be held not more than 90 days after receipt by the Secretary of such written request to call a special meeting and the purpose of such shareholder meeting called by the Board of Directors includes (among any other matters properly brought before the meeting) an identical or substantially similar item (as determined in good faith by the Board of Directors, a "Similar Item") as the purpose specified in such written request to call a special meeting; or
- (5) if a Similar Item (a) other than the election of directors, has been presented at any meeting of shareholders held within 180 to 91 days prior to receipt by the Secretary of such written request to call a special meeting or (b) has been presented at any meeting of shareholders held within 90 days prior to receipt by the Secretary of such written request to call a special meeting (and, for purposes of clarity, for purposes of this clause (b), the election of directors shall be deemed to be a "Similar Item" with respect to all items of business involving the election or removal of directors).

(F) Revocations:

- (1) A record shareholder may revoke a request to call a special meeting at any time before the special meeting by sending written notice of such revocation to the Secretary of the Corporation.
- (2) All written requests for a special meeting shall be deemed revoked:
 - (a) upon the first date that, after giving effect to revocation(s) and notice(s) of ownership position decrease(s) (pursuant to Section 1.2(D)(3) and the last sentence of Section 1.2(D), respectively), the aggregate Voting Stock ownership position of all the Disclosing Parties who are listed on the unrevoked valid written requests to call a special meeting with respect to the applicable proposal decreases to a number of shares of Voting Stock less than the Special Meeting Request Required Shares;
 - (b) if any Disclosing Party who has provided a Solicitation Statement with respect to any business proposal to be submitted for shareholder approval at such special meeting does not act in accordance with the representations set forth therein; or

(c) if any Disclosing Party does not provide the information required by Section 1.2(D) in accordance with such provisions.

(3) If an actual or deemed revocation of all valid written requests to call a special meeting has occurred after the special meeting has been called by the Secretary, the Board of Directors shall have the discretion to determine whether or not to proceed with the special meeting.

(G) The Board of Directors may submit its own proposal or proposals for consideration at a special meeting called at the request of one or more shareholders pursuant to this Section 1.2. The Meeting Record Date for, and the place, date and time of, any special meeting shall be fixed by the Board of Directors; *provided*, that the date of any such special meeting shall not be more than 120 days after the date on which valid special meeting request(s) from holder(s) of the Special Meeting Required Shares are delivered to the Secretary of the Corporation in accordance with this Section 1.2.

SECTION 1.3 *Time and Place of Meetings.*

Subject to the provisions of Section 1.1 and Section 1.2, each meeting of shareholders shall be held on such date, at such hour and at such place as fixed by the Board of Directors or in the notice of the meeting delivered by the Corporation or, in the case of an adjourned meeting, as announced by the Corporation at the meeting at which the adjournment is taken.

SECTION 1.4 *Notice of Meetings.*

A notice of each meeting of shareholders, stating the place, date and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be given by the Corporation personally, by mail or by electronic transmission as set forth below to each shareholder entitled to vote at the meeting. Unless otherwise provided by statute, the notice shall be given not less than 10 nor more than 60 days before the date of the meeting and, if mailed, shall be deposited in the United States mail, postage prepaid, directed to the shareholder at his or her address as it appears on the records of the Corporation. No notice need be given to any person with whom communication is unlawful, nor shall there be any duty to apply for any permit or license to give notice to any such person. If the time and place of an adjourned meeting of shareholders are announced by the Corporation at the meeting at which the adjournment is taken, no notice need be given of the adjourned meeting unless that adjournment is for more than 30 days or unless, after the adjournment, a new record date is fixed for the adjourned meeting. Without limiting the manner by which notice otherwise may be given effectively to shareholders, any notice to shareholders under the Corporation's Certificate of Incorporation and these Bylaws may be given by the Corporation by electronic transmission in the manner provided in Section 232 of the Delaware General Corporation Law (the "DGCL").

SECTION 1.5 *Waiver of Notice.*

Anything herein to the contrary notwithstanding, notice of any meeting of shareholders need not be given to any shareholder who in person or by proxy shall have waived in writing notice of the meeting, either before or after such meeting, or who shall attend the meeting in person or by proxy, unless such shareholder attends for the express purpose of objecting, at the

beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

SECTION 1.6 *Quorum and Manner of Acting.*

Subject to the provisions of these Bylaws, the Corporation's Certificate of Incorporation and statute as to the vote that is required for a specified action, the presence in person or by proxy of the holders of a majority of the outstanding shares of the Corporation entitled to vote at any meeting of shareholders shall constitute a quorum for the transaction of business, and the vote in person or by proxy of the holders of a majority of the shares constituting such quorum shall be binding on all shareholders of the Corporation. The Chairman of the Board of Directors or the Chief Executive Officer or a majority of the shares present in person or by proxy and entitled to vote may, regardless of whether or not they constitute a quorum, adjourn the meeting to another time and place. No notice of the time and place, if any, of adjourned meetings need be given except as required by applicable law. The shareholders present at a duly called meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding withdrawal of enough shareholders to leave is less than a quorum. Any business which might have been transacted at the original meeting may be transacted at any adjourned meeting at which a quorum is present.

SECTION 1.7 *Voting.*

A shareholder may authorize another person or persons to vote for him, her or itself by proxy. Such authorization may be accomplished by the shareholder or his, her or its authorized officer, director, employee or agent signing such writing or causing his, her or its signature to be affixed to such writing by any reasonable means including facsimile signature or by electronic transmission to the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service, or similar agent duly authorized by the intended proxy holder to receive such transmission; *provided*, that any such electronic transmission must either set forth or be submitted with information from which it can be determined that the electronic transmission was authorized by the shareholder. No proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period.

SECTION 1.8 *Inspectors of Election; Opening and Closing the Polls.*

The Board of Directors may, and to the extent required by law, shall, in advance of any meeting of shareholders appoint one or more inspectors, which inspector or inspectors may include individuals who serve the Corporation in other capacities, including without limitation as officers, employees, fiduciaries or agents, to act at the meeting and make a written report thereof. The Board of Directors may designate one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at a meeting of shareholders, the chairman of the meeting may, and to the extent required by law, shall, appoint one or more inspectors to act at the meeting. Each inspector, before discharging his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspector or inspectors of election shall have the duties prescribed by law. The chairman of the meeting shall fix and announce at the meeting the

date and time of the opening and the closing of the polls for each matter upon which the shareholders will vote at a meeting.

SECTION 1.9 *List of Shareholders.*

A complete list of the shareholders entitled to vote at each meeting of shareholders, arranged in alphabetical order, and showing the address and number of shares registered in the name of each shareholder, shall be prepared and made available for examination during regular business hours by any shareholder for any purpose germane to the meeting. The list shall be available for such examination at the principal place of business of the Corporation for a period of not less than 10 days prior to the meeting and during the whole time of the meeting.

SECTION 1.10 *Notice of Shareholder Business and Nominations.*

(A) *Annual Meetings of Shareholders.*

(1) Nominations of persons for election to the Board of Directors of the Corporation and the proposal of business to be considered by the shareholders may be made at an annual meeting of shareholders (a) pursuant to the Corporation's notice of meeting, (b) by or at the direction of the Board of Directors or (c) by any shareholder of the Corporation who was a shareholder of record at the time of giving of notice provided for in this Section 1.10 and, at the time of the annual meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 1.10 as to such business or nomination; clause (c) shall be the exclusive means for a shareholder to make nominations or submit other business (other than nominations at an annual meeting made pursuant to Section 1.12 of these Bylaws and matters properly brought under Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and included in the Corporation's notice of meeting) before an annual meeting of shareholders.

(2) Without qualification, for any nominations or any other business to be properly brought before an annual meeting by a shareholder pursuant to clause (c) of paragraph (A)(1) of this Section 1.10, the shareholder must have given timely notice thereof in writing to the Secretary of the Corporation and such other business must be a proper matter for shareholder action. To be timely, a shareholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the 120th day and not later than the close of business on the 90th day prior to the first anniversary of the preceding year's annual meeting; *provided, however*, that in the event that the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice by the shareholder to be timely must be so delivered not earlier than the close of business on the 120th day prior to the date of such annual meeting and not later than the close of business on the later of the 90th day prior to the date of such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made by the Corporation. In no event shall any adjournment or postponement of an annual meeting or the announcement thereof commence a new time period or extend any time period for the giving of a shareholder's notice as described above. To be in proper form, such

shareholder's notice (whether given pursuant to this paragraph (A)(2) or paragraph (B) of Section 1.10) to the Secretary must: (a) set forth, as to the shareholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (such shareholder or beneficial owner, a "holder"), (i) the name and address of each such holder (as they appear on the Corporation's books in the case of the record holder), (ii) (A) the class or series and number of shares of the Corporation which are, directly or indirectly, owned beneficially or of record by each such holder, (B) any option, warrant, convertible security, stock appreciation right, or similar right with an exercise or conversion privilege or a settlement payment or mechanism at a price related to any class or series of shares of the Corporation or with a value derived in whole or in part from the value of any class or series of shares of the Corporation, whether or not such instrument or right shall be subject to settlement in the underlying class or series of capital stock of the Corporation or otherwise (a "Derivative Instrument"), directly or indirectly owned beneficially or of record by each such holder and any other direct or indirect opportunity to profit or share in any profit derived from any increase or decrease in the value of shares of the Corporation, (C) any proxy, contract, arrangement, understanding, or relationship pursuant to which each such holder, directly or indirectly, has a right to vote any shares of any security of the Corporation, (D) any short interest in any security of the Corporation (for purposes of these Bylaws a person shall be deemed to have a short interest in a security if such person directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, has the opportunity to profit or share in any profit derived from any decrease in the value of the subject security), (E) any rights to dividends on the shares of the Corporation owned beneficially or of record by each such holder that are separated or separable from the underlying shares of the Corporation, (F) any proportionate interest in shares of the Corporation or Derivative Instruments held, directly or indirectly, beneficially or of record by a general or limited partnership in which each such holder is a general partner or, directly or indirectly, beneficially or of record owns an interest in a general partner and (G) any performance-related fees (other than an asset-based fee) that each such holder is, directly or indirectly, entitled to based on any increase or decrease in the value of shares of the Corporation or Derivative Instruments, if any, as of the date of such notice, including without limitation any such interests held, directly or indirectly, beneficially or of record by members of such holder's immediate family sharing the same household (which information shall be supplemented by such holder not later than 10 days after the record date for the meeting to disclose such ownership as of the record date), and (iii) any other information relating to each such holder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for, as applicable, the proposal and/or for the election of directors in a contested election pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder; (b) if the notice relates to any business other than a nomination of a director or directors that the shareholder proposes to bring before the meeting, set forth (i) a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest of any such holder in such business and (ii) a description of all agreements, arrangements and understandings between any such holder and any other person or persons (including their names) in connection with the proposal of such business by such shareholder; (c) set forth, as to each person, if any,

whom the shareholder proposes to nominate for election or reelection to the Board of Directors (i) all information relating to such person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors in a contested election pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected) and (ii) a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among any such holder and its affiliates and associates, or others acting in concert therewith, on the one hand, and each proposed nominee, and his or her respective affiliates and associates, or others acting in concert therewith, on the other hand, including, without limitation all information that would be required to be disclosed pursuant to Rule 404 promulgated under Regulation S-K if any such holder or any affiliate or associate thereof or person acting in concert therewith, were the "registrant" for purposes of such rule and the nominee were a director or executive officer of such registrant; and (d) with respect to each nominee for election or reelection to the Board of Directors, include a completed and signed questionnaire, representation and agreement required by paragraph (C) of this Section 1.10. The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as an independent director of the Corporation or that could be material to a reasonable shareholder's understanding of the independence, or lack thereof, of such nominee.

(3) Notwithstanding anything in the second sentence of paragraph (A)(2) of this Section 1.10 to the contrary, in the event that the number of directors to be elected to the Board of Directors of the Corporation is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board of Directors made by the Corporation at least 100 days prior to the first anniversary of the preceding year's annual meeting, a shareholder's notice required by this Section 1.10 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the 10th day following the day on which such public announcement is first made by the Corporation.

(B) *Special Meetings of Shareholders.* Only such business shall be conducted at a special meeting of shareholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. To be properly brought before a special meeting, proposals of business must be specified in the Corporation's notice of meeting (or any supplement thereto) (a) given by or at the direction of the Board of Directors or (b) given by the Corporation pursuant to a valid shareholder written request in accordance with Section 1.2 of these Bylaws; *provided, however*, that nothing herein shall prohibit the Board of Directors from submitting additional matters to shareholders at any such special meeting. Without qualification, and subject to Section 1.2 and paragraph (A)(2) of this Section 1.10, for any business to be properly requested to be brought before a special meeting by a shareholder pursuant to this paragraph (B), the shareholder must have given timely notice thereof and timely updates and supplements thereof in

each case in proper form, in writing to the Secretary and such business must otherwise be a proper matter for shareholder action. Nominations of persons for election to the Board of Directors may be made at a special meeting of shareholders at which directors are to be elected pursuant to the Corporation's notice of meeting (a) by or at the direction of the Board of Directors or (b) provided that the Board of Directors has determined that directors shall be elected at such meeting, by any shareholder of the Corporation who is a shareholder of record at the time of giving of notice provided for in this Section 1.10 and at the time of the special meeting, who is entitled to vote at the meeting and who complies with the notice procedures set forth in this Section 1.10 as to such nomination. In the event the Corporation calls a special meeting of shareholders for the purpose of electing one or more directors to the Board of Directors, any such shareholder may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting, if the shareholder's notice required by paragraph (A)(2) of this Section 1.10 with respect to any nomination (including the completed and signed questionnaire, representation and agreement required by paragraph (C) of this Section 1.10) shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the 120th day prior to the date of such special meeting and not later than the close of business on the later of the 90th day prior to the date of such special meeting or the 10th day following the day on which public announcement is first made of the date of the special meeting and, if applicable, of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall any adjournment or postponement of a special meeting or the announcement thereof commence a new time period or extend any time period for the giving of a shareholder's notice as described above. This paragraph (B) of this Section 1.10 (and subject to Section 1.2) shall be the exclusive means for a shareholder to make nominations or business proposals (other than matters properly brought pursuant to Rule 14a-8 under the Exchange Act and included in the Corporation's notice of meeting) before a special meeting of shareholders.

(C) *Submission of Questionnaire, Representation and Agreements.* To be eligible to be a nominee for election or reelection as a director of the Corporation, a person must deliver (in accordance with the time periods prescribed for delivery of notice under this Section 1.10 or Section 1.12 of these Bylaws, as applicable) to the Secretary at the principal executive offices of the Corporation a completed and signed written questionnaire with respect to the background and qualification of such person and the background of any other person or entity on whose behalf the nomination is being made (which questionnaire shall be provided by the Secretary upon written request) and a written representation and agreement (in the form provided by the Secretary upon written request) that such person (1) is not and will not become a party to (a) any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how such person, if elected as a director of the Corporation, will act or vote on any issue or question (a "Voting Commitment") that has not been disclosed to the Corporation or (b) any Voting Commitment that could limit or interfere with such person's ability to comply, if elected as a director of the Corporation, with such person's fiduciary duties under applicable law, (2) is not and will not become a party to any agreement, arrangement or understanding with any person or entity other than the Corporation with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service or action as a director that has not been disclosed therein, and (3) in such person's individual capacity and on behalf of any person or entity on whose behalf the nomination is being made, would be in compliance, if elected as a director of the Corporation, and will comply with all applicable law

and with the Corporation's Code of Ethics, corporate governance guidelines, conflict of interest policy, confidentiality policies, stock ownership and trading policies and guidelines, and any other code of conduct, policies and guidelines adopted by the Corporation or any rules, regulations and listing standards, in each case as applicable to other members of the Board of Directors.

(D) *General.*

(1) Only such persons who are nominated in accordance with the procedures set forth in this Section 1.10 or Section 1.12 of these Bylaws, as applicable, shall be eligible to serve as directors and only such business shall be conducted at a meeting of shareholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 1.10. Except as otherwise provided by law, the chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made, or proposed, as the case may be, in accordance with the procedures set forth in this Section 1.10 or Section 1.12 of these Bylaws, as applicable, and, if any proposed nomination or business is not in compliance with this Section 1.10 or Section 1.12 of these Bylaws, as applicable, to declare that such defective proposal or nomination shall be disregarded.

(2) For purposes of this Section 1.10, "public announcement" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act and the rules and regulations promulgated thereunder.

(3) Notwithstanding the foregoing provisions of this Section 1.10 and/or Section 1.12 of these Bylaws, as applicable, a shareholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Section 1.10 and/or Section 1.12 of these Bylaws, as applicable; *provided, however*, that any references in this Section 1.10 and/or Section 1.12 of these Bylaws, as applicable, to the Exchange Act or the rules promulgated thereunder are not intended to and shall not limit the requirements applicable to nominations or proposals as to any other business to be considered pursuant to Section 1.10 (A)(1)(c), Section 1.10 (B) or Section 1.12 of these Bylaws, as applicable. Nothing in this Section 1.10 or in Section 1.12 of these Bylaws, as applicable, shall be deemed to affect any rights of shareholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act or of the holders of any series of preferred stock if and to the extent provided for under law, the Corporation's Certificate of Incorporation or these Bylaws.

SECTION 1.11

(A) *Consents to Corporate Action.* Any action which is required to be or may be taken at any annual or special meeting of shareholders of the Corporation, subject to the provisions of Subsections (B) and (C) of this Section 1.11, may be taken without a meeting, without prior notice and without a vote if consents in writing, setting forth the action so taken,

shall have been signed by the holders of the outstanding stock having not less than the minimum number of votes that would be necessary to authorize or to take such action at a meeting at which all shares entitled to vote thereon were present and voted; *provided, however*, that prompt notice of the taking of the corporate action without a meeting and by less than unanimous written consent shall be given to those shareholders who have not consented in writing.

(B) *Determination of Record Date of Action by Written Consent.* The record date for determining shareholders entitled to consent to corporate action in writing without a meeting shall be fixed by the Board of Directors of the Corporation. Any shareholder of record seeking to have the shareholders authorize or take corporate action by written consent without a meeting shall, by written notice to the Secretary, request the Board of Directors to fix a record date. Upon receipt of such a request, the Secretary shall place such request before the Board of Directors at its next regularly scheduled meeting; *provided, however*, that if the shareholder represents in such request that he or she intends, and is prepared, to commence a consent solicitation as soon as is permitted by the Exchange Act and the regulations thereunder and other applicable law, the Secretary shall as promptly as practicable, call a special meeting of the Board of Directors, which meeting shall be held as promptly as practicable. At such regular or special meeting, the Board of Directors shall fix a record date as provided in Section 213 (or its successor provision) of the DGCL. Should the Board fail to fix a record date as provided for in this Subsection (B), then the record date shall be the day on which the first written consent is expressed.

(C) *Procedures for Written Consent.* In the event of the delivery to the Corporation of a written consent or consents purporting to represent the requisite voting power to authorize or take corporate action and/or related revocations, the Secretary shall provide for the safekeeping of such consents and revocations and shall, as promptly as practicable, engage nationally recognized independent judges of election for the purpose of promptly performing a ministerial review of the validity of the consents and revocations. No action by written consent and without a meeting shall be effective until such judges have completed their review, determined that the requisite number of valid and unrevoked consents has been obtained to authorize or take the action specified in the consents, and certified such determination for entry in the records of the Corporation kept for the purpose of recording the proceedings of meetings of shareholders.

SECTION 1.12 *Inclusion of Shareholder Director Nominations in the Corporation's Proxy Materials.*

(A) Subject to the terms and conditions set forth in these Bylaws, the Corporation shall include in its proxy materials for an annual meeting of shareholders the name, together with the Required Information (defined below), of any person nominated for election (the "Shareholder Nominee") to the Board of Directors by a shareholder or group of shareholders that satisfy the requirements of this Section 1.12 (such person or group, the "Eligible Shareholder"), and that expressly elects at the time of providing the written notice required by this Section 1.12 (a "Proxy Access Notice") to have its nominee included in the Corporation's proxy materials pursuant to this Section 1.12.

(1) For purposes of this Section 1.12 and Section 1.2 of these Bylaws, "Constituent Holder" shall mean any shareholder, beneficial holder or collective

investment fund included within a Qualifying Fund (as defined in paragraph (E) below) whose stock ownership is counted for the purposes of qualifying as holding the Special Meeting Request Required Shares (in Section 1.2) or the Proxy Access Request Required Shares (in this Section 1.12, as defined in paragraph (E) below) or qualifying as an Eligible Shareholder (in this Section 1.12, as defined in paragraph (E) below);

(2) For purposes of this Section 1.12 and Section 1.2 of these Bylaws, “affiliate” and “associate” shall have the meanings ascribed thereto in Rule 405 under the Exchange Act; *provided, however*, that the term “partner” as used in the definition of “associate” shall not include any limited partner that is not involved in the management of the relevant partnership; and

(3) For purposes of this Section 1.12 and Section 1.2 of these Bylaws, a shareholder shall be deemed to “own” only those outstanding shares of Voting Stock as to which the shareholder (or any Constituent Holder) possesses both (a) the full voting and investment rights pertaining to the shares and (b) the full economic interest in (including the opportunity for profit and risk of loss on) such shares. The number of shares calculated in accordance with the foregoing clauses (a) and (b) shall be deemed not to include (and to the extent any of the following arrangements have been entered into by affiliates of the shareholder (or of any Constituent Holder), shall be reduced by) any shares (x) sold by such shareholder (or any of its affiliates) in any transaction that has not been settled or closed, including any short sale, (y) borrowed by such shareholder (or any of its affiliates) for any purposes or purchased by such shareholder (or any of its affiliates) pursuant to an agreement to resell or (z) subject to any option, warrant, forward contract, swap, contract of sale, other derivative or similar agreement entered into by such shareholder (or any of its affiliates), whether any such instrument or agreement is to be settled with shares or with cash based on the notional amount or value of Voting Stock, in any such case which instrument or agreement has, or is intended to have, or if exercised by either party thereto would have, the purpose or effect of (i) reducing in any manner, to any extent or at any time in the future, such shareholder’s (or affiliate’s) full right to vote or direct the voting of any such shares, and/or (ii) hedging, offsetting or altering to any degree gain or loss arising from the full economic ownership of such shares by such shareholder (or affiliate), other than any such arrangements solely involving an exchange listed multi-industry market index fund in which Voting Stock represents at the time of entry into such arrangement less than 10% of the proportionate value of such index. A shareholder shall “own” shares held in the name of a nominee or other intermediary so long as the shareholder retains the right to instruct how the shares are voted with respect to the election of directors and the right to direct the disposition thereof and possesses the full economic interest in the shares. A shareholder’s ownership of shares shall be deemed to continue during any period in which the shareholder has loaned such shares or delegated any voting power over such shares by means of a proxy, power of attorney or other instrument or arrangement which in either case is revocable at any time by the shareholder. The terms “owned,” “owning” and other variations of the word “own” shall have correlative meanings.

(B) For purposes of this Section 1.12, the “Required Information” that the Corporation will include in its proxy statement is (1) the information concerning the Shareholder

Nominee and the Eligible Shareholder that the Corporation determines is required to be disclosed in the Corporation's proxy statement by the regulations promulgated under the Exchange Act and (2) if the Eligible Shareholder so elects, a Statement (defined below). The Corporation shall also include the name of the Shareholder Nominee in its proxy card. For the avoidance of doubt, and any other provision of these Bylaws notwithstanding, the Corporation may in its sole discretion solicit against, and include in the proxy statement its own statements or other information relating to, any Eligible Shareholder and/or Shareholder Nominee, including any information provided to the Corporation with respect to the foregoing.

(C) To be timely, a shareholder's Proxy Access Notice must be delivered to the principal executive offices of the Corporation not earlier than the close of business on the 150th day and not later than the close of business on the 120th day prior to the anniversary of the date that the Corporation first issued its proxy statement for the preceding year's annual meeting. In no event shall any adjournment or postponement of an annual meeting, the date of which has been announced by the Corporation, commence a new time period for the giving of a Proxy Access Notice.

(D) The number of Shareholder Nominees (including Shareholder Nominees that were submitted by an Eligible Shareholder for inclusion in the Corporation's proxy materials pursuant to this Section 1.12 but either are subsequently withdrawn or that the Board of Directors decides to nominate as Board of Directors' nominees) appearing in the Corporation's proxy materials with respect to an annual meeting of shareholders shall be the greater of (x) one and (y) the largest whole number that does not exceed 20% of the number of directors in office as of the last day on which a Proxy Access Notice may be delivered in accordance with the procedures set forth in this Section 1.12 (such greater number, the "Permitted Number"); *provided, however*, that the Permitted Number shall be reduced by:

(1) the number of such director candidates for which the Corporation shall have received one or more valid shareholder notices nominating director candidates pursuant to Section 1.10 (A)(1)(c) of these Bylaws;

(2) the number of directors in office or director candidates that in either case will be included in the Corporation's proxy materials with respect to such annual meeting as an unopposed (by the Corporation) nominee pursuant to any agreement, arrangement or other understanding with any shareholder or group of shareholders (other than any such agreement, arrangement or understanding entered into in connection with an acquisition of Voting Stock, by such shareholder or group of shareholders, from the Corporation), other than any such director referred to in this clause (2) who at the time of such annual meeting will have served as a director continuously, as a nominee of the Board of Directors, for at least two annual terms, but only to the extent the Permitted Number after such reduction with respect to this clause (2) equals or exceeds one; and

(3) the number of directors in office that will be included in the Corporation's proxy materials with respect to such annual meeting for whom access to the Corporation's proxy materials was previously provided pursuant to this Section 1.12, other than any such director referred to in this clause (3) who at the time of such annual

meeting will have served as a director continuously, as a nominee of the Board of Directors, for at least two annual terms;

provided, further, that in the event the Board of Directors resolves to reduce the size of the Board of Directors effective on or prior to the date of the annual meeting, the Permitted Number shall be calculated based on the number of directors in office as so reduced. In the event that the number of Shareholder Nominees submitted by Eligible Shareholders pursuant to this Section 1.12 exceeds the Permitted Number, each Eligible Shareholder will select one Shareholder Nominee for inclusion in the Corporation's proxy materials until the Permitted Number is reached, going in order of the amount (largest to smallest) of shares of Voting Stock each Eligible Shareholder disclosed as owned in its Proxy Access Notice submitted to the Corporation. If the Permitted Number is not reached after each Eligible Shareholder has selected one Shareholder Nominee, this selection process will continue as many times as necessary, following the same order each time, until the Permitted Number is reached.

(E) An "Eligible Shareholder" is one or more shareholders of record who own and have owned, or are acting on behalf of one or more beneficial owners who own and have owned (in each case as defined above), continuously for at least three years as of both the date that the Proxy Access Notice is received by the Corporation pursuant to this Section 1.12, and as of the record date for determining shareholders eligible to vote at the annual meeting, at least 3% of the aggregate voting power of the Voting Stock (the "Proxy Access Request Required Shares"), and who continue to own the Proxy Access Request Required Shares at all times between the date such Proxy Access Notice is received by the Corporation and the date of the applicable annual meeting; *provided* that the aggregate number of shareholders, and, if and to the extent that a shareholder is acting on behalf of one or more beneficial owners, of such beneficial owners, whose stock ownership is counted for the purpose of satisfying the foregoing ownership requirement shall not exceed 20. Two or more collective investment funds that are part of the same family of funds or sponsored by the same employer (a "Qualifying Fund") shall be treated as one shareholder for the purpose of determining the aggregate number of shareholders in this paragraph (E); *provided* that each fund included within a Qualifying Fund otherwise meets the requirements set forth in this Section 1.12. No shares may be attributed to more than one group constituting an Eligible Shareholder under this Section 1.12, and no shareholder may be a member of more than one such group. A record holder acting on behalf of one or more beneficial owners will not be counted separately as a shareholder with respect to the shares owned by beneficial owners on whose behalf such record holder has been directed in writing to act, but each such beneficial owner will be counted separately, subject to the other provisions of this paragraph (E), for purposes of determining the number of shareholders whose holdings may be considered as part of an Eligible Shareholder's holdings. For avoidance of doubt, Proxy Access Request Required Shares will qualify as such only if the beneficial owner of such shares as of the date of the Proxy Access Notice has itself individually beneficially owned such shares continuously for the three-year period ending on that date and through other applicable dates referred to above (in addition to other applicable requirements being met).

(F) No later than the final date when a nomination pursuant to this Section 1.12 may be delivered to the Corporation, an Eligible Shareholder (including each Constituent Holder) must provide the following information in writing to the Secretary of the Corporation:

(1) with respect to each Constituent Holder, the information required by Section 1.10 (A)(2)(a) of these Bylaws;

(2) one or more written statements from the record holder of the shares (and from each intermediary through which the shares are or have been held during the requisite three-year holding period) verifying that, as of a date within seven calendar days prior to the date the Proxy Access Notice is delivered to the Corporation, such person owns, and has owned continuously for the preceding three years, the Proxy Access Request Required Shares, and such person's agreement to provide:

(a) within 10 days after the record date for the annual meeting, written statements from the record holder and intermediaries verifying such person's continuous ownership of the Proxy Access Request Required Shares through the record date, together with any additional information reasonably requested to verify such person's ownership of the Proxy Access Request Required Shares; and

(b) immediate notice if the Eligible Shareholder ceases to own any of the Proxy Access Request Required Shares prior to the date of the applicable annual meeting of shareholders;

(3) a representation that such person:

(a) acquired the Proxy Access Request Required Shares in the ordinary course of business and not with the intent to change or influence control of the Corporation, and does not presently have such intent;

(b) has not nominated and will not nominate for election to the Board of Directors at the annual meeting any person other than the Shareholder Nominee(s) being nominated pursuant to this Section 1.12;

(c) has not engaged and will not engage in, and has not and will not be a "participant" in another person's, "solicitation" within the meaning of Rule 14a-1(l) under the Exchange Act in support of the election of any individual as a director at the annual meeting other than its Shareholder Nominee(s) or a nominee of the Board of Directors;

(d) will not distribute to any shareholder any form of proxy for the annual meeting other than the form distributed by the Corporation; and

(e) will provide facts, statements and other information in all communications with the Corporation and its shareholders that are and will be true and correct in all material respects and do not and will not omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading, and will otherwise comply with all applicable laws, rules and regulations in connection with any actions taken pursuant to this Section 1.12;

(4) in the case of a nomination by a group of shareholders that together is such an Eligible Shareholder, the designation by all group members of one group member that is authorized to act on behalf of all members of the nominating shareholder group with respect to the nomination and matters related thereto, including withdrawal of the nomination; and

(5) an undertaking that such person:

(a) with respect to any shares held or controlled by the Eligible Shareholder, to the extent that cumulative voting would otherwise be permitted, agrees not to cumulate votes in favor of the election of any Shareholder Nominee(s) nominated by such Eligible Shareholder;

(b) agrees to assume all liability stemming from, and indemnify and hold harmless the Corporation and each of its directors, officers, employees, agents and advisors individually from and against any liability, loss or damages in connection with any threatened or pending action, suit or proceeding, whether legal, administrative or investigative, against the Corporation or any of its directors, officers or employees arising out of any legal or regulatory violation arising out of the Eligible Shareholder's (including such person's) communications with the shareholders of the Corporation or out of the information that the Eligible Shareholder (including such person) provided to the Corporation; and

(c) agrees to file with the Securities and Exchange Commission any solicitation by the Eligible Shareholder of shareholders of the Corporation relating to the annual meeting at which the Shareholder Nominee will be nominated.

In addition, no later than the final date on which a Proxy Access Notice may be submitted under this Section 1.12, a Qualifying Fund whose stock ownership is counted for purposes of qualifying as an Eligible Shareholder must provide to the Secretary of the Corporation documentation reasonably satisfactory to the Board of Directors that demonstrates that the funds included within the Qualifying Fund are either part of the same family of funds or sponsored by the same employer. In order to be considered timely, any information required by this Section 1.12 to be provided to the Corporation must be supplemented (by delivery to the Secretary of the Corporation) (1) no later than 10 days following the record date for the applicable annual meeting, to disclose the foregoing information as of such record date, and (2) no later than the fifth day before the annual meeting, to disclose the foregoing information as of the date that is no later than 10 days prior to such annual meeting. For the avoidance of doubt, the requirement to update and supplement such information shall not permit any Eligible Shareholder or other person to change or add any proposed Shareholder Nominee or be deemed to cure any defects or limit the remedies (including without limitation under these Bylaws) available to the Corporation relating to any defect.

(G) The Eligible Shareholder may provide to the Secretary of the Corporation, at the time the information required by this Section 1.12 is originally provided, a written statement for inclusion in the Corporation's proxy statement for the annual meeting, not to exceed 500 words,

in support of the candidacy of such Eligible Shareholder's Shareholder Nominee (the "Statement"). Notwithstanding anything to the contrary contained in this Section 1.12, the Corporation may omit from its proxy materials any information or Statement that it, in good faith, believes is materially false or misleading, omits to state any material fact, or would violate any applicable law or regulation.

(H) No later than the final date when a nomination pursuant to this Section 1.12 may be delivered to the Corporation, each Shareholder Nominee must:

(1) provide an executed agreement, in a form deemed satisfactory by the Board of Directors or its designee (which form shall be provided by the Corporation reasonably promptly upon written request of a shareholder), that such Shareholder Nominee consents to being named in the Corporation's proxy statement and form of proxy card (and will not agree to be named in any other person's proxy statement or form of proxy card) as a nominee and to serving as a director of the Corporation if elected;

(2) complete, sign and submit all questionnaires, representations and agreements required by these Bylaws (including Section 1.10(C) of these Bylaws) or of the Corporation's directors generally; and

(3) provide such additional information as necessary to permit the Board of Directors to determine if such Shareholder Nominee:

(a) is independent under the listing standards of each principal U.S. exchange upon which the common stock of the Corporation is listed, any applicable rules of the Securities and Exchange Commission and any publicly disclosed standards used by the Board of Directors in determining and disclosing the independence of the Corporation's directors;

(b) would not, by serving as a member of the Board of Directors, violate or cause the Corporation to be in violation of these Bylaws, the Corporation's Certificate of Incorporation, the rules and listing standards of the principal U.S. exchange upon which the common stock of the Corporation is traded or any applicable law, rule or regulation;

(c) has any direct or indirect relationship with the Corporation other than those relationships that have been deemed categorically immaterial pursuant to the Corporation's Corporate Governance Guidelines; and

(d) is not and has not been subject to any event specified in Item 401(f) of Regulation S-K (or successor rule) of the Securities and Exchange Commission.

In the event that any information or communications provided by the Eligible Shareholder (or any Constituent Holder) or the Shareholder Nominee to the Corporation or its shareholders ceases to be true and correct in all material respects or omits a material fact necessary to make the statements made, in light of the circumstances under which they were made, not misleading, each Eligible Shareholder or Shareholder Nominee, as the case may be,

shall promptly notify the Secretary of the Corporation of any defect in such previously provided information and of the information that is required to correct any such defect; it being understood for the avoidance of doubt that providing any such notification shall not be deemed to cure any such defect or limit the remedies (including without limitation under these Bylaws) available to the Corporation relating to any such defect.

(I) Any Shareholder Nominee who is included in the Corporation's proxy statement for a particular annual meeting of shareholders, but subsequently is determined not to satisfy the eligibility requirements of this Section 1.12 or any other provision of these Bylaws, the Corporation's Certificate of Incorporation or other applicable regulation any time before the annual meeting of shareholders, will not be eligible for election at such annual meeting of shareholders.

(J) The Corporation shall not be required to include, pursuant to this Section 1.12, a Shareholder Nominee in its proxy materials for any annual meeting of shareholders, or, if the proxy statement already has been filed, to allow the nomination of a Shareholder Nominee, notwithstanding that proxies in respect of such vote may have been received by the Corporation:

(1) who is not independent under the listing standards of the principal U.S. exchange upon which the common stock of the Corporation is listed, any applicable rules of the Securities and Exchange Commission and any publicly disclosed standards used by the Board of Directors in determining and disclosing independence of the Corporation's directors, in each case as determined by the Board of Directors;

(2) whose service as a member of the Board of Directors would violate or cause the Corporation to be in violation of these Bylaws, the Corporation's Certificate of Incorporation, the rules and listing standards of the principal U.S. exchange upon which the common stock of the Corporation is traded or any applicable law, rule or regulation;

(3) if the Eligible Shareholder (or any Constituent Holder) or applicable Shareholder Nominee otherwise breaches or fails to comply in any material respect with its obligations pursuant to this Section 1.12 or any agreement, representation or undertaking required by this Section; or

(4) if the Eligible Shareholder ceases to be an Eligible Shareholder for any reason, including but not limited to not owning the Proxy Access Request Required Shares through the date of the applicable annual meeting.

For the purposes of this paragraph (J), clauses (1) and (2) and, to the extent related to a breach or failure by the Shareholder Nominee, clause (3) will result in the exclusion from the proxy materials pursuant to this Section 1.12 of the specific Shareholder Nominee to whom the ineligibility applies, or, if the proxy statement already has been filed, the ineligibility of such Shareholder Nominee to be nominated; *provided, however*, clause (4) and, to the extent related to a breach or failure by an Eligible Shareholder (or any Constituent Holder), clause (3), will result in the Voting Stock owned by such Eligible Shareholder (or Constituent Holder) being excluded from the Proxy Access Request Required Shares (and, if as a result the Proxy Access Notice shall no longer have been filed by an Eligible Shareholder, the exclusion from the proxy

materials pursuant to this Section 1.12 of all of the applicable shareholder's Shareholder Nominees from the applicable annual meeting of shareholders or, if the proxy statement has already been filed, the ineligibility of all of such shareholder's Shareholder Nominees to be nominated).

SECTION 2 – Board of Directors

SECTION 2.1 *Number and Term of Office.*

The number of directors shall be not less than 10 nor more than 19; provided, that such number may be increased to the extent necessary to comply with Section 2.18(F) of these Bylaws. The exact number, within those limits, shall be determined from time to time by the Board of Directors. Each director shall be elected annually to serve until the annual meeting of shareholders held in the following fiscal year and shall hold office until a successor is elected and qualified or until his or her earlier death, resignation or removal.

SECTION 2.2 *Election.*

A nominee for director shall be elected to the Board of Directors if the votes cast "for" such nominee's election exceed 50% of the votes cast with respect to such nominee's election at a meeting for the election of directors at which a quorum is present. Votes cast shall include "against" votes, but shall exclude abstentions with respect to that nominee's election or with respect to the election of directors in general.

Notwithstanding the foregoing, in the event of a contested election of directors, directors shall be elected by a plurality of the votes cast at any meeting for the election of directors at which a quorum is present. For purposes of this Section 2.2, a contested election shall mean any election of directors in which the number of candidates for election as directors exceeds the number of directors to be elected, with the determination thereof being made by the Secretary (a) as of the close of the applicable notice of nomination period(s) set forth in Section 1.12 and Section 1.10 of these Bylaws based on whether one or more notice(s) of nomination were timely filed in accordance with said Section 1.12 and/or Section 1.10 or (b) if later, reasonably promptly following the determination by any court or other tribunal of competent jurisdiction that one or more notice(s) of nomination were timely filed in accordance with said Section 1.12 and/or Section 1.10; *provided*, that the determination that an election is a "contested election" by the Secretary pursuant to clause (a) or (b) shall be determinative only as to the timeliness of a notice of nomination and not otherwise as to its validity. If, prior to the tenth day before the Corporation first mails its notice of meeting for such meeting to the shareholders, one or more notices of nomination are withdrawn (or declared invalid or untimely by any court or other tribunal of competent jurisdiction) such that the number of candidates for election as director no longer exceeds the number of directors to be elected, the election shall not be considered a contested election, but in all other cases, once an election is determined to be a contested election, directors shall be elected by the vote of a plurality of the votes cast.

SECTION 2.3 *Organizational Meetings*

As promptly as practicable after each annual meeting of shareholders, and more frequently if the Board of Directors determines, the Board of Directors shall hold an organizational meeting for the purpose of organization and the transaction of other business.

SECTION 2.4 *Stated Meetings.*

The Board of Directors may provide for stated meetings of the Board.

SECTION 2.5 *Special Meetings.*

Special meetings of the Board of Directors may be called from time to time by any four directors, by the Chairman, the Lead Director (if applicable), or by the Chief Executive Officer.

SECTION 2.6 *Business of Meetings.*

Except as otherwise expressly provided in these Bylaws, any and all business may be transacted at any meeting of the Board of Directors; *provided*, that if so stated in the notice of meeting, the business transacted at a special meeting shall be limited to the purpose or purposes specified in the notice.

SECTION 2.7 *Time and Place of Meetings.*

Subject to the provisions of Section 2.3, each meeting of the Board of Directors shall be held on such date, at such hour and in such place as fixed by the Board or in the notice or waivers of notice of the meeting or, in the case of an adjourned meeting, as announced at the meeting at which the adjournment is taken.

SECTION 2.8 *Notice of Meetings.*

No notice need be given of any organizational or stated meeting of the Board of Directors for which the Board has fixed the date, hour and place. Notice of the date, hour and place of all other organizational and stated meetings, and of all special meetings, shall be given to each director personally, by telephone, by mail or by electronic transmission. If given by mail, the notice shall be sent to the director at his or her residence or usual place of business as the same appears on the books of the Corporation not later than four days before the meeting. If given by electronic transmission, the notice shall be sent to the director not later than at any time during the day before the meeting. If given personally or by telephone, the notice shall be given not later than at any time during the day before the meeting.

SECTION 2.9 *Waiver of Notice.*

Anything herein to the contrary notwithstanding, notice of any meeting of the Board of Directors need not be given to any director who shall have waived in writing notice of the meeting, either before or after the meeting, or who shall attend such meeting, unless such director attends for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.

SECTION 2.10 *Attendance by Telephone or Other Means of Communication.*

Directors may participate in meetings of the Board of Directors by means of conference telephone or other communications equipment by means of which all directors participating in the meeting can hear one another, and such participation shall constitute presence in person at the meeting.

SECTION 2.11 *Quorum and Manner of Acting.*

(A) One-third of the total number of directors at the time provided for pursuant to Section 2.1 shall constitute a quorum for the transaction of business at any meeting of the Board of Directors and, except as otherwise provided in these Bylaws, in the Corporation's Certificate of Incorporation or by statute, the act of a majority of the directors present at any meeting at which a quorum is present shall be the act of the Board of Directors. A majority of the directors present at any meeting, regardless of whether or not they constitute a quorum, may adjourn the meeting to another time or place. Any business which might have been transacted at the original meeting may be transacted at any adjourned meeting at which a quorum is present.

(B) Notwithstanding anything to the contrary in these Bylaws, until the later of March 31, 2022 and [insert second anniversary of the Closing Date] (such later date, the "Specified Date"), unless the then serving directors shall have adopted a resolution to the contrary in accordance with Section 2.11(E) of these Bylaws:

(1) the Board of Directors shall be composed of (i) six RTN Continuing Independent Directors (as defined in Section 2.18(H) below), (ii) seven UTC Continuing Independent Directors (as defined in Section 2.18(H) below), (iii) until the Succession Date (as defined in Section 2.18(A) below), the executive Chairman of the Board and (iv) the Chief Executive Officer, and any vacancy on the Board of Directors will be filled as provided in Section 2.18(F) of these Bylaws;

(2) the Board shall not fail to nominate the Former RTN CEO (as defined in Section 2.18(A) below) for election as a director of the Corporation;

(3) the Lead Director shall be selected as provided in Section 2.18(G) of these Bylaws;

(4) the Board shall have five standing committees as set forth in Section 2.18(I) of these Bylaws, and the chairs and composition of such standing committees shall be as provided in Section 2.18(I) of these Bylaws;

(5) the headquarters of the Corporation shall be located in the Greater Boston Metropolitan Area; and

(6) the name of the Corporation shall be Raytheon Technologies Corporation.

Notwithstanding anything to the contrary in these Bylaws, until the later of the Specified Date and the one-year anniversary of the Succession Date (as defined in Section 2.18(A) below), unless the then serving directors shall have adopted a resolution to the contrary in accordance

with Section 2.11(E) of these Bylaws, the Board shall not fail to nominate the Pre-Closing CEO (as defined in Section 2.18(A) below) for election as a director of the Corporation.

(C) Notwithstanding anything to the contrary in these Bylaws, unless the then serving independent directors shall have adopted a resolution to the contrary in accordance with Section 2.11(E) of these Bylaws, (1) prior to the Succession Date (as defined in Section 2.18(A) below), the executive Chairman of the Board shall have the roles and responsibilities set forth in Section 2.18(B) of these Bylaws, and (2) prior to the Specified Date, the Chief Executive Officer of the Corporation shall have the roles and responsibilities set forth in Section 2.18(C) of these Bylaws.

(D) Notwithstanding anything to the contrary in these Bylaws, the affirmative written approval of then serving directors adopted in accordance with Section 2.11(E) of these Bylaws shall be required to bring before any meeting of the Board of Directors (whether organizational, stated, special or otherwise) any of the following items of business to be transacted at such meeting (or to present such items for business to be transacted pursuant to action by written consent of the Board of Directors), or to validly include any such item as an item of business in any notice of any such meeting: (1) until the Specified Date, any (A) removal, or other action that would result in any failure to appoint or re-elect, the Former RTN CEO as executive Chairman of the Board of Directors, or (B) approval or authorization of any unilateral termination by the Corporation of his employment agreement; (2) until the later of the Specified Date and the one-year anniversary of the Succession Date (as defined in Section 2.18(A) below), any (A) removal, or other action that would result in any failure to appoint or re-elect, the Pre-Closing CEO as Chief Executive Officer or, from and after the Succession Date, as Chairman of the Board, or (B) approval or authorization of any unilateral termination by the Corporation of his employment agreement; and (3) any amendment, repeal or adoption of any provision of these Bylaws.

(E) Any resolution of the type specified in Sections 2.11(B) and (C) of these Bylaws, and any approval of the type specified in Section 2.11(D) of these Bylaws, must be adopted or approved, respectively, by directors representing at least 75% of the then serving directors or the then serving independent directors, as applicable.

(F) In the event of any inconsistency between the provisions of this Section 2.11, on the one hand, and any other provision of these Bylaws, on the other hand, the provisions of this Section 2.11 shall control.

SECTION 2.12 *Action Without a Meeting.*

Any action which could be taken at a meeting of the Board of Directors may be taken without a meeting if all of the directors consent to the action in writing or by electronic transmission and the writing or writings or electronic transmission or transmissions are filed with the minutes of the Board. Such filings shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

SECTION 2.13 *Compensation of Directors.*

Each director of the Corporation who is not a salaried officer or employee of the Corporation, or of a subsidiary of the Corporation, may receive compensation for serving as a

director and for serving as a member of any Committee of the Board, and may also receive fees for attendance at any meetings of the Board or any Committee of the Board, and the Board may from time to time fix the amount and method of payment of such compensation and fees; *provided*, that no director of the Corporation shall receive any bonus or share in the earnings or profits of the Corporation or any subsidiary of the Corporation except pursuant to a plan approved by the shareholders at a meeting called for the purpose. The Board may also, by vote of a majority of disinterested directors, provide for and pay fair compensation to directors rendering services to the Corporation not ordinarily rendered by directors as such.

SECTION 2.14 *Resignation of Directors.*

Any director may resign at any time upon written notice to the Corporation. The resignation shall become effective at the time specified in the notice and, unless otherwise provided in the notice, acceptance of the resignation shall not be necessary to make it effective.

SECTION 2.15 *Removal of Directors.*

Any director may be removed, either for or without cause, at any time, by the affirmative vote of the holders of record of a majority of the outstanding shares of stock entitled to vote at a meeting of the shareholders called for the purpose, and the vacancy on the Board caused by any such removal may be filled by the shareholders at such meeting or at any subsequent meeting; *provided*, that no director elected by a class vote of less than all the outstanding shares of the Corporation may, so long as the right to such a class vote continues in effect, be removed pursuant to this Section 2.15, except for cause and by the affirmative vote of the holders of record of a majority of the outstanding shares of such class at a meeting called for the purpose, and the vacancy in the Board caused by the removal of any such director may, so long as the right to such class vote continues in effect, be filled by the holders of the outstanding shares of such class at such meeting or at any subsequent meeting.

SECTION 2.16 *Filling of Vacancies Not Caused by Removal.*

Subject to Section 2.18(F) of these Bylaws, vacancies and newly created directorships resulting from an increase in the authorized number of directors may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director; *provided*, that if the vacancy to be filled would, at an election of the whole Board of Directors, be filled by a class vote of less than all of the outstanding shares of the Corporation, and if any of the directors remaining in office were elected by the same class, such majority vote of the directors shall be effective only if it is concurred in by a majority of the remaining directors elected by such class or by a sole remaining director elected by such class. If for any reason there shall be no directors in office, any officer, any shareholder or any executor, administrator, trustee or guardian of a shareholder, or other fiduciary with like responsibility for the person or estate of a shareholder, may call a special meeting of shareholders in accordance with the provisions of these Bylaws for the purpose of electing directors.

SECTION 2.17 *Chairman of the Board.*

Subject to Section 2.18(B) of these Bylaws, the Board of Directors shall annually elect one of its members to be Chairman of the Board (the "Chairman") and shall fill any vacancy in

the position at such time and in such manner as the Board of Directors shall determine. The Chairman shall preside, when present, at each meeting of shareholders and at all meetings of the Board of Directors, and shall have such other powers and duties as are described in Section 2.18(B) of these Bylaws or as otherwise may from time to time be committed to him or her by the Board of Directors. The Board of Directors may designate the Chairman as an executive or non-executive Chairman.

SECTION 2.18 *Executive Chairman and CEO Positions; Succession; Board Composition.*

(A) The Board of Directors has, as of *[insert Closing Date]*, elected (1) the Chairman and Chief Executive Officer of Raytheon Company as of immediately prior to *[insert Closing Date]* (the "Former RTN CEO") as a member of the Board of Directors and to serve as executive Chairman of the Board of Directors, and (2) the Chairman and Chief Executive Officer of the Corporation as of immediately prior to *[insert Closing Date]* (the "Pre-Closing CEO") as a member of the Board of Directors and to serve as Chief Executive Officer of the Corporation. The foregoing appointments shall continue until the Specified Date or any such earlier date as of which the Former RTN CEO ceases for any reason in accordance with these Bylaws to serve in the position of executive Chairman (the "Succession Date"), as of which time the Board of Directors shall elect the Pre-Closing CEO to serve as Chairman of the Board of Directors (upon which such election the Pre-Closing CEO shall continue to serve as Chief Executive Officer). Until the Succession Date (in the case of the Former RTN CEO) or the later of the Specified Date and the one-year anniversary of the Succession Date (in the case of the Pre-Closing CEO), at each annual meeting of shareholders the Board of Directors shall nominate the Former RTN CEO and the Pre-Closing CEO for election to the Board of Directors at such annual meeting.

(B) Until the Succession Date, the executive Chairman of the Board shall (1) have responsibility for chairing the Board of Directors in accordance with these Bylaws, (2) serve as an executive officer of the Corporation and report directly to the Board of Directors and (3) have all such powers and perform all such duties as may be assigned by the Board of Directors from time to time consistent with this Section 2.18 and his employment agreement.

(C) Until the Succession Date, the Chief Executive Officer shall (1) report directly to the Board of Directors and (2) have all such powers and perform all such duties as are customarily had and performed by the Chief Executive Officer and/or as may be assigned by the Board of Directors from time to time consistent with this Section 2.18 and his employment agreement.

(D) Prior to the Specified Date the replacement of the Pre-Closing CEO as the Chief Executive Officer upon his ceasing for any reason in accordance with these Bylaws to serve in the position of Chief Executive Officer shall be determined by the Independent Directors on the Board of Directors, including at least two UTC Continuing Independent Directors and at least two RTN Continuing Independent Directors.

(E) Any RTN Continuing Independent Director or UTC Continuing Independent Director who is then serving as a member of the Board of Directors and whose term is expiring at an annual meeting of shareholders held on a date that is prior to the Specified Date shall be nominated by the Committee on Governance and Public Policy of the Board of Directors (or its

successor committee) for election to the Board of Directors at such annual meeting, (1) so long as such RTN Continuing Independent Director or UTC Continuing Independent Director qualifies as an Independent Director and (2) unless such RTN Continuing Independent Director or UTC Continuing Independent Director, as applicable, notifies the Board of Directors of his or her desire not to be so nominated. Until the Specified Date, in the event that any RTN Continuing Independent Director or UTC Continuing Independent Director is not nominated for election to the Board of Directors by the Committee on Governance and Public Policy of the Board of Directors (or its successor committee) or the Board of Directors in accordance with the immediately preceding clauses (1) or (2), the nominee to serve as the successor to such RTN Continuing Independent Director or UTC Continuing Independent Director, as applicable, shall be determined in accordance with paragraph (F) of this Section 2.18.

(F) Until the Specified Date, all vacancies on the Board of Directors created by the cessation of service of a RTN Continuing Independent Director or UTC Continuing Independent Director or any increase in the number of directors comprising the whole Board of Directors pursuant to the last sentence of this paragraph (F) of this Section 2.18 shall be filled by an individual proposed for nomination to the Committee on Governance and Public Policy of the Board of Directors (or its successor committee) by a majority of the remaining RTN Continuing Directors or UTC Continuing Directors, as applicable, *provided*, in each case, that such individual qualifies as an Independent Director. Until the Specified Date, in the event that any such proposed individual is not nominated for election to the Board of Directors by the Committee on Governance and Public Policy of the Board of Directors (or its successor committee) or the Board of Directors in accordance with the immediately preceding proviso, a majority of the remaining RTN Continuing Directors or UTC Continuing Directors, as applicable, shall propose another individual (and this process shall be repeated) until such an individual proposed by a majority of the remaining RTN Continuing Directors or UTC Continuing Directors, respectively, is duly nominated to serve as a member of the Board of Directors by the Committee on Governance and Public Policy of the Board of Directors (or its successor committee) in accordance with this paragraph (F) of this Section 2.18. Until the Specified Date, if any RTN Continuing Independent Director or UTC Continuing Independent Director is removed from the Board of Directors (and the resulting vacancy is filled) by the shareholders pursuant to Section 2.15 of these Bylaws, or any nominee for election to the Board of Directors pursuant to paragraph (E) or this paragraph (F) of this Section 2.18 is not elected to the Board of Directors (and his or her successor (who would not constitute a RTN Continuing Independent Director or UTC Continuing Independent Director, as applicable) is elected and qualified) in a contested election of directors, then the number of directors composing the whole Board of Directors shall be increased to account for the removal of such RTN Continuing Independent Director or UTC Continuing Independent Director, or the failure of such nominee to be elected, as the case may be, and the resulting vacancy shall be filled in accordance with this paragraph (F) of this Section 2.18.

(G) The Independent Directors on the Board of Directors shall designate from among themselves a director to serve as Lead Director. Until the Specified Date, the Lead Director shall be selected from among the RTN Continuing Independent Directors.

SECTION 3 – Committees of the Board of Directors

SECTION 3.1 *Committees.*

By resolution adopted by an affirmative vote of the majority of the whole Board of Directors, the Board may from time to time appoint such Committees of the Board, consisting of one or more directors and, if deemed desirable, one or more directors who shall act as alternate members and who may replace any absentee or disqualified member at any meeting of the Committee, and may delegate to each such Committee any of the powers and authority of the

Board in the management of the business and affairs of the Corporation not reserved to the Board pursuant to Section 3.2. Each such Committee shall keep a record of its acts and proceedings.

SECTION 3.2 *Powers Reserved to the Board.*

No Committee of the Board shall take any action to amend the Corporation's Certificate of Incorporation or these Bylaws, adopt any agreement to merge or consolidate the Corporation, declare any dividend or recommend to the shareholders a sale, lease or exchange of all or substantially all of the assets and property of the Corporation, a dissolution of the Corporation or a revocation of a dissolution of the Corporation. No Committee of the Board shall take any action which is required in these Bylaws, in the Corporation's Certificate of Incorporation or by statute to be taken by a vote of a specified proportion of the whole Board of Directors.

SECTION 3.3 *Election of Committee Members; Vacancies.*

So far as practicable, members of the Committees of the Board and their alternates (if any) shall be appointed at each organizational meeting of the Board of Directors and, unless sooner discharged by an affirmative vote of the majority of the whole Board, shall hold office until the next organizational meeting of the Board and until their respective successors are appointed. In the absence or disqualification of any member of a Committee of the Board, the member or members (including alternates) present at any meeting of the Committee and not disqualified from voting, whether or not he, she or they constitute a quorum, may unanimously appoint another director to act at the meeting in place of any absent or disqualified member. Vacancies in Committees of the Board created by death, resignation or removal may be filled by an affirmative vote of a majority of the whole Board of Directors.

SECTION 3.4 *Meetings.*

Each Committee of the Board may provide for stated meetings of such Committee. Special meetings of each Committee may be called by any two members of the Committee (or, if there is only one member, by that member in concert with the Chairman, except if that member is the Chairman then by the Chairman) or by the Chairman of the Board of Directors and/or the Chief Executive Officer of the Corporation. The provisions of Section 2 regarding the business, time and place, notice and waivers of notice of meetings, attendance at meetings and action without a meeting shall apply to each Committee of the Board, except that the references in such provisions to the directors and the Board of Directors shall be deemed, respectively, to be references to the members of the Committee and to the Committee.

SECTION 3.5 *Quorum and Manner of Acting.*

A majority of the members of any Committee of the Board shall constitute a quorum for the transaction of business at meetings of the Committee, and the act of a majority of the members present at any meeting at which a quorum is present shall be the act of the Committee. A majority of the members present at any meeting, regardless of whether or not they constitute a quorum, may adjourn the meeting to another time or place. Any business which might have been transacted at the original meeting may be transacted at any adjourned meeting at which a quorum is present.

SECTION 4 – Officers

SECTION 4.1 *Election and Appointment.*

The elected officers of the Corporation shall consist of a Chief Executive Officer, a President, one or more Vice Presidents, including a Chief Financial Officer and a General Counsel, a Controller, a Treasurer, a Secretary and such other elected officers as may from time to time be elected by the Board of Directors (including, without limitation, prior to the Succession Date, an executive Chairman). The Board may also appoint, or provide for the appointment of, such other officers and agents as may from time to time appear necessary or advisable in the conduct of the affairs of the Corporation. The same person may hold more than one office.

SECTION 4.2 *Duties of the Chief Executive Officer.*

Under the general supervision of the Board, the Chief Executive Officer of the Corporation shall, in the absence of the Chairman, preside at all meetings of shareholders and, except to the extent otherwise provided in these Bylaws or by the Board, shall have general authority to execute any and all documents in the name of the Corporation and general and active supervision and control of all of the business and affairs of the Corporation. In the absence of the Chief Executive Officer, his or her duties shall be performed and his or her powers may be exercised by such other officer as shall be designated either by the Chief Executive Officer in writing or (failing such designation) by the Board of Directors.

SECTION 4.3 *Duties of Other Officers.*

The other officers of the Corporation shall have such powers and duties not inconsistent with these Bylaws as may from time to time be conferred upon them in or pursuant to resolutions of the Board of Directors, and shall have such additional powers and duties not inconsistent with such resolutions as may from time to time be assigned to them by any competent superior officer. The Board shall assign to one or more of the officers of the Corporation the duty to record the proceedings of the meetings of the shareholders and the Board of Directors in a book to be kept for that purpose.

SECTION 4.4 *Term of Office and Vacancy.*

So far as practicable, the elected officers shall be elected at each organizational meeting of the Board, and shall hold office until the next organizational meeting of the Board and until their respective successors are elected and qualified. If a vacancy shall occur in any elected office, the Board of Directors may elect a successor for the remainder of the term. Appointed officers shall hold office at the pleasure of the Board or of the officer or officers authorized by the Board to make such appointments. Any officer may resign by written notice to the Corporation.

SECTION 4.5 *Removal of Elected Officers.*

Elected officers may be removed at any time, either for or without cause, by the affirmative vote of a majority of the whole Board of Directors at a meeting called for that purpose.

SECTION 4.6 *Compensation of Elected Officers.*

The compensation of all elected officers of the Corporation shall be fixed from time to time by the Board of Directors; *provided*, that no elected officer of the Corporation shall receive any bonus or share in the earnings or profits of the Corporation or any subsidiary of the Corporation except pursuant to a plan approved by the shareholders at a meeting called for the purpose.

SECTION 5 – Shares and Transfer of Shares

SECTION 5.1 *Certificates.*

The shares of the Corporation shall be represented by certificates or, if and to the extent the Board of Directors determines, shall be uncertificated shares. Notwithstanding any such determination by the Board of Directors, every shareholder shall be entitled to a certificate signed by the Chairman or the President or a Vice President and by the Treasurer or an Assistant Treasurer or the Secretary or an Assistant Secretary, certifying the class and number of shares owned by such shareholder in the Corporation; *provided*, that, where such certificate is countersigned by a Transfer Agent or a Registrar, the signature of any such Chairman, President, Vice President, Treasurer, Assistant Treasurer, Secretary or Assistant Secretary may be a facsimile. In case any officer or officers who shall have signed or whose facsimile signature or signatures shall have been used on any such certificate or certificates shall cease to be such officer or officers, whether because of death, resignation or otherwise, before such certificate or certificates shall have been issued by the Corporation, such certificate or certificates may be issued by the Corporation with the same effect as if such person or persons continued to serve such officer or officers at the date of issue.

SECTION 5.2 *Transfer Agents and Registrars.*

The Board of Directors may, in its discretion, appoint one or more responsible banks or trust companies in the City of New York or in such other city or cities (if any) as the Board may deem advisable, from time to time, to act as Transfer Agents and Registrars of shares of the Corporation; and, when such appointments shall have been made, no certificate for shares of the Corporation shall be valid until countersigned by one of such Transfer Agents and registered by one of such Registrars.

SECTION 5.3 *Transfers of Shares.*

Shares of the Corporation may be transferred upon authorization by the record holder thereof, or by an attorney thereunto authorized by power of attorney duly executed and filed with the Secretary or with a Transfer Agent and Registrar, and by the delivery of the certificates therefor, *provided* such shares are represented by certificates, accompanied either by an

assignment in writing on the back of the certificates or by written power of attorney to sell, assign or transfer the same, signed by the record holder thereof, but no transfer shall affect the right of the Corporation to pay any dividend upon the shares to the holder of record thereof, or to treat the holder of record as the holder in fact thereof for all purposes; and no transfer shall be valid, except between the parties thereto, until such transfer shall have been made upon the books of the Corporation.

SECTION 5.4 *Lost Certificates.*

In case any certificate for shares of the Corporation shall be lost, stolen or destroyed, the Board of Directors, in its discretion, or any Transfer Agent thereunto duly authorized by the Board, may authorize the issuance of a substitute certificate in place of the certificate so lost, stolen or destroyed, and may cause such substitute certificate to be countersigned by the appropriate Transfer Agent (if any) and registered by the appropriate Registrar (if any); *provided*, that in each such case, the applicant for a substitute certificate shall furnish to the Corporation and to such of its Transfer Agents and Registrars as may require same, evidence to their satisfaction, in their discretion, of the loss, theft or destruction of such certificate and of the ownership thereof, and such security or indemnity as may be required by them.

SECTION 5.5 *Record Dates.*

In order that the Corporation may determine the shareholders entitled to notice of or to vote at any meeting of shareholders, or any adjournment thereof, or to consent to action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of shares or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date which shall be not more than 60 nor less than 10 days before the date of any meeting of shareholders, and not more than 60 days prior to any other action. In such case, those shareholders, and only those shareholders, who are shareholders of record on the date fixed by the Board of Directors shall, notwithstanding any subsequent transfer of shares on the books of the Corporation, be entitled to notice of and to vote at such meeting of shareholders, or any adjournment thereof, or to consent to such corporate action in writing without a meeting, or be entitled to receive payment of such dividend or other distribution or allotment of rights, or be entitled to exercise rights in respect of any such change, conversion or exchange of shares or to participate in any such other lawful action.

SECTION 6 – Miscellaneous

SECTION 6.2 *Surety Bonds.*

The Chief Financial Officer, the Controller, the Treasurer, each Assistant Treasurer, and such other officers and agents of the Corporation as the Board of Directors may from time to time direct shall be bonded at the expense of the Corporation for the faithful performance of their

duties in such amounts and by such surety companies as the Board may from time to time determine.

SECTION 6.3 *Signature of Negotiable Instruments.*

All bills, notes, checks or other instruments for the payment of money shall be signed or countersigned in such manner as from time to time may be prescribed by resolution of the Board of Directors.

SECTION 6.4 *Independent Accountants.*

At each annual meeting, the shareholders shall appoint an independent public accountant or firm of independent public accountants to act as the Independent Accountants of the Corporation until the next annual meeting. Among other duties, it shall be the duty of the Independent Accountants so appointed to make periodic audits of the books and accounts of the Corporation. As soon as reasonably practicable after the close of the fiscal year, the shareholders shall be furnished with consolidated financial statements of the Corporation and its consolidated subsidiaries, as at the end of such fiscal year, duly certified by such Independent Accountants, subject to such notes or comments as the Independent Accountants shall deem necessary or desirable for the information of the shareholders. In case the shareholders shall at any time fail to appoint Independent Accountants or in case the Independent Accountants appointed by the shareholders shall decline to act or shall resign or otherwise become incapable of acting, the Board of Directors shall appoint Independent Accountants to discharge the duties provided for herein. Any Independent Accountants appointed pursuant to any of the provisions hereof shall be directly responsible to the shareholders, and the fees and expenses of any such Independent Accountants shall be paid by the Corporation.

SECTION 6.5 *Indemnification of Officers, Directors, Employees and Fiduciaries; Insurance.*

(A) The Corporation shall indemnify and hold harmless, in accordance with and to the full extent permitted by the laws of the State of Delaware as in effect at the time of the adoption of this Section 6.5 or as such laws may be amended from time to time (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), any person (and the heirs and legal representatives of any such person) made or threatened to be made a party to (or, in the case of directors and officers, otherwise involved in), any threatened, pending, or completed action, suit, arbitration, alternative dispute resolution procedure, legislative hearing or inquiry or proceeding, whether civil, criminal, administrative, or investigative (hereinafter a "proceeding"), by reason of the fact that such person is or was a director, officer or employee of the Corporation, of any constituent corporation absorbed in a consolidation or merger or of a Subsidiary of the Corporation, or serves or served as such or in a fiduciary capacity with another enterprise at the request of the Corporation, any such constituent corporation or a Subsidiary, whether the basis of such proceeding is an alleged action in an official capacity as a director, officer or employee or in any other capacity while serving as a director, officer or employee, against all expenses, liabilities and losses (including, without limitation, attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid

or to be paid in settlement) reasonably incurred or suffered by any such person in connection with such proceeding.

(B) In furtherance of the foregoing indemnification provisions and not in limitation thereof, the Corporation shall pay or reimburse all expenses (including attorneys' fees) reasonably incurred by any person who is or was a director or officer of the Corporation, any such constituent corporation or any Subsidiary and any such person who serves or served as such or in a fiduciary capacity at the request of one of the foregoing entities with another enterprise in advance of the final disposition of any such proceeding, promptly upon receipt by the Corporation of an undertaking of such person to repay such expenses if it shall ultimately be determined by final judicial decision from which there is no further right of appeal that such person is not entitled to be indemnified by the Corporation. Subject to the approval of either (i) the Chief Executive Officer or (ii) the General Counsel and the Chief Financial Officer acting together and upon such terms and conditions as the approving officer or officers deem appropriate, the Corporation may provide independent legal counsel or pay or reimburse the expenses (including attorneys' fees) reasonably incurred by any person who is or was an employee of the Corporation, any constituent corporation or any Subsidiary and any such person who serves or served as such or in a fiduciary capacity at the request of one of the foregoing entities with another enterprise in advance of the final disposition of any such proceeding, promptly upon receipt by the Corporation of an undertaking of such person to repay such expenses if it shall ultimately be determined by final judicial decision from which there is no further right of appeal that such person is not entitled to be indemnified by the Corporation.

(C) The rights provided by this Section 6.5 to any person who serves or served as a director or officer of the Corporation, a constituent corporation or a Subsidiary or as such or in a fiduciary capacity with another enterprise at the request of one of the foregoing entities shall be rights of contract enforceable against the Corporation by such person, who shall be presumed to have relied upon such rights in determining to serve or continuing to serve in such capacity, and shall vest at the time such person begins serving in such capacity. In addition, the rights provided to any such person by this Section 6.5 shall survive the termination of such person's service in any such capacity. Such rights shall continue as long as such person shall be subject to any possible proceeding. No amendment of this Section 6.5 shall impair the rights of any such person arising at any time with respect to events occurring prior to such amendment.

(D) Notwithstanding anything contained in this Section 6.5, except for proceedings to enforce rights provided in this Section 6.5, the Corporation shall not be obligated under this Section 6.5 to provide any indemnification or any payment or reimbursement of expenses to any director, officer, employee or other person in connection with a proceeding (or part thereof) initiated by such person (which shall not include counterclaims or cross-claims initiated by others) unless the Board of Directors has authorized or consented to such proceeding (or part thereof) in a resolution adopted by the Board.

(E) For purposes of this Section 6.5, the term "Subsidiary" shall mean any corporation, partnership, limited liability company or other entity in which the Corporation owns, directly or indirectly, a majority of the economic or voting ownership interest or voting power to elect a majority of the directors of such entity; the term "other enterprise" shall include any corporation, partnership, limited liability company, joint venture, trust, association or other

unincorporated organization or other entity and any employee benefit plan; service “at the request of the Corporation” shall include service as a director, officer, employee or fiduciary of the Corporation, a constituent corporation or a Subsidiary which imposes duties on, or involves services by, such person with respect to an employee benefit plan, its participants or beneficiaries; any excise taxes assessed on a person with respect to an employee benefit plan shall be deemed to be indemnifiable expenses; and action by a person with respect to an employee benefit plan which such person reasonably believes to be in the interest of the participants and beneficiaries of such plan shall be deemed to be action not opposed to the best interests of the Corporation.

(F) Nothing in this Section 6.5 shall limit the power of the Corporation or the Board of Directors to provide rights of indemnification and to make payment and reimbursement of expenses, including attorneys’ fees, to directors, officers, employees, agents, fiduciaries and other persons otherwise than pursuant to this Section 6.5. The rights to indemnification and to receive payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Section 6.5 shall not be exclusive of any other rights which any person may have or hereafter acquire under any statute, provision of the Corporation’s Certificate of Incorporation, these Bylaws, agreement or otherwise.

(G) If any provision or provisions of this Section 6.5 shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (1) the validity, legality and enforceability of the remaining provisions of this Section 6.5 (including, without limitation, each portion of any paragraph of this Section 6.5 containing any such provision held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby; and (2) to the fullest extent possible, the provisions of this Section 6.5 (including, without limitation, each such portion of any paragraph of this Section 6.5 containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable.

(H) Subject to the approval of either (i) the Chief Executive Officer or (ii) the General Counsel and the Chief Financial Officer acting together and upon such terms and conditions as the approving officer or officers deem appropriate, the Corporation may provide to any person who is or was an agent or fiduciary of the Corporation, a constituent corporation, a Subsidiary or an employee benefit plan of one of such entities rights of indemnification and to receive payment or reimbursement of expenses (including in advance of the final disposition of any proceeding), including attorneys’ fees, to the fullest extent of the provisions of this Section 6.5 with respect to the indemnification of and payment or reimbursement of expenses of directors and officers of the Corporation, constituent corporations, Subsidiaries or other enterprises. Any such rights, if provided, shall have the same force and effect as they would have if they were conferred in this Section 6.5.

(I) Subject to the approval of either the Chief Financial Officer or the Vice President, Treasurer, the Corporation may purchase and maintain insurance in such amounts as the Board of Directors deems appropriate to protect each of itself and any person who is or was a director, officer, employee, agent or fiduciary of the Corporation, a constituent corporation, or a Subsidiary or is or was serving at the request of one of such entities as a director, officer, employee, agent or fiduciary of another corporation, partnership, joint venture, trust or other

enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation shall have the power to indemnify such person against such liability under the provisions of this Section 6.5 and the laws of the State of Delaware. To the extent that the Corporation maintains any policy or policies providing such insurance, each such current or former director, officer or employee, and each such agent or fiduciary to which rights of indemnification have been provided pursuant to paragraph (H) of this Section 6.5, shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage thereunder for any such current or former director, officer, employee, agent or fiduciary.

SECTION 7.1 *By the Shareholders.*

These Bylaws may be amended by the shareholders at a meeting called for such purpose in any manner not inconsistent with any provision of law or of the Corporation's Certificate of Incorporation.

SECTION 7.2 *By the Directors.*

These Bylaws may be amended by the affirmative vote of a majority of the whole Board of Directors in any manner not inconsistent with any provision of law or of the Corporation's Certificate of Incorporation; *provided*, that the Board may not amend this Section 7.2, or the bonus proviso of Section 2.13 (Compensation of Directors), or Section 2.15 (Removal of Directors), Section 4.5 (Removal of Elected Officers) or Section 4.6 (Compensation of Elected Officers).

EMPLOYMENT AGREEMENT

EMPLOYMENT AGREEMENT (the "*Agreement*"), dated as of June 9, 2019, by and between United Technologies Corporation, a Delaware corporation (the "*Company*"), and Gregory J. Hayes ("*Executive*").

WHEREAS, Executive is currently the Chairman and Chief Executive Officer of the Company; and

WHEREAS, the Board of Directors of the Company has determined that it is in the best interests of the Company and its shareholders to ensure that the Company will have the continued dedication of Executive following the consummation of the transactions contemplated by the Agreement and Plan of Merger dated as of June 9, 2019, entered into by and among Raytheon Company ("*Raytheon*"), a Delaware corporation, the Company and Light Merger Sub, a Delaware corporation and wholly owned subsidiary of the Company (the "*Merger Agreement*"); and

WHEREAS, Executive and the Company mutually desire that Executive provide services to the Company on the terms herein provided.

NOW, THEREFORE, in consideration of the mutual covenants and agreements of the parties set forth in this Agreement, and other good and valuable consideration the receipt and sufficiency of which are acknowledged, the parties agree as follows:

1. Term. The term of this Agreement shall commence on the Closing Date (as defined in the Merger Agreement) (the "*Effective Date*") and shall continue, unless earlier terminated pursuant to Section 5 of this Agreement, through the third anniversary of the Closing Date (the "*Term*"). If Executive remains employed with the Company following the expiration of the Term, his continued employment shall be "at-will." This Agreement shall automatically terminate and be of no force or effect if the Merger Agreement is terminated for any reason without the occurrence of the Closing (as defined in the Merger Agreement).

2. Position and Responsibilities.

(a) During the portion of the Term commencing on the Closing Date and ending on the later (i) March 31, 2022 and (ii) the second anniversary of the Effective Date (the "*Initial Term*"), Executive shall serve as the President and Chief Executive Officer of the Company. Commencing on the earlier of (A) the last day of the Initial Term and (B) the date on which Thomas A. Kennedy ceases to serve as Executive Chairman of the Board of Directors of the Company (the "*Board*") (such earlier date, the "*Succession Date*"), Executive shall serve as the Chairman of the Board and shall continue to serve as President and Chief Executive Officer of the Company. During the Term, Executive shall serve as a member of the Board and shall report solely and directly to the Board.

(b) In his capacity as President and Chief Executive Officer and, on and after the Succession Date, Chairman of the Board, Executive shall devote his best efforts to the performance of the duties and responsibilities customarily incident to such positions and shall perform such other duties as may be reasonably assigned by the Board commensurate with his positions and as reasonably agreed to by Executive and the Board. Such duties and responsibilities shall in any event include, and otherwise be consistent with, the duties and responsibilities specifically established and approved by the Board and the Board of Directors of Radiant in connection with their respective approvals of the Merger Agreement on or prior to the date hereof.

(c) Executive's principal place of employment shall be the Company's headquarters in the Greater Boston Metro Area.

3. Performance of Duties. Executive shall devote his full business time, attention, and energies to the Company's business (except for periods of absence occasioned by illness, vacation and reasonable leaves of absence) and shall not engage in consulting work or any business for his own account or for any person, firm or corporation other than the Company. Subject to the Company's corporate governance policies, during the Term it shall not be a violation of this Agreement for Executive to (a) serve on corporate, civic, or charitable boards or committees or (b) manage personal investments, in each case, so long as this service does not interfere with the performance of his duties with the Company in accordance with this Agreement and complies with applicable provisions of any codes of business conduct and ethics of the Company, as in effect from time to time. It is expressly understood and agreed that to the extent that any such activities have been conducted by Executive prior to the Effective Date, the continued conduct of such activities (or the conduct of activities similar in nature and scope thereto) subsequent to the Effective Date shall not thereafter be deemed to interfere with the performance of Executive's responsibilities to the Company.

4. Compensation.

(a) Salary. During the Term, the Company shall pay Executive an annual base salary of \$1,600,000, subject to any upward adjustment made to such amount in the ordinary course of business consistent with past practice prior to the Effective Date, payable in equal installments on the Company's regularly recurring paydays in accordance with the Company's normal payroll practice. Increases in annual base salary shall be at the sole discretion of the Board or the compensation committee of the Board (the "*Compensation Committee*") and the annual base salary shall not be reduced after any such increase. The base salary as determined herein and increased from time to time shall constitute "Base Salary" for purposes of this Agreement.

(b) Annual Bonus Incentive Program.

(i) With respect to each fiscal year of the Company during the Term, Executive shall be entitled to participate in the Company's annual cash incentive bonus program established for the Company's executives (such bonus program, as in effect from time to time, the "*Bonus Program*"). Executive's target annual bonus opportunity under the Bonus Program shall be no less than 200% of Executive's Base Salary. Executive's annual bonus under the Bonus Program shall be earned based upon objectives established by the Compensation Committee with respect to each fiscal year of the Company. Any annual bonus earned with respect to any fiscal year during the Term shall be paid to Executive consistent with the Company's prevailing bonus payment practices, but no later than March 15 following the end of such fiscal year.

(ii) Notwithstanding the foregoing, for the year in which the Effective Date occurs, Executive's annual cash incentive bonus shall consist of: (A) a pro-rated portion of the bonus for the period that occurs prior to the Effective Date through and including the Effective Date, determined in accordance with the terms of the applicable Company annual bonus program as in effect immediately prior to the Effective Date, based on actual performance during the period from the first day of such year through the latest practicable date prior to the Effective Date (as determined by the Compensation Committee of the Board of Directors of the Company prior to the Effective Date); *plus* (B) a pro-rated portion of the bonus for the period beginning the day following the date of the Effective Date through the end of the year, paid (x) in accordance with the Bonus Program based on the actual achievement levels of the performance goals established by the Compensation Committee after the Effective Date or (y) based on the greater of target or the payout, as a percentage of target, determined under clause (ii)(A) to the extent that the Compensation Committee does not establish performance goals for such period.

(c) Long-Term Incentive and Equity Awards. Executive shall be eligible to receive equity and other long-term incentive awards under any applicable plan adopted by the Company during the Term for which employees are generally eligible. For each fiscal year of the Term, the Company shall grant Executive annual equity awards with an aggregate target grant date value equal to or greater than \$13,000,000. The form and terms and conditions of Executive's annual equity awards will be determined by the Compensation Committee and will be no less favorable than those applicable to equity awards granted to any other executive officer of the Company.

(d) Reimbursement of Expenses. In accordance with established policies and procedures of the Company as in effect from time to time, the Company shall pay or reimburse Executive for all reasonable and actual out-of-pocket expenses, including, but not limited to, travel, hotel, and similar expenses, incurred by Executive from time to time in performing his obligations under this Agreement. Any reimbursement of Executive's expenses made by the Company pursuant to this Agreement shall be payable in the normal business course in accordance with the Company's expense reimbursement policy.

(e) Relocation Benefits. Executive shall be entitled to relocation benefits consistent with the Company's practices prior to the Effective Date, in connection with Executive's establishment of a personal residence in the Greater Boston Metro Area, Massachusetts.

(f) Other Benefits. During the Term, Executive shall be entitled to such other employee benefits and perquisites, including, but not limited to, life insurance, medical and hospitalization, use of Company aircraft, leased car allowance and/or driver, disability, and retirement benefits, as may be provided by the Company and as may be amended from time to time, consistent with the benefits and perquisites provided to other executive officers of the Company; *provided, however*, that (i) Executive's use of the Company aircraft and the Company's vehicle policy (including Executive's use of a driver) shall be on terms no less favorable than those provided to Executive by the Company immediately prior to the Effective Date (or if more favorable, as provided to any other executive officer of the Company) and (ii) the remaining perquisites provided to Executive shall be no less favorable, in the aggregate, than the perquisites in effect for Executive at the Company immediately prior to the Effective Date (or if more favorable, as provided to any other executive officer of the Company).

5. Employment Termination.

(a) Termination of Employment. Subject to the terms of this Section 5, either the Company or Executive can terminate Executive's employment at any time for any or no reason. Notwithstanding anything to the contrary, during the Term, the affirmative written approval of members of the Board representing at least 75% of the then serving independent members of the Board shall be required to bring before any meeting of the Board (whether organizational, stated, special or otherwise) the termination of Executive's employment with the Company for any reason as an item of business to be transacted at such meeting (or to present the termination of Executive's employment for any reason as an item of business to be transacted pursuant to action by written consent of the Board), or to validly include the termination of Executive's employment as an item of business in any notice of any such meeting. Upon Executive's termination of employment for any reason, Executive shall be entitled to receive, within 30 days following the date of termination (subject to any applicable deferral election), a cash payment equal to the sum of (1) Executive's accrued Base Salary through the date of termination, (2) any annual incentive bonus earned by Executive under the Bonus Program for a performance period that was completed prior to the date of termination, and (3) any business expenses incurred by Executive that are unreimbursed as of the date of termination, in each case, to the extent not theretofore paid (the sum of the amounts described in clauses (1), (2), and (3) shall be hereinafter referred to as the "*Accrued Obligations*").

(b) Qualifying Termination. If, during the Term, (i) the Company terminates Executive's employment for any reason other than for Cause or due to Executive's death or disability (within the meaning of the Company's long-term disability plan applicable to Executive), or (ii) Executive resigns for Good Reason (each of clauses (i) and (ii), a "*Qualifying Termination*"), then Executive shall be entitled to receive the severance benefits set forth in Section 5(c), conditioned upon Executive's execution and delivery of a general release of claims in favor of the Company (which release shall not include any additional restrictive covenants) on the Company's standard form, and such release becoming effective and irrevocable no later than the 30th day following the Qualifying Termination. The Company shall provide Executive with the form of release no later than two days after the Qualifying Termination.

(c) Severance Benefits. The severance benefits due upon a Qualifying Termination shall consist of the following, with cash payments pursuant to clauses (i) and (ii) payable, subject to Section 10(i)(iii) and to any applicable deferral election in the case of clause (ii), within 30 days following the date of termination due to a Qualifying Termination:

(i) a lump sum cash payment equal to the product of (A) the sum of (1) Executive's Base Salary (disregarding any reduction thereto that serves as a basis for Executive's resignation for Good Reason), and (2) the greater of (x) Executive's annual bonus earned for the fiscal year immediately prior to the Effective Date and (y) Executive's target annual bonus established for the fiscal year in which a Qualifying Termination occurs or, if not yet established, the target annual bonus for the prior fiscal year (disregarding any reduction thereto that serves as a basis for Executive's resignation for Good Reason), *provided* that such target annual bonus shall not be less than 200% of Base Salary, *multiplied* by (B) three (3);

(ii) a lump sum cash payment equal to the product of (A) Executive's target annual bonus established for the fiscal year in which the Qualifying Termination occurs or, if not yet established, the target annual bonus for the prior fiscal year (disregarding any reduction thereto that serves as a basis for Executive's resignation for Good Reason), *provided* that such target annual bonus shall not be less than 200% of Base Salary, *multiplied* by (B) a fraction, the numerator of which is the number of days elapsed from the first day of the fiscal year in which the Qualifying Termination occurs to the Qualifying Termination and the denominator of which is 365;

(iii) Executive's Qualifying Termination shall be treated as a retirement for purposes of the terms and conditions applicable to Company equity awards held by Executive as of the Qualifying Termination, and any minimum holding period that would otherwise apply as a condition to vesting upon retirement shall be waived; and

(iv) for the period of 12 months (the "*Benefit Continuation Period*") following the Qualifying Termination, the Company shall continue to provide to Executive (and Executive's dependents who were covered by healthcare benefit coverage from the Company as of immediately prior to the date of termination, if any (the "*eligible dependents*")), without any requirement for Executive (or the eligible dependents) to pay a monthly premium, healthcare benefit coverage (including medical, prescription, dental, vision, basic life, employee assistance program coverage, and annual executive physicals) at least equal to the coverage that would have been provided to Executive (and Executive's eligible dependents, if any) if Executive had continued employment with the Company during the Benefit Continuation Period; *provided, however*, that if Executive becomes reemployed with another employer and is eligible to receive any of the types of healthcare benefits under another employer-provided plan, the healthcare benefit coverage that is duplicative of the type of coverage provided hereunder shall cease. Executive shall promptly notify the Company that Executive has become eligible to receive healthcare benefits under another employer-provided plan. The period for providing continuation coverage under the group health plans of the Company and its affiliates as described in Section 4980B of the Internal Revenue Code of 1986, as amended (the "*Code*") (i.e., "COBRA" continuation benefits) shall commence upon the expiration of the Benefits Continuation Period (or, if earlier, upon the cessation of the healthcare benefits coverage provided hereunder). For purposes of determining eligibility (but not the time of commencement of benefits) of Executive for retiree benefits pursuant to any applicable plans, practices, programs and policies of the Company, Executive shall be considered to have remained employed during the Benefit Continuation Period and to have retired on the last day of such period.

(d) Cause. For purposes of this Agreement and for purposes of all Company equity awards held by Executive, “Cause” means Executive’s:

- (i) willful and continued failure to perform substantially Executive’s duties with the Company pursuant to this Agreement after the Company delivers to Executive written demand for substantial performance specifically identifying the manner in which Executive has not substantially performed Executive’s duties;
- (ii) conviction of a felony; or
- (iii) willfully engaging in illegal conduct or gross misconduct (including a willful and material violation of the code of business conduct and ethics of the Company, as in effect from time to time), which is materially and demonstrably injurious to the Company.

For purposes of this Section 5(d), no act or omission by Executive shall be considered “willful” unless it is done or omitted in bad faith or without reasonable belief that Executive’s action or omission was in the best interests of the Company. Any act or failure to act based upon authority given pursuant to a resolution duly adopted by the Board, or advice of counsel for the Company, shall be conclusively presumed to be done or omitted to be done by Executive in good faith and in the best interests of the Company. For purposes of subsections (i) and (iii) above, Executive shall not be deemed to be terminated for Cause unless and until there shall have been delivered to Executive a copy of a resolution duly adopted by the Board in compliance with the process set forth in Section 5(a) (after reasonable notice is provided to Executive and Executive is given an opportunity, together with counsel, to be heard before the Board), finding that, in the good faith opinion of the Board, Executive is guilty of the conduct described in subsection (i) or (iii) above and specifying the particulars thereof in detail.

(e) Good Reason. For purposes of this Agreement and for purposes of all Company equity awards held by Executive that were granted to Executive prior to the Effective Date, “*Good Reason*” (and any term of similar import used in the terms and conditions applicable to such equity awards, including “*Involuntary Termination*”) means any breach by the Company of a material provision of this Agreement, including, without limitation:

- (i) a diminution of Executive’s duties or responsibilities, authorities, powers or functions, including ceasing to serve in the positions contemplated by this Agreement or the assignment to Executive of any duties inconsistent with Executive’s positions (including offices, titles and reporting requirements), authority, powers, functions, duties or responsibilities as contemplated by Section 2 of this Agreement;
- (ii) failure by the Company and/or the Board to appoint Executive to, or the appointment of anyone other than Executive to, the position of Chairman of the Board on or prior to the Succession Date;
- (iii) requiring Executive (A) to be based at any office or location in excess of 50 miles from the Greater Boston Metro Area or (B) to travel on Company business to a substantially greater extent than required immediately prior to the Effective Time;
- (iv) reducing Executive’s Base Salary;
- (v) reducing Executive’s incentive opportunities as described in Sections 4(b) and 4(c) of this Agreement; and
- (vi) failing to maintain Executive’s benefits and perquisites as described in this Agreement.

Executive’s resignation from employment shall not constitute a resignation for “*Good Reason*” as defined above unless (A) Executive has first delivered to the Company, not later than 90 days after the initial occurrence of the event or circumstance underlying Executive’s claim that *Good Reason* exists, a written notice of termination indicating Executive’s intention to resign for *Good Reason* and describing in reasonable detail the event that Executive believes to constitute *Good Reason*, (B) the Company has not cured such event or circumstance within 30 days after its receipt of such written notice, and (C) Executive actually resigns within 30 days after the expiration of such cure period.

6. Resignation as a Member of the Board of Directors. In all cases of termination of Executive’s employment, including upon the expiration of this Agreement (if applicable), unless otherwise agreed to in writing, Executive shall be deemed to have contemporaneously resigned from his position as a member of the Board and any other position he then holds with the Company or any of its subsidiaries or other entities controlled by, controlling, or under common control with, the Company (“*Affiliated Entities*”) and shall execute any documentation reasonably required by the Company in order to effectuate such resignation.

7. Cooperation in Proceedings. In all cases of termination of Executive’s employment, including upon Executive’s termination of employment upon the expiration of this Agreement, unless otherwise agreed to in writing, Executive agrees to cooperate with the Company and its *Affiliated Entities* with respect to any litigation or administrative proceedings involving any matters with which Executive was involved during Executive’s employment with the Company. Such cooperation shall be at such time or times requested by the Company upon reasonable advance notice to Executive and the Company shall cover any reasonable out-of-pocket expenses of Executive in so cooperating.

8. Restrictive Covenants.

(a) Executive understands and agrees that Executive's employment creates a relationship of confidence and trust between Executive and the Company with respect to all Confidential Information (as defined below). At all times, both during Executive's employment with the Company and after its termination, Executive shall keep in confidence and trust all such Confidential Information, and shall not use or disclose any such Confidential Information without the written consent of the Company, except as may be necessary in the ordinary course of performing Executive's duties to the Company. Nothing in this Agreement shall be construed to prevent disclosure of Confidential Information as may be required by applicable law or regulation, or pursuant to the valid order of a court of competent jurisdiction or an authorized government agency. Upon receipt of any such order, Executive shall promptly provide written notice to the Company of any such order, and shall consult with and assist the Company in seeking a protective order or request for other appropriate remedy. Notwithstanding any provision of this Agreement to the contrary, the provisions of this Agreement are not intended to, and shall be interpreted in a manner that does not, limit or restrict Executive from exercising any legally protected whistleblower rights (including pursuant to Rule 21F under the Securities Exchange Act of 1934). As used in this Agreement, "*Confidential Information*" means information belonging to the Company that is of value to the Company in the course of conducting its business and the disclosure of which could result in a competitive or other disadvantage to the Company. Confidential Information includes, without limitation, financial information, reports, and forecasts; inventions, improvements and other intellectual property; trade secrets; know-how; designs, processes or formulae; software; market or sales information or plans; customer lists; and business plans, prospects and opportunities (such as possible acquisitions or dispositions of businesses or facilities) which have been discussed or considered by the management or Board of the Company. Confidential Information includes information developed by Executive in the course of Executive's employment by the Company, as well as other information to which Executive may have access in connection with Executive's employment. Confidential Information also includes the confidential information of others with which the Company has a relationship. Notwithstanding the foregoing, Confidential Information does not include information in the public domain, unless due to breach of Executive's duties under this Section 8.

(b) To further ensure the protection of the Confidential Information, Executive agrees that for a period of one year after Executive's date of termination of employment, including upon Executive's termination of employment upon the expiration of this Agreement, Executive shall not accept employment with or provide services in any form to (including serving as a director, partner or founder, or entering into a consulting relationship or similar arrangements) a business that (i) competes, directly or indirectly, with any of the Company's principal business units as of the date of termination or (ii) is a material customer of or a material supplier to any of the Company's businesses as of the date of termination (a "Competitive Business"); *provided* that it shall not be considered a breach of this Agreement for Executive to be a passive owner of not more than 5% of the outstanding stock or other securities or interests of a corporation or other entity that is a Competitive Business, so long as Executive has no direct or indirect active participation in the business or management of such corporation or entity.

(c) Executive agrees that, for a period of two years after Executive's date of termination of employment, including upon Executive's termination of employment upon the expiration of this Agreement, Executive shall not, directly or indirectly: (i) solicit any individual who is, at the time of such solicitation (or was during the three-month period prior to the date of such solicitation), employed by the Company or one of its Affiliated Entities with whom Executive had direct contact (other than incidental) during the two-year period prior to the date of termination to terminate or refrain from rendering services to the Company or its Affiliated Entities for the purpose of becoming employed by, or becoming a consultant to, any individual or entity other than the Company or its Affiliated Entities, or (ii) induce or attempt to induce any current customer, investor, supplier, licensee or other business relation of the Company or any of its Affiliated Entities with whom or which Executive had direct contact (other than incidental) during the two-year period prior to the date of termination ("*Customer*") to cease doing business with the Company or its Affiliated Entities, or in any way interfere with the relationship between any such Customer, on the one hand, and the Company or any of its Affiliated Entities, on the other hand.

(d) Executive agrees that it would be difficult to measure any damages caused to the Company that might result from any breach by Executive of Sections 8(a), (b), or (c), that in any event money damages would be an inadequate remedy for any such breach and that the Company and its Affiliated Entities would be irreparably injured by any such breach. Accordingly, Executive agrees that the Company shall be entitled to a preliminary injunction, temporary restraining order or other equivalent relief, restraining Executive from any actual or threatened material breach of any of Sections 8(a), (b), or (c) of this Agreement without showing or proving any actual damage to the Company.

(e) To the extent that any court action is permitted consistent with or to enforce Section 8(a) of this Agreement, the parties hereby consent to the jurisdiction of the State of Delaware and the United States District Court for the District of Delaware. Accordingly, with respect to any such court action, Executive (i) submits to the personal jurisdiction of such courts; (ii) consents to service process; and (iii) waives any other requirement (whether imposed by statute, rule of court, or otherwise) with respect to personal jurisdiction or service of process.

9. Dispute Resolution.

(a) Subject to Section 8(e), Executive shall have the right to have settled by arbitration any dispute or controversy arising in connection herewith. Such arbitration shall be conducted in accordance with the rules of the American Arbitration Association before a panel of three arbitrators sitting in a location selected by Executive. Judgment may be entered on the award of the arbitrators in any court having proper jurisdiction. All expenses of such arbitration shall be borne by the Company in accordance with Section 9(b) hereof.

(b) The Company agrees to pay as incurred, to the full extent permitted by law, all legal fees and expenses that Executive may reasonably incur as a result of any contest (regardless of the outcome thereof) by the Company, Executive, or others of the validity or enforceability of, or liability under, any provision of this Agreement or any guarantee of performance thereof (including as a result of any contest by Executive about the amount of payment pursuant to this Agreement), plus in each case interest on any delayed payment at the applicable federal rate provided for in Section 7872(f)(2)(A) of the Code.

(c) This arbitration provision does not limit Executive's right to file an administrative charge with the National Labor Relations Board, the Equal Employment Opportunity Commission, or any state agency charged with the enforcement of fair employment practice laws.

10. Miscellaneous.

(a) Entire Agreement. This Agreement supersedes any prior agreements or understandings, oral or written, between Executive and the Company with respect to the subject matter hereof, including the Executive Leadership Group Agreement, dated March 3, 2004, between Executive and the Company, as amended to date and the Senior Executive Severance Agreement dated March 3, 2004, between Executive and the Company, as amended to date, and constitutes the entire agreement of the parties with respect thereto.

(b) Modification. This Agreement shall not be varied, altered, modified, cancelled, changed or in any way amended except by mutual agreement of the parties in a written instrument executed by the parties.

(c) Severability. In the event that any provision or portion of this Agreement shall be determined to be invalid or unenforceable for any reason, the remaining provisions of this Agreement shall be unaffected and shall remain in full force and effect.

(d) Tax Withholding. The Company may withhold all Federal, state, city or other taxes required pursuant to any law or governmental regulation or ruling.

(e) Binding Effect. This Agreement shall bind and inure to the benefit of each of the parties and their respective heirs, successors, administrators, executors, and assigns.

(f) Governing Law. The provisions of this Agreement shall be construed and enforced in accordance with the laws of the State of Delaware, without regard to its principles of conflicts of law.

(g) Notice. Any notices, requests, demands or other communications required by or provided for in this Agreement shall be sufficient if in writing and (i) if addressed to Executive, delivered personally to Executive, or sent by registered or certified mail to Executive at the last address Executive has filed in writing with the Company or by electronic mail to Executive's Company email address prior to the date of termination of Executive's employment or thereafter to the email address provided by Executive to the Company, or (ii) if addressed to the Company, delivered personally to the General Counsel of the Company or sent by registered or certified mail to the Company at its principal office, or by electronic mail to the Company's General Counsel at such individual's Company email address.

(h) Compliance with Company Policies. Executive acknowledges and agrees that Executive will be subject to all applicable compensation and benefit and governance policies of the Company applicable to executive officers, as in effect from time to time (including, for the avoidance of doubt, any applicable policy related to the recoupment of incentive compensation).

(i) Section 409A.

(i) General. The obligations under this Agreement are intended to comply with the requirements of Section 409A of the Code or an exemption or exclusion therefrom and shall in all respects be administered in accordance with Section 409A of the Code. Any payments that qualify for the "short-term deferral" exception, the separation pay exception or another exception under Section 409A of the Code shall be paid under the applicable exception to the maximum extent possible. For purposes of the limitations on nonqualified deferred compensation under Section 409A of the Code, each payment of compensation under this Agreement shall be treated as a separate payment of compensation for purposes of applying the exclusion under Section 409A of the Code for short-term deferral amounts, the separation pay exception or any other exception or exclusion under Section 409A of the Code. All payments to be made upon a termination of employment under this Agreement may only be made upon a "separation from service" under Section 409A of the Code to the extent necessary in order to avoid the imposition of penalty taxes on Executive pursuant to Section 409A of the Code.

(ii) Reimbursements and In-Kind Benefits. Notwithstanding anything to the contrary in this Agreement, all reimbursements and in-kind benefits provided under this Agreement that are subject to Section 409A of the Code shall be made in accordance with the requirements of Section 409A of the Code, including, without limitation, where applicable, the requirement that (A) the amount of expenses eligible for reimbursement, or in-kind benefits provided, during a calendar year may not affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other calendar year; (B) the reimbursement of eligible fees and expenses shall be made no later than the last day of the calendar year following the year in which the applicable fees and expenses were incurred; *provided* that Executive shall have submitted an invoice for such fees and expenses at least 30 days before the end of the calendar year next following the calendar year in which such fees and expenses were incurred; and (C) the right to reimbursement or in-kind benefits is not subject to liquidation or exchange for another benefit.

(iii) Delay of Payments. Notwithstanding any other provision of this Agreement to the contrary, if Executive is considered a “specified employee” for purposes of Section 409A of the Code (as determined in accordance with the methodology established by the Company as in effect on the Date of Termination), any payment or benefit that constitutes nonqualified deferred compensation within the meaning of Section 409A of the Code that is otherwise due to be paid to Executive under this Agreement during the six-month period immediately following Executive’s separation from service (as determined in accordance with Section 409A of the Code) because of Executive’s separation from service shall be accumulated and paid to Executive on the first business day of the seventh month following Executive’s separation from service, to the extent necessary to avoid penalty taxes or accelerated taxation pursuant to Section 409A of the Code. If Executive dies during the postponement period, the amounts and entitlements delayed on account of Section 409A of the Code shall be paid to the personal representative of his or her estate within 30 days following Executive’s death.

(j) No Mitigation or Offset. The Company’s obligation to provide the payments and benefits under this Agreement and otherwise to perform its obligations hereunder shall be absolute and unconditional and shall not be affected by any setoff, counterclaim, recoupment, defense or other claim, right or action that the Company may have against Executive. In no event shall Executive be obligated to seek other employment or take any other action by way of mitigation of the amounts payable to Executive under Section 5(c) of the Agreement, and, except as provided in Section 5(c)(iv) regarding healthcare benefits, no payments or benefits received from other employment shall serve to mitigate the payments and benefits hereunder.

(k) Survival. Any provision of this Agreement that by its terms continues after the expiration of the Term or the termination of Executive’s employment shall survive in accordance with its terms.

(l) Counterparts; Facsimiles. This Agreement may be executed in counterparts, each of which shall be deemed an original, and all of which, taken together, shall constitute one and the same instrument. This Agreement may be executed and delivered by exchange of facsimile copies showing the signatures of the parties, and those signatures need not be affixed to the same copy. The facsimile copies so signed shall constitute originally signed copies of the same consent requiring no further execution.

WALTHAM, Mass. and FARMINGTON, Conn., June 9, 2019 – Raytheon Company (NYSE: RTN) and United Technologies Corp. (NYSE: UTX) have entered into an agreement to combine in an all-stock merger of equals. The transaction will create a premier systems provider with advanced technologies to address rapidly growing segments within aerospace and defense. The merger of Raytheon, a leading defense company, and United Technologies, a leading aerospace company, comprised of Collins Aerospace and Pratt & Whitney, will offer a complementary portfolio of platform-agnostic aerospace and defense technologies. The combined company, which will be named Raytheon Technologies Corporation, will offer expanded technology and R&D capabilities to deliver innovative and cost-effective solutions aligned with customer priorities and the national defense strategies of the U.S. and its allies and friends. The combination excludes Otis and Carrier, which are expected to be separated from United Technologies in the first half of 2020 as previously announced.

The combined company will have approximately \$74 billion in pro forma 2019 sales. With a strong balance sheet and robust cash generation, Raytheon Technologies will enjoy enhanced resources and financial flexibility to support significant R&D and capital investment through business cycles.

Under the terms of the agreement, which was unanimously approved by the Boards of Directors of both companies, Raytheon shareowners will receive 2.3348 shares in the combined company for each Raytheon share. Upon completion of the merger, United Technologies shareowners will own approximately 57 percent and Raytheon shareowners will own approximately 43 percent of the combined company on a fully diluted basis. The merger is expected to close in the first half of 2020, following completion by United Technologies of the previously announced separation of its Otis and Carrier businesses. The merger is intended to qualify as a tax-free reorganization for U.S. federal income tax purposes.

“Today is an exciting and transformational day for our companies, and one that brings with it tremendous opportunity for our future success. Raytheon Technologies will continue a legacy of innovation with an expanded aerospace and defense portfolio supported by the world’s most dedicated workforce,” said Tom Kennedy, Raytheon Chairman and CEO. “With our enhanced capabilities, we will deliver value to our customers by anticipating and addressing their most complex challenges, while delivering significant value to shareowners.”

By joining forces, we will have unsurpassed technology and expanded R&D capabilities that will allow us to invest through business cycles and address our customers’ highest priorities. Merging our portfolios will also deliver cost and revenue synergies that will create long-term value for our customers and shareowners.”

Combination to Create Long-Term Value

- Highly complementary technology and R&D platform: With a combined annual company and customer funded R&D spend of approximately \$8 billion, seven technology Centers of Excellence, and over 60,000 engineers, the company will develop new, critical technologies faster and more efficiently than ever before. Areas of joint advancement include, but are not limited to: hypersonics and future missile systems; directed energy weapons; intelligence, surveillance, and reconnaissance (ISR) in contested environments; cyber protection for connected aircraft; next generation connected airspace; and advanced analytics and artificial intelligence for commercial aviation.
- Attractive financial profile with strong cash flow generation and balance sheet: Robust free cash flow growth and a strong balance sheet will support continued investment and return of capital to shareowners. The combined company expects to return \$18 to \$20 billion of capital to shareowners in the first 36 months following completion of the merger. As a result of the combination, the company also expects to capture more than \$1 billion in gross annual run-rate cost synergies by year four post-close, with approximately \$500 million in annual savings returned to customers. In addition, the combination presents significant long-term revenue opportunities from technology synergies.
- Complementary company culture: The combined company will have a strong performance-based culture focused on integrity, collaboration, innovation, diversity and corporate social responsibility. Employees will have expanded opportunities for career development and advancement in high-growth areas, as well as ongoing engagement in local communities.
